FLORIDA FOCUS

- The University of Florida and Penn State University are the only member schools in the Association of American Universities, the most prestigious organization in higher education, to have its overall athletic program ranked among the nation's five finest in 1994 national all-sports rankings and have its football team ranked in top ten in the final 1994 AP Poll.
- The University Athletic Association, Inc. has contributed \$9.5 million since 1988 to the University for academic endeavors.
- Florida and UCLA are the only schools in the country to place in the top ten in national all-sport rankings each year since 1984.

PRESS BOX

Entrance to Press Box – Enter the Press Box via the Press Elevator that is located midway at the base of the West Stands (press box side of the field). This elevator will go to all levels of the press operation. "Press Will Call" will be located in the press elevator lobby at street level. You will pick up late request credentials and parking passes here as well as photo sideline credentials/armbands.

Press Box Levels – There are seven levels in the Florida Field Press Box: 1) President's Deck which houses a lounge for the University President and his guests; 2) Bull Gator Club; 3) Working Press Deck: print media and media seating; 4) Coaches/Scouting Booths, Television Networks, Home and Visiting Radio Networks; 5) Photo and Video Deck including coaching films for both teams; 6) Luxury Box Level; 7) Luxury Box Level.

Working Press Deck (Level 3) – This level is reserved for media seating and statistical operations. Fax Service is available. We suggest that you let us know in advance what your needs in this area might be on game day. Several pay phones are available at the back of the press box which are used by dozens of media reps. If you have concerns about meeting tight deadlines, we strongly encourage you to order your own phone (see section on telephones).

Television Networks, Radio Networks, Coaches Booth, Dining Area (Level 4) – This level is reserved for television networks that are doing the game on a live or delayed basis. This level also houses the radio network for Florida and its respective opponent on game day. Each of the coaching staffs has one booth designated for its use. This level also contains the serving

and eating areas for media representatives only.

Photo Deck (Level 5) – This deck offers a spacious area for all video cameras that are covering the game. This area also will be used for filming by each of the coaching staffs. Security and Game Operation booths are also located on this level.

SIDELINES

The University of Florida follows NCAA and SEC rules regarding media representatives on the sidelines. Photographers and videographers are not permitted to shoot between the 25 yard lines and they must wear a photo armband at all times. The bench areas between the 25 yard lines are off limits to all media reps. No credentials will be issued to free-lance photographers, on-line writers, equipment carriers, or radio station representatives except for the two originating networks. A "photo only" zone has been established on the Florida Field sidelines. Only people wearing a game photo armband with photo or video equipment will be permitted in this area. All other media representatives on the field (announcers, reporters, etc.) must stand behind the "photo only" zone. This will ensure that photographers/videographers have the appropriate area to do their work.

CREDENTIALS

Press Box – All members of the media covering the game in a working capacity must seek appropriate credentials in **advance** from Norm Carlson. We would appreciate receiving these requests as early as possible. Requests for **working** space in the press box and photo credentials for the sidelines will be honored

from Sports Editors of DAILY Newspapers and Sports Directors of Television Stations **ONLY**. Due to the heavy demand for working space, credentials for radio stations are limited to immediate Gainesville area stations and the two broadcast network crews doing the game. Any radio station seeking in-game and post-game reports can receive them by calling the SID Office in advance to make proper arrangements with our staff. Request for working credentials must be made in **advance in writing** to Norm Carlson. Spouses, dates, relatives, family members, non-workers, and anyone 16 years of age or younger are not permitted in the press box. Violators will not be tolerated. Media agencies or bowls that violate this policy will not be issued credentials for future games.

Sideline Credentials – Media representatives with a gameday sideline photo/video credential form must report to the Press Elevator Lobby prior to the game. When you present the appropriate letter and identification, a sideline photo armband will be issued at that time. Your game credential or letter will not gain admittance to the photo zone on the sidelines. Media reps wearing a photo armband and carrying cameras will be the only people that will be permitted to enter the "Photo Only" zone on the field.

PRESS WILL CALL

Late requested game credentials and parking passes that cannot be mailed can be picked up at "Press Will Call" in the Press Box elevator lobby area. Game stand tickets that have been ordered by the media can also be picked up at the Press Will Call Window.

If time doesn't permit the parking credential to be mailed, you will have to pick it up at the Press Box elevator lobby area before gaining admittance to the press parking area. Parking will be in the grass lots at the north end of the stadium (corner of University Avenue and North-South Drive).

HOTEL ROOMS

The SID Office has a limited number of rooms reserved in the area for the media. We would be glad to assist you with a hotel room if you get in touch with us at least two weeks before the game. Please contact Harriette Peebles and she will do everything possible to assist you.

FOOD AND BEVERAGES

A hot pre-game meal will be served on Level 4 of the press box beginning 1 1/2 hours before kickoff. Snacks and beverages are available on Level 3 throughout the game as well as after the game while you complete your work in the press box. Approximately two hours after the game additional food and beverages will be available on Level 2 of the press box (Bull Gator level) at the post-game media social.

PRESS BOX AND POST-GAME INFORMATION SERVICES

Play-by-play, complete halftime and final statistics, coaches quote sheet, defensive stats, and post-game notes are all regular services on game day. Upon your arrival, you will receive an extensive press folder with game program, flip-card, updated statistics, biographical sketches, and game-day notes. An internal PA system will provide updated information and notes throughout the game.

POST-GAME INTERVIEWS

Florida's SID staff will escort media representatives to appropriate locker-room areas with 3-5 minutes remaining the game. Florida coach and player interviews will be conducted in the south endzone locker/conference area. Coach Spurrier will conduct a press conference in the media conference room 10 minutes after the contest. His conference can also be heard via an amplified phone hookup in the press box should you be facing tight deadlines. Florida's locker area for player interviews will open 25

FLORIDA TELECOMMUNICATION SERVICES

MEDIA FAX-ON-DEMAND

Fax-On-Demand will be the fastest way to get UF's updated statistics, notes, rosters, injury report, depth chart, scouting reports and bio sketches. This system will also have daily football practice reports. Due to this new technology, UF's SID office will not be mailing out the traditional weekly media notes and stats package. If you need this information, simply call the SID office and we will issue you the appropriate phone number, passcode and menu options for Media Fax-On-Demand. We sincerely believe that this service will make your job easier and more efficient simply because you won't have to wait to receive the information in the mail or for us to fax the materials to you. You can get the information when you want it and get what you want.

GATOR ON-LINE BULLETIN BOARD SYSTEM (BBS)

GATOR BBS, a 24-hour on-line computer information network that will debut in September, provides updated information and statistics on the Gator athletic program.

Information available on the easy-to-use system will include schedules, results, rosters, and statistics as well as updated notes on each Gator athletic team.

GATOR BBS is a service of the University of Florida Athletic Association. The cost of the service is just the price of the phone call. There are no added charges. The phone number is (904) 375-4683, , 14293.

Please note, menus for the various sports are seasonal.

minutes after the game. The locker area is open to all reporters. You can arrange post-game player interviews by filling in the appropriate request sheet in your press folder and returning it to a member of the Florida SID staff no later than the ten minute mark of the fourth quarter.

Procedures for coach and player interviews for Florida's opponent will be coordinated by the opponent SID staff. Opponent locker areas are located outside the southeast tunnel area of Florida Field.

FAX SERVICE

Please see page 5 for a description of the Fax-On-Demand Services. Fax service is also available in the press box to send information back to your agency at the conclusion of the game. There is a small fee for this service depending on the amount of information you want sent. Hal Deck is the fax service representative that will coordinate this service in the press box on game day. Please contact him on game-day to discuss your specific needs.

TELEPHONE INFORMATION

We strongly encourage you to make sure that your phone needs are met before game-day. Telephone orders for lines should be placed directly with Southern Bell (Susan Fisher, 904-350-4656). Remember, you must place separate orders for your phone line and for the appropriate equipment or you must bring the appropriate equipment with you. The SID office will not be able to help you with a phone line and/or equipment on the day of the game. You should take care of these matters as soon as possible. A bank of wall phones are available to the media on level three of the press box (print media and statistical operations). The SID office also has a few other phones that it uses for fax services and radio reports. Once again, if you envision tight deadline problems we strongly encourage you to order your own line as the SID phones, fax phones and the wall phones available to the media are in almost constant use for two hours after the game.

COACH SPURRIER INTERVIEWS (GAMEWEEK)

The best time to interview Coach Spurrier on the telephone is 11:00-11:30 on Monday, Wednesday and Thursday. He will normally return calls during these time frames. Please coordinate all requests for phone and personal interviews with Coach Spurrier with Norm Carlson in the SID office. This is important during the season with Coach Spurrier serving as head coach, offensive coordinator and QB coach, his time schedule must be coordinated. On every Sunday prior to a game the upcoming Saturday, Coach Spurrier will conduct a teleconference call at 2:00 p.m. ET with media representatives. Every Tuesday, Coach Spurrier will conduct a press conference at Florida Field. He will do radio and TV interviews from 12:15 until 12:30 at Florida Field and then conduct a joint press conference for all media representatives in the Gator Room from 12:45-1:15. He will also take part in a SEC teleconference each Wednesday morning at a time to be announced. Coach Spurrier will also be available to the media each day after practice.

PLAYER INTERVIEWS (GAMEWEEK)

All player interviews must be coordinated with the Sports Information Office. We strongly urge you to conduct your personal interviews on Monday from 3:15-3:45 (south endzone conference room) and Tuesday from 11:00-12:30 (Florida Field) as well as after practice. Interviews will take place on the practice field at the conclusion of practice. If it can possibly be done, short interviews with television stations can be conducted prior to the start of practice. Please call at least one day in advance for phone interviews. A note will then be left in player's locker asking him to return your call. All player interviews will conclude on Tuesday at 8:00 p.m. The Florida SID office will also conduct a teleconference with 2-3 players each Wednesday at a time to be announced. Team locker-rooms and training areas are considered private team areas. These areas are off limits to media representatives unless accompanied by SID office personnel.

PRACTICE

Fall practices are open to media, closed to the public. Coach Spurrier will meet with all interested media at the conclusion of each practice. Players are available for interviews after practice on Monday evening and Tuesday afternoon. No advance notice is needed. TV B-roll and still photos are permitted on the practice field Monday and Tuesday from the start of specialty period until the end of the first work period after calisthenics. Photographers

GATOR SPORTSLINE (BROADCAST QUALITY)

The Florida SID office will tape coach and player interviews for media use throughout the week. The general format of the Sportline will be: Monday - Florida defensive coach interview about the opponent offense; Tuesday - Coach Spurrier's comments from his weekly press luncheon; Wednesday - Offensive coach interview about the opponent defense; Thursday - Player interviews; Friday - Player interviews; Saturday - Coach Spurrier's postgame comments; Sunday - Comments from Coach Spurrier's teleconference. The Sportline number will be published in the weekly release material you will receive or by calling the SID office.

VIDEO SERVICES

On a weekly basis (each Wednesday), Florida will send satellite interviews of Coach Spurrier and several players to television stations that desire the service. Specifics (time and appropriate satellite information) will be announced in August. If interested, please call Andy Polack at the UF Athletic Dept. (904-375-4683, ext. 6600). The SEC office will also be sending a satellite feed of player and coach interviews from all twelve conference schools. Specifics will be announced later.

FLORIDA FOCUS

- The University of Florida ranked fourth among public institutions and eighth among all institutions in the number of new National Merit Scholars that enrolled in 1994.
- Florida's overall combined athletic program has ranked as the most successful in the Southeastern Conference in seven of the past eight years.
- The College of Law at the University of Florida ranks among the ten best and largest public supported law schools in the nation.
- Since 1980, Florida teams have captured a combined 75 SEC titles, the most for a conference school over that time span. During the course of the 1991-92 academic year UF teams captured eight league titles, the most conference titles in a single year in SEC history.
- Since 1980, UF student-athletes have been named to the SEC Academic Honor Roll, a combined 654 times, the top total in the conference.
- The University of Florida is the largest university in the southeast and among the ten largest in the nation.

1995 OUTLOOK

GATORS SEEK TO THREEPEAT

The University of Florida, which has risen to the upper echelons of college football success this decade, has put together a sterling list of achievements since the arrival of Steve Spurrier in 1990. The Gators hope to add to that impressive achievement list in 1995 as they seek to become just the second school in SEC history to capture three consecutive outright conference titles. Alabama is the only SEC school to accomplish that rare achievement, the last coming from 1977-79.

As the Gators enter the midpoint of what has been the most successful decade in school history, they will chase that goal of a third straight outright SEC title with a confidence that has materialized as a result of a good deal of success over the last few years. Florida is one of only two schools in the nation to finish each of the last four seasons ranked in the Top Ten in the final AP Poll and it is one of only five schools in the nation to win at least nine games in each of the past five years. Its 49 total wins since 1990 ranks as the fourth top victory total in the country this decade. It has won three SEC titles in the past four years (1991, 93, 94).

The task ahead of the Gators in 1995 won't be an easy one as they seek to win a third straight outright SEC title and finish among the nation's top ten teams once again. For just the second time in the history of the SEC a league school will have to play five conference games on the road (UF plays at Kentucky, LSU, Auburn, Georgia and South Carolina). The trip to Georgia will mark the first time since 1932 that the Gators have played in Athens. Nationally prominent Florida State and

Steve Spurrier, the first head coach in SEC history to direct a school to three outright SEC titles in his first five years in the league, will try to lead the Gators to their third consecutive outright conference title in 1995. Alabama is the only conference school to win three consecutive outright SEC titles, the last from 1977-79.

Tennessee headline a six-game home schedule that also includes Houston, Ole Miss, Vanderbilt and Northern Illinois. The SEC is once again expected to flex its power in 1995 as four conference schools (Florida, Auburn, Alabama and Tennessee) were ranked in the Football Writers Association of America early preseason top ten poll. The SEC was the only conference to have more than one team ranked in the top ten of that poll.

There have been plenty of good times for the Gator program this decade. It is one of only two programs in the nation to finish each of the past four seasons ranked in the top ten in the final AP Poll and its 49 total wins since 1990 ranks as the fourth top victory total in the country this decade.

Steve Spurrier, who is the first coach in SEC history to win three outright conference titles in his first five years at the helm of a league school and whose SEC record (35-6) is the best winning percentage (.854) in conference history (minimum of five years as a head coach in the SEC), returns a squad with 43 letterwinners and 11 starters from last year's 10-2-1 team. That unit won the SEC title last year with a 8-1 league record and finished the year ranked

seventh in the final polls and made its third Sugar Bowl appearance in the last four years. His 1995 squad ranks among the youngest during his Florida tenure. Fifty-eight (58) freshmen or sophomores are on the roster, including 37 freshmen (24 are true freshmen). Several of the lower classmen are going to have to play top roles.

Following is a closer look at the 1995 squad by position areas.

THE OFFENSE

Six starters return from an offense that once again ranked among the premier units in the nation last fall. The Gators of '94 averaged 43.4 points per game, the second best mark in the nation, and their 69 touchdowns and 521 total points were the best seasonal totals in SEC history. Steve Spurrier's squad threw for a SEC record 43 TD passes, a total that was 15 more than any other Div. IA team in the nation in

Junior Danny Wuerffel, who ranked fourth in the nation in 1994 in passing efficiency with a rating of 151.2, has already thrown for 40 career TDs, the fourth top total in UF history and the 9th best in SEC history, despite starting just 13 games over the past two seasons.

1994. The unit ranked eighth in the country in total offense (462.8 ypg) and fourth in passing (311.7 ypg). Florida's 5,553 yards in total offense was the second best seasonal total in SEC history.

The backfield returns a large majority of the key performers from last year's high-scoring outfit. Junior Danny Wuerffel, who has already thrown for 40 TDs the past two years despite splitting time with the departed Terry Dean, returns as one of the nation's top signal callers. Runningbacks Fred Taylor and Elijah Williams, who rushed for a combined 1,525 yards as a freshman duo last fall, also return.

Record-setting wide receiver Jack Jackson, who declared for the NFL Draft after his junior year in 1994, and Aubrey Hill are key losses among the wide receiver unit, but a solid core of players return headlined by senior Chris Doering and sophomores Reidel Anthony and Ike Hilliard. Senior tackle Jason Odom, a top candidate for the Outland Trophy as the nation's premier lineman, and juniors Jeff Mitchell and Donnie Young headline an offensive line unit that was hampered this spring by injuries. Depth is a concern and several young players are going to have to step in to top spots on the line.

tions in college football, Florida loses some highly productive performers from 1994's record-setting offensive unit, but a good deal of ability is still present. In fact, based on their performance this spring this unit might very well prove to be even better than the '94 contingent.

As a junior in 1994 Jack Jackson caught 57 passes for 855 yards with 15 TDs, the top seasonal total in SEC history. Jackson, who declared for the NFL Draft after his junior year, registered 29 career TD catches, a total that tied for the all-time best mark in SEC history. He had 143 career catches for 2,266 yards. The first-team All-America selection, who was one of three finalists for the Biletnikoff Award as the nation's top receiver, averaged a TD reception every 3.8 catches during his sparkling 1994 campaign. Jackson was selected in the fourth round of the NFL draft last April by Chicago. Also departing is highly reliable Aubrey Hill who had 33

catches and 7 TDs during 1994 and averaged a TD reception once every 4.78 catches during his Gator career, the second best mark in that category in school history.

Senior Chris Doering and two talented sophomores, Reidel Anthony and Ike Hilliard, headline the returning wide receiver contingent. Doering, a former walk-on, has caught 78 total passes for 14 TDs the past two years. Last year he had 35 catches for 496 yards with 7 TDs. Anthony caught 30 passes for 615 yards (20.5 apc) as a true freshman in '94. Anthony, who was named UF's Most Outstanding Freshman Player last year, set freshman school records for most TD receptions (5) and reception yardage (615). Hilliard had 22 catches for 306 yards and 4 TDs as a true freshman last fall despite missing a

couple of late season games with injuries. He also had a Sugar Bowl record 82 yard TD reception vs. Florida State. Senior Sorola Palmer, the squad's top punt returner the past two years, also returns. Redshirt freshmen Jacques Green, Nafis Karim and Travis McGriff are all competing for spots in the playing rotation as is true freshman Jamie Richardson who participated in spring drills.

One of the goals of spring drills was to get the tight-end more involved in the Gator passing game. Junior Shawn Nunn, the primary starter last year, returns as do sophomore Taras Ross and junior Tremayne Allen. Allen, a walk-on who earned a scholarship this

spring, had a surprisingly solid spring practice and enters fall drills first on the depth chart. Nunn led the TE unit in catches last season with seven for 68 yards. Incoming freshman Erron Kinney, a highly regarded 6-6, 255 pounder, could earn playing time as well.

OFFENSIVE LINE

Injuries this spring prevented this unit from getting the type of preparation desired. Jeff Mitchell and Donnie Young underwent knee and ankle surgery, respectively, prior to the start of spring drills and Jason Odom then suffered an ankle injury which sidelined him for most of the practice time. Those injuries kept the unit's top three players out of action for virtually the entire spring.

Center David Swain and right tackle Anthony Ingrassia are departing starters on the offensive line, but the potential is there for a solid group in '95 if some youngsters step forward and injuries don't hamper the unit's effectiveness as it did in the final stages of the 1994 season. There is a good deal of experience as four players have started at least 10 collegiate games and that foursome has combined for 88 career starts entering the new season. Only two other players, however, have earned a letter on the line.

Senior tackle Jason Odom, who ranks with the premier offensive linemen in the nation, will be in his fourth year as a starter. As a junior last fall he was named second-team All-America, consensus first-team All-SEC and was the recipient of the prestigious Jacobs Blocking Trophy which is awarded each year to the SEC's top blocker as voted by the league coaches. He rightfully will receive consideration for the Outland Trophy in 1995 as the nation's premier lineman. Redshirt freshman Mo Collins enters the fall as the projected starter at right tackle. Sophomores Eric Johnson and Keith McMahon along with senior Reggie Green, who was moved to

Fred Taylor (top) and Elijah Williams (bottom) combined to rush for over 1,500 yards while catching 56 passes as a freshman duo at tailback last fall.

guard this spring, are other players who could play at the tackle positions. An incoming freshman might have to provide some backup help this fall.

The situation at guard and center isn't quite as clear as it is at tackle. The coaching staff had planned to give Jeff Mitchell, a starter in ten games at guard last year, an extended look at center this spring but he had knee surgery just prior to the start of spring drills so that experiment could not take place. Mitchell, who along with Odom was named co-recipient of UF's Most Outstanding Offensive Lineman Award last season, will be the first-team center this August when fall drills begin.

With Mitchell at center, senior Reggie Green, a starter in 30 games at tackle over the past three seasons, moves into the top spot at left guard. Junior Donnie Young, a starter in 12 games at right guard last fall, returns to that spot this season. Sophomore Elijah Brown, a converted defensive tackle, and redshirt freshman Deac Story are battling for top backup roles at guard. An incoming freshman could also earn a backup role at guard.

QUARTERBACK

This is one of the squad's strengths with the return of experienced junior Danny Wuerffel, a starter in 13 games over the past two seasons, and two other outstanding juniors—Eric Kresser and Brian Schottenheimer.

Wuerffel, who has already thrown for over 3,900 yards and 40 TDs (the 4th top total in UF history) the past two seasons despite splitting time with the departed Terry Dean, is regarded as one of the nation's top returning signal-callers. He threw for 22 TDs in 1993, the top total in NCAA Div. IA history for a freshman, and his 151.2 passing efficiency rating last year ranked fourth best in the country.

Wuerffel, an Academic All-America candidate (3.7 GPA), will get a strong push from Kresser who continues to

impress the coaching staff with his strong arm and increased understanding of the Gator offensive system. Schottenheimer, the son of Kansas City Chief Head Coach Marty Schottenheimer, also had a fine spring and gained increased confidence of the Florida staff. He was issued a scholarship after his solid play this spring.

RUNNINGBACK

Like the offensive line, tailback was a position area that was hit with a rash of injuries this spring. First, sophomore Tyrone Baker underwent major reconstructive knee surgery in February and then sophomore Elijah Williams suffered an ankle injury on the second day of spring drills which required surgery. Sophomore Fred Taylor was sidelined a good deal of the time with a shoulder injury. The injuries to the squad's only three scholarship players at the tailback position resulted in the coaching staff moving redshirt freshman Terry Jackson, the brother of former Gator wide receiver standout Willie Jackson, to tailback from strong safety. He had a very solid spring at his new position and will enter the fall at that spot.

As freshmen in 1994 Taylor and Williams combined for 1,525 rushing yards at the tailback spot while also totaling 56 receptions. Taylor rushed for 873 yards, the second most for a freshman runningback in Gator history, trailing only the 1,341 registered by Emmitt Smith in 1987. Williams rushed for 652 yards. Taylor averaged 5.1 yards per carry while catching 29 passes. Williams averaged 5.3 yards per carry and caught 27 passes.

Chris Biske, the starter at fullback, is the only departure from the 1994 runningback unit. Junior Dwayne Mobley, who had a fine spring, enters the fall atop the depth chart at that position ahead of junior Jerome Evans.

THE DEFENSE

Five starters return to a defensive unit that ranked fifth in the nation in '94 in rushing defense (84.6 ypg), 26th in pass defense (based on efficiency rating of 107.5), 19th in total defense and 16th in scoring defense (17.08 ppg). Florida and Alabama were the only two schools in the SEC to finish in the top four spots in the conference in each of those above mentioned categories and the Gators were the only SEC team to rank in the top 26 teams in the nation in each of those four defensive statistical categories.

"Five starters return to a defensive unit that ranked fifth in the nation in 1994 in rushing defense...This will be the second year of the 'Multiple 40' defense installed by coordinator Bobby Pruett last year... The focus in '95 is to perform just as well in these areas (rushing defense, third down defense, tackles for loss) while continuing to show improvement vs. the pass."

Graduation hit the defensive line hard as three top-flight players, end Kevin Carter and tackles Ellis Johnson and Henry McMillan, have departed. All three were selected in the NFL Draft last April with Carter and Johnson going in the first round. Four-year starter Larry Kennedy at corner and two-year free-safety starter Michael Gilmore have also departed as has Kevin Freeman, a starter at inside linebacker.

Overall, this will be a young Gator defensive unit that will likely have no more than six seniors appearing on the two-deep depth chart. It is especially young in the secondary where there is only one senior, former walk-on Sam

McCorkle at strong-safety. Two sophomores, free-safety Mike Harris and corner Fred Weary, are projected starters in the defensive backfield.

This will be the second year of the "Multiple 40" defense installed by coordinator Bobby Pruett last year. The Gators were especially impressive in two statistical areas last fall as they held opponents to just 84.6 rushing yards per game, the best mark in that category in school history, while holding opponents to just a 27.6% success rate in the all-important third down conversion stat. The unit also registered 91 total tackles for lost yardage and scored four defensive touchdowns. The focus in '95 is to perform just as well in these areas while continuing to show improvement vs. the pass. Florida ranked 26th in the nation last year in passing efficiency defense after posting a national rank of 39th in that category in 1993. Florida had 92 more passes thrown against it last year than any other team in the Southeastern Conference.

DEFENSIVE LINE

An argument could be made that Florida's interior line in 1994 was as good as any in the nation. Experienced and talented seniors dominated the play of this group. The three departing seniors, end Kevin Carter and tackles Ellis Johnson and Henry McMillian, started a combined 84 games at Florida. The Gator defensive line in '95 enters the season with 41 combined career starts, 26 by all-star candidate Mark Campbell.

End Kevin Carter was a first-team All-America selection in '94 and was the first defensive player selected in last April's NFL Draft (the 6th overall selection to the St. Louis Rams). Ellis Johnson, named the CNN 1994 National Defensive Player of the Year and the MVP of the 1994 SEC Championship Game, was a highly productive player at tackle as was Henry McMillian who was

named the squad's most inspirational player last fall. Johnson, who was selected in the first round by the NFL Draft by Indianapolis, was chosen by his teammates as the squad's MVP for '94. The duo of Carter and Johnson combined for 36 tackles behind the line of scrimmage last year, including 18 QB sacks. They ranked among the most devastating end-tackle duos in the nation. That was verified in the most recent NFL Draft when they were both selected in the first round. It marked just the second time in the history of the NFL Draft since 1967 that two defensive linemen from a school were selected in the opening round of the draft the same year.

Senior Mark Campbell is the only returning starter on the line from 1994. He is entering his third year as a starter at end and could also play tackle if called

tion for post-season honors in 1995. Senior Johnie Church, a starter in eight games at end as a true freshman in 1992 and 10 games overall in his career, enters the fall as the starter at the other end spot. Church is an experienced veteran who has registered 110 career tackles. He had an outstanding spring and the Gator coaches believe he could have a very productive year. Junior Cameron Davis, Carter's top backup last season, sophomores Mike Moten and Willie Rodgers— a converted line-backer, and promising redshirt freshman Mike Jackson are other top players at the end positions. Moten also saw duty at tackle during the spring. An incoming freshman might have to play a backup role at this position.

defensive line, leave a big hole at the tackle positions. Senior David Barnard, a top backup the past three seasons, and sophomore Keith Council move into the top spots this fall. Barnard, who has five career starts, registered 20 tackles last year while Council posted 11 as a redshirt freshman. Junior McDonald Ferguson and redshirt freshman Ed Chester are other tackle candidates. This is a position area that will also likely need a true freshman to step forward to provide backup assistance this fall.

LINEBACKER

Senior Ben Hanks, a first-team All-SEC selection as an outside linebacker last fall, headlines the linebacker contingent. Hanks, the squad's leading tackler last season, is an experienced performer who is entering his fourth year as a starter. The '95 post-season all-star candidate, who could also see some duty at inside linebacker in certain situations, will be counted on to provide leadership and stability to a young linebacker group. Sophomore Pat Lowe and redshirt freshman Mike Peterson, who was moved this spring from strong-safety, are the top backups to Hanks at the nickelbacker.

Senior Dexter Daniels, a second-team All-SEC choice last year who has started 23 games the past two years, is the most experienced returnee at the inside linebacker positions. He missed spring drills after undergoing shoulder surgery. Daniels has registered 199 total tackles in his Gator career. Junior James Bates, who ranked third among all inside linebackers last fall with 36 total tackles, also was sidelined this spring after undergoing knee surgery.

Seniors Matt Pearson and Jason Bartley, sophomores Kevin Walton and Dwayne Thomas, who was moved from the nickelbacker post during spring drills, and freshman Willie Cohens made the most of the injury situation at inside linebacker this spring and competed intensely for playing

time. Bartley and Pearson had the finest spring drills of their careers while Walton and Cohens stamped themselves as two youngsters who have a bright future. Walton was named the team's most improved inside linebacker this spring while Cohens was named the defensive squad's most improved freshman this spring. Competition for starting and top backup roles is expected to get even more competitive in August when Daniels and Bates

return from their off-season surgeries and a highly touted group of prep linebackers arrives on the scene.

SECONDARY

As mentioned above, this is a young unit in 1995 that will likely start two sophomores and two juniors. The only senior player in the secondary is special teams standout Sam McCorkle, a former walk-on.

Larry Kennedy, a first-team All-SEC

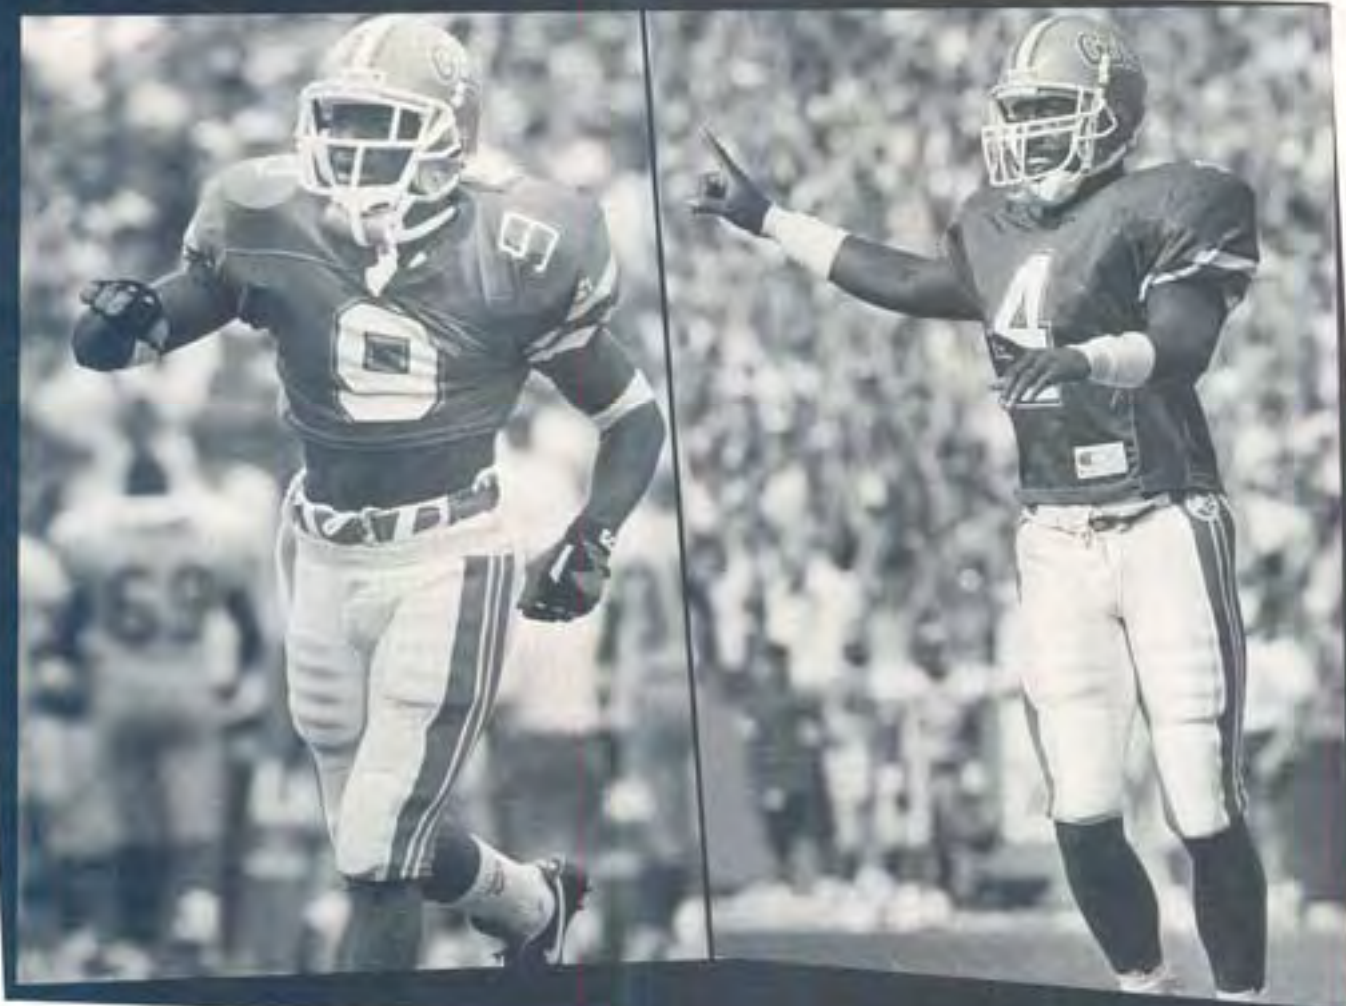

choice last fall, started all but one Gator game over the course of the last four seasons. The very experienced cornerback started more games, 50, than any player in Florida history. Also departing is Michael Gilmore, a two-year starter at free-safety who led the squad in interceptions in each of the past two seasons. Honored as one of the nation's premier scholar-athletes in both 1993 and 1994, Gilmore gave the Gators a very heady performer at the important free-safety slot.

Junior Anthonie Lott, selected the squad's most outstanding defensive back last year, is the top returnee at cornerback. The junior, whose 83 total tackles ranked third best on the team last year, has started 20 games over the past two seasons. He led the secondary unit with 15 pass deflections last fall. Sophomore Fred Weary and junior Shea Showers will continue to battle for the starting nod at the other cornerback post. Ronnie Battle, a sophomore walk-on who was moved to defensive back from wide receiver last year, and redshirt freshman Tony George can also play the corner. George, who was limited in his drills this spring due to off-season back surgery, spent most of his time this spring at strong-safety. Corner is also a spot on the defense that incoming freshmen might have to provide assistance.

Sophomore Mike Harris and junior Demetric Jackson will continue to battle for the free-safety spot, occupied by Michael Gilmore the past two seasons. Harris enters the fall atop the depth chart. Junior Lawrence Wright, the squad's number two tackler last year with 84, returns as the starter at strong-safety. Senior Sam McCorkle, sophomore Xavier McCray and George are the top backups to Wright. George, as mentioned above, can also play at corner if called upon.

Dexter Daniels headlines the 1995 Gator inside linebacker contingent. He enters the 1995 season with 199 career tackles.

Juniors Anthony Lott (left) and Laurence Wright (right) are the veterans on a young Gator secondary. Lott was selected the squad's most outstanding defensive back last year while Wright has registered over 80 tackles in each of the past two seasons.

SPECIAL TEAMS

This was one of the most impressive and improved areas of Florida's play last year. Under the guidance of Special Teams Coordinator Ron Zook, the '94 unit blocked a school record five kicks and directly recorded three TDs while setting up three others. The Gators averaged 23 yards per kickoff return and 11.8 per punt return, marks that ranked 11th and 14th in the nation, respectively. This unit's solid and aggressive play was a marked improvement from recent seasons.

Graduation hit the Gator kicking game hard. Shayne Edge handled all the punting chores for the past four

seasons while Judd Davis was the recipient of the 1993 Lou Groza Place-Kicker of the Year Award who completed his career in 1994 with 225 total points, the top total in school history. Davis was very consistent the past two years hitting on 33 of 38 field goals (86.8%) inside 50 yards while Edge averaged 43.7 yards per punt in '94 and 42.4 throughout his sparkling four year career. The duo could arguably have been called the finest punter-place kicker tandem in the nation in 1994.

Junior Bart Edmiston is the squad's most experienced place-kicker while junior walk-on Matt Teague handled

the punting chores this spring. Edmiston is 7 for 14 in career field goal opportunities with all 14 attempts coming during his true freshman year in 1992. Incoming freshman Robby Stevenson, generally regarded as one of the nation's premier prep kickers in 1994, will be a strong candidate at both the place-kicking and punting areas.

Senior Sorola Palmer, who averaged 9.9 per punt return in each of the 1993 and 1994 seasons, returns to handle the punt return duties while a host of speedy receivers and backs will continue to battle for the kickoff return duties.

COACH SPURRIER'S COMMENTS ON 1995

DEFENSIVE TEAM

END

"We think Mark Campbell is ready to have a big year. He was voted as one of our defensive captains, and his leadership and athletic ability are important to our team. Johnnie Church had an excellent spring at the other end position. Hopefully we can develop some solid depth with Cameron Davis, Willie Rodgers and perhaps Mike Jackson or Mike Moten, if he is physically able to play."

TACKLE

"This is a position where we will have two new starters, although Dave Barnard has played a lot of ball here and had an excellent spring. If he works hard in the off-season he could have an outstanding senior season. Sophomore Keith Council is a young player who has done some good things and a redshirt freshman, Ed Chester, has a lot of promise. We are shy

on depth and this is an area where a true freshman has a chance to play early."

INSIDE LINEBACKER

"Our young players got most of the spring work because Dexter Daniels and James Bates, who will start out on the first team in the fall, both missed all the work

"We worked very hard this spring at getting better execution of assignments and Coach Pruett and the defensive staff believe we made a lot of progress. The players increased their overall knowledge of our defensive scheme. We should have more speed and quickness on defense and we want to make more big plays."

after surgery. Sophomore Kevin Walton and freshman Willie Cohens both had some good days and they just need to gain experience and get more consistent. Dwayne Thomas switched to this position and is still a little behind the others, but is gaining ground. Senior Jason Bartley and Matt Pearson are experienced players who did a good job in the spring. We might also look at some incoming freshmen for depth this season."

NICKELBACKER

"Ben Hanks was All-SEC last season, he was elected as a defensive captain this year and we believe he is headed into his biggest year as a Gator. We have confidence in his playing and leadership. Providing depth at this position is our biggest objective. Pat Lowe, Mike Peterson and probably an incoming freshman or two are the players involved here."

CORNERBACK

"Coach Bob Pruett feels we made a lot of progress in the secondary this spring.

We've got three cornerbacks — Anthony Lott, Fred Weary and Shea Showers — who came a long way. Lott is clearly the starter on one side and Weary and Showers are about even on the other side. We believe we'll be improved at cornerback. Depth will come from Ronnie Battle and perhaps an incoming freshman or two."

STRONG SAFETY

Lawrence Wright begins the fall as the starter and he's coming off a good spring where he improved. Xavier McCray could be a factor here, and we moved Tony George to the position from cornerback. Sami McConroe, our excellent special teams player will also give us some added depth at this position."

FREE SAFETY

Sophomore Mike Harris made a lot of progress in the spring and will start out as the number one player at free safety in the fall. He needs the game experience but we're confident he is going to continue to improve and be a fine player. Demetric Jackson did some good things in the spring and is solid at the backup spot."

DEFENSIVE SUMMATION

"We worked very hard this spring at getting better execution of assignments and Coach Pruett and the defensive staff believe we made a lot of progress. The players increased their overall knowledge of our defensive scheme. We should have more speed and quickness on defense and we want to make more big plays."

OFFENSIVE TEAM

WIDE RECEIVER

"This is an excellent group of receivers and we're confident they are going to make a big impact on the 1995 team. We have more speed and a lot of talented athletes who can contribute over the course of a season."

"Chris Doering has proven to be a steady clutch receiver over the past three seasons and he is one of our offensive captains. He could have a big senior year. Reidel Anthony and Ike Hilliard are true sophomores, but they play like much more experienced players. Jacques Green, Nafis Karim and Travis McGriff are all redshirt freshmen who will help, as will true freshman Jamie Richardson. Sorola Palmer is a solid senior and an excellent possession receiver."

"We need to get our offensive line intact and settled with the changes of Jeff Mitchell to center, Reggie Green to left guard and a new starter at right tackle in Mo Collins. If they come along as expected we have the experience and ability at quarterback, running back and with the receivers to be a good offensive team. Hopefully we will be able to run the ball a little better than we did last year and I believe we will have an excellent passing game again."

TIGHT END

"Tremayne Allen was one of the big surprises of the spring and he begins the fall on the first team. He caught the ball, his blocking improved and he is a solid person. Shawn Nuhn is probably our best blocker at this position and his receiving skills improved in the spring. Taras Ross was hurt and missed most of the spring. We think a true freshman might have an opportunity to contribute this year."

OFFENSIVE LINE

"Redshirts and people who haven't played much got most of the work in the spring because three of our starters — Jason Odum, Jeff Mitchell and Donnie Young — were all out with injuries. Hopefully, the experience they gained will help us with depth in the fall. Redshirt freshman Mo Collins will join our returning starters as the number one man at right tackle. Mitchell will switch to center and Reggie Green will take his spot at left guard."

RUNNING BACK

"Fred Taylor will begin fall drills on the first team and we expect to get Eli Williams back at full speed before practice starts. He missed all of the spring work after ankle surgery. Terry Jackson moved over from defense and did a good job; he was one of the surprises of the spring. We have a chance to be better at tailback."

"Junior Dwayne Mobley had an excellent spring at fullback and is clearly the starter here. Jerome Evans is a strong, tough runner. Both of them caught the ball fairly good in the spring and hopefully we can get this position more involved in our offense this season. We think Mobley and Evans will give us a solid situation at fullback."

QUARTERBACK

"Danny Wuerffel will start out as number one, based on his fine spring and what he has accomplished. He's a heady player that seems to get the ball where it's supposed to be most of the time; he hits 64-65 percent of his passes each year. Eric Kresser continues to get better and there's no question he has the best arm of any of our quarterbacks. Brian Schottenheimer is right there, also. I feel good about all three quarterbacks."

OFFENSIVE SUMMATION

"We need to get our offensive line intact and settled with the changes of Jeff Mitchell to center, Reggie Green to left guard and a new starter at right tackle in Mo Collins. If they come along as expected we have the experience and ability at quarterback, running back and with the receivers to be a good offensive team. Hopefully we will be able to run the ball a little better than we did last year and I believe we will have an excellent passing game again."

KICKING GAME

"Bart Edmiston is the number one placekicker going into fall practice and Matt Teague is the punter and will also get an opportunity to be the kickoff man. Robby Stevenson, an incoming freshman, could provide strong competition in these areas."

SEC RACE

"It appears most of the media experts have rated Tennessee and Florida as the favorites on our side (SEC East) but I believe there are several teams who could beat anyone else on a given Saturday. Georgia has five home conference games, like we did last year and they could be a big factor, just like South Carolina, Vanderbilt and Kentucky will be competitive. In the West, the favorites appear to be Auburn and Alabama, and I think LSU is going to be much improved."

HEAD COACH STEVE SPURRIER

When Steve Spurrier was hired as head football coach at the University of Florida in 1990 it isn't likely anyone could have predicted what was going to take place during the first half of the decade of the '90s.

Prior to his arrival, no Florida team had captured an official Southeastern Conference championship in 56 years as a charter member of the league. Spurrier has become the first coach in league history to capture three outright conference crowns in his first five seasons, 1991, 1993 and 1994.

Florida is 35-6 in SEC games over the last five seasons, a winning percentage of .854 — tops among league schools during this period and the best in SEC history for any coach who has coached a minimum of five years in the conference.

Prior to 1990 no Gator team had won nine games in a season. In five seasons Spurrier-coached Gator teams have won at least nine each year, surpassing that total three times: 1991 (10 wins), 1993 (11) and 1994 (10).

His overall 49-12-1 overall record in the past five seasons ranks as the fourth-best win total in college football during this period, and his winning percentage of .798 is fifth-best among any SEC head coach in history.

Florida has had the SEC's best record four of the last five seasons (6-1 in 1990, 7-0 in 1991, 8-1 in 1993 and 8-1 in 1994), producing four bowl appearances, including three Sugar Bowl games and UF's first win in that classic.

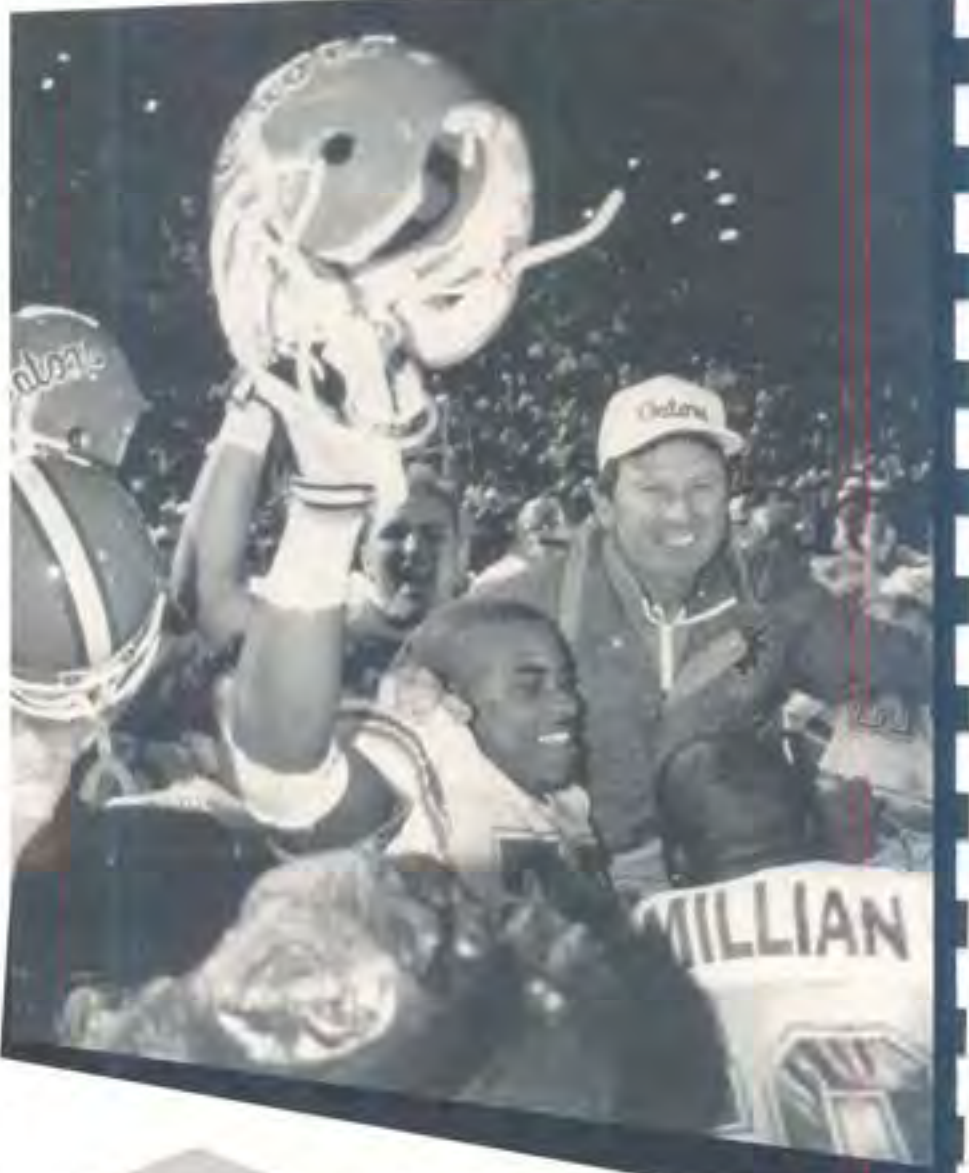

Florida has won the SEC Eastern Division championship in all three years of league divisional play — 1992, 1993 and 1994.

Spurrier's teams have been ranked in the AP national poll in 82 of the 83 weeks he has been the Gator head coach, including the last 82 straight. They have ranked in the Top 10 Poll in each of the last 35 weeks, including a number one ranking in seven of the first nine weeks of the 1994 season.

He is the first coach in Florida history to defeat arch-rival Georgia five consecutive seasons.

Spurrier has been voted SEC Coach-of-The-Year three times, 1990, 1991 and 1994, an honor he captured in the Atlantic Coast Conference as head coach at Duke University in 1988 and 1989.

His eight-year collegiate head coaching record of 69-25-2 (72.9%) is sixth-best in the nation among active coaches. His

Steve Spurrier is the first coach in SEC history to capture three outright league championships in his first five years at the helm.

overall head coaching record, counting three years in pro ball, is 104-44-2 (70.0%).

In Spurrier's initial season at the Gator helm in 1990, his team went 9-2, finished fifth in the nation on defense and 10th on offense while setting 14 single-season records.

In 1991, the Gators won 10 games for the first time, beating seven league foes by a margin of 226-74 and producing the best conference record in their history (7-0) and the best by any SEC school since 1977.

The team set seven new school records, three SEC marks and finished the season ranked ninth in the nation in total offense and fourth in passing. They led the SEC and were sixth in the nation in rushing defense. The Gators' 5,028 yards of total offense was a school record at that time.

They finished the regular season ranked third in the nation and dropped to seventh after losing to Notre Dame in the Sugar Bowl.

In 1992, the young Gator team started the season 1-2 and bounced back to win seven of its last eight games to win the Eastern Division title and advance to the first-ever SEC championship game. A loss to Alabama in that contest was followed by a 27-10 victory over N.C. State in the Gator Bowl for a final record of 9-4 and an AP ranking of 10th.

The 1993 offense set eight SEC records and 15 UF marks while ranking fourth in the

nation in scoring (39.3) and passing yards (339.3 ypg). They were seventh in total offense (476.6 ypg) and averaged a TD once every 15 snaps. Defensively, UF was ninth in the nation in rushing defense.

The 1994 offense scored the most points (521) and touchdowns (69) of any team in SEC history, leading the conference and finishing second in the nation in scoring average (43.4 ppg). They were fourth in the nation in passing offense with 311 ypg and led the nation in TD passes with 43.

The Gator defense of '94 finished first in the conference and fifth in the nation in rushing defense (84.6 ypg) and 19th overall.

Spurrier's teams at Duke (1987-88-89) all led the Atlantic Coast Conference in total offense and passing and his Gator team in 1990 did the same. In 1991, 1992 and 1993, Florida led the league in passing.

Spurrier's offenses recorded the same results at the professional level in the USFL from 1983-85 with the Tampa Bay Bandits. The 1984 team was the first in pro history to produce a 4,000-yard passer and two 1,000-yard rushers in the same season. Quarterback John Reaves again passed for over 4,000 yards in 1985, one of only four QB's in pro history to accomplish this feat in back-to-back seasons.

The 1966 Heisman Trophy winner as

Under Spurrier's direction Florida is one of only two schools in the country to finish each of the last four seasons ranked in the Top Ten in the final AP Poll and is one of only five schools to win at least nine games in each of the last five years.

Florida's quarterback, Spurrier started his coaching career as the Gators' quarterback coach in 1978. In 1979, he served as offensive coordinator and QB coach at Georgia Tech, and served in that same capacity at Duke from 1980-82 before moving to the USFL in his first head coaching job with the Bandits in 1983. He returned to Duke as head coach in 1987 and produced that school's first ACC championship in 24 years in 1989.

Spurrier was born on April 20, 1945 in Miami Beach, Florida, son of Presbyterian minister J. Graham Spurrier and his wife Marjorie. The family moved to Johnson City, Tennessee, when Steve was 12 years old.

At Science Hill H.S. in Johnson City, he was all-state in football, basketball and baseball and prep All-American in football in 1962. His baseball team won two straight state titles and in three seasons of pitching, he never lost a game.

At Florida, he guided the Gators to two major bowls in three seasons, eight come-from-behind wins in the final quarter and a glorious period still remembered fondly by Florida fans.

In the Sugar Bowl game following the 1965 season, Spurrier set six passing and total offense records and became the only player from the losing team ever to be voted the game's MVP.

The Auburn game in 1966 was the ultimate in Spurrier's knack of being in the right place at the right time under pressure.

Heisman Trophy ballots had gone out the previous week and were due back in the week following. A record Florida Field press corps was in attendance.

Despite one of the greatest performances of his career (27 of 40 passing for 259 yards and one TD; five punts for an average of 46.9 yards per kick) the Gators still remained tied with Auburn at 27-27 with just over two minutes remaining and had to attempt a field goal on fourth and long.

Spurrier took the responsibility for hitting the longer 40-yard effort, although he had not kicked a field goal since the opener that season against Northwestern. He kicked it through for a dramatic 30-27 victory.

Joe Durso of the New York Times called Spurrier a "Real-life Frank Merriwell." John Logue of the Atlanta Journal wrote, "Spurrier, with his hands tied behind his back and facing a firing squad, would be favored to escape."

He was the first round draft choice of the San Francisco 49ers in 1967 and played 10 years in the NFL nine with the 49ers and one with the Tampa Bay Bucs.

Steve and Jerri Spurrier met while UF students and were married just before his senior season in 1966 at Florida. They now have four children — daughters Mrs. Lisa King and Mrs. Amy Moody and sons Steve, Jr., a Gator graduate assistant coach, and Scotty. They also have a grandson, Trey King.

"Creating a family atmosphere among the coaches and players is very important... We want an atmosphere where the guys like each other and pull for each other to do well... Teams that believe something good is going to happen for them in the fourth quarter and keep playing hard, find good things do happen... I think former players should know that, no matter what, they always have a home here. It's nice to belong to a group, a family, a team, and that doesn't have to end when you quit playing here."

— STEVE SPURRIER

"More than anyone, Spurrier has been responsible for mending UF's broken home and for making Gators proud to be Gators again. Yeah, it's kind of corny the way Spurrier gets misty-eyed when he sings 'We Are the Boys' or the way he makes his players stay out on Florida Field after home games and sing the alma mater, but there is no doubt he is genuine about making the Gator family whole again."

"Coach Spurrier is a true player's coach. He's been on the field at Florida. He allows the players to make many of our own decisions, but he expects a tremendous amount of effort, support and productivity when it comes to playing time. It was a privilege to play for him."

— DT BRAD CULPEPPER

1991 All-America Defensive Tackle

"I really admire Coach Spurrier's ability to motivate the team the way he does. He is also the type of coach that you can easily talk to. He looks out for his players and he allows you to have fun within the rules."

— ILB CARLTON MILES

1992 All-SEC Linebacker

"He is the perfect head coach. He really cares about his players and has a knack for bringing out the best in each member of the team. It was a real delight and privilege to play under him."

— QB SHANE MATTHEWS

1990 and 1991 SEC Player of the Year

"His philosophy is kind of an all-out assault, like a fullcourt press in basketball. It's relentless pressure. And he strives for perfection. Of course, you never achieve it, but it's one of his goals."

— TOM WHEATLEY

In 1991 Louisville College Football Preview

"I admire his rapport with the players and he is an excellent coach. He is a brilliant offensive coach."

— Notre Dame's LOU HOLTZ

STEVE SPURRIER

A CAREER OF ACHIEVEMENT

Spurrier ranks sixth among all active Div. 1A coaches in win percentage with a mark of 72.9%. Under his leadership UF is the only program in the SEC to finish first or second in the final league standings each year this decade.

- During his eight years as a head collegiate coach his teams have averaged 314.9 yards a game passing.
- In each of his eight seasons as head mentor of a college team his squad has ranked in the nation's top 10 in passing offense and top 10 in total offense in six of eight seasons.
- In eight years as a head collegiate coach, three at Duke and five at Florida, his squads have led the conference in passing offense seven times and total offense six times.
- In seven of his eight seasons as a head collegiate coach his quarterbacks have led the league in passing.
- In each of his eight years at the helm of a college team one of his wide receivers has led the conference in TD receptions.
- In four of his eight seasons directing a college program a player from his team has been named the conference player of the year.

FLORIDA CAREER COACHING NOTES (1990-94)

- Prior to his arrival no UF team had captured an official SEC title. He has already accomplished that feat three times (1991, 1993 and 1994).
- Became the first coach in SEC history to garner three outright SEC titles in his first five years at the helm of a league school.
- He is 35-6 in SEC games over the last five seasons, a winning percentage of .854 - the best in SEC history for a coach who has coached a minimum of five years in the league.
- He is one of only six coaches in SEC history to win three or more outright SEC titles.
- Led school to its first 10-win season (1991), its first 11-win season (1993), its first official SEC title (1991) and its first Sugar Bowl victory (1994).

- Compiled a 49-12-1 overall record (79.8%) and a 35-6 (85.4%) ledger in SEC play. His 49-12-1 record at UF ranks as the fourth best win total in the nation since 1990 and his 35-6 SEC record ranks first in the conference this decade.
- Prior to his arrival in 1990 no Gator team had ever won more than nine games in a season. In five seasons he has surpassed that total three times: 1991 (10 wins), 1993 (11) and 1994 (10).
- Has led Florida to nine or more wins in each of his five seasons at the Gator helm. From 1906-89 Gator team achieved the nine-win level in a season just seven times. In five seasons, Spurrier has achieved that distinction five times.
- His Gator teams have averaged 9.8 wins per year.
- Has led the Gators to four bowl game appearances, including three Sugar Bowl contests.
- Each of his first five Gator teams (1990-94) finished the season ranked in the Top 15 in the final AP Poll and Top 10 in the last four (1991-94) years (13th in 1990, seventh in '91, 10th in '92, fifth in '93 and seventh in '94). UF is one of only two schools in the nation to finish each of the last four years (1991-94) ranked in the AP Top 10 poll.
- His 49 total wins from 1990-94, 40 wins from 1991-94 and 30 total wins from 1992-94 rank as the best in school history respectively for five-year, four-year and three-year victory totals.
- Led Florida to the SEC's best league record in four of his five years at the helm (6-1 in 1990, 7-0 in 1991, 8-1 in 1993 and 8-1 in 1994), including the school's first outright conference titles in 1991, 1993 and 1994.
- Led UF to the SEC Eastern Division title in 1992, 1993 and 1994.
- Appearances in each of the first three SEC Championship Games with wins in 1993 and 1994.
- Named "SEC Coach of the Year" in three of his first five seasons at Florida (1990, 1991 and 1994).
- UF has been ranked in the AP National Poll in 82 of the 83 weeks he has been the Gator coach, including the last 82 straight. His teams have appeared in the AP Top 10 Poll in each of the last 35 weeks.
- His 19 combined wins in 1990-91 was then the best in SEC history for a coach in his first two years at a league school.
- His 13 SEC wins in 1990-91 was then the most for a coach in his first two years in the league in conference history.

CAREER HEAD COACHING NOTES

- A career collegiate head coaching record of 69-25-2 (72.9%), sixth best in the nation among active coaches.
- An overall head coaching record, counting three years of pro ball, of 104-44-2 (70.0%).
- In eight years as a collegiate head coach he has led his squad to the best record in the conference standings five times (Duke in 1989 and Florida in 1990, 1991, 1993 and 1994).
- Has been named his conference's Coach of the Year in five of the eight years he has been a head coach (1988 and 1989 "ACC Coach of the Year" and 1990, 1991 and 1994 "SEC Coach of the Year").
- He has led teams to five bowl games, including each of the last four years at Florida. Three of his five bowl teams have played in New Year's Day games.
- Each of his last six collegiate teams (Duke in 1989 and Florida 1990-94) has finished in first or second place in the final conference standings.
- In each of his eight years as a head collegiate coach his teams have averaged over 285 yards per game passing and have thrown for over 3,000 yards each season.

- Florida has ranked among the nation's most televised teams since his arrival. Forty-five (45) of the Gators' 62 games since 1990 have appeared on live network TV, including 32 national TV appearances.
- Named one of four finalists for Paul "Bear" Bryant National Coach of the Year honors in each of his first two seasons (1990 and 1991) at Florida. He was the only coach in the nation to be a finalist for this award in both the 1990 and 1991 seasons.
- First coach in school history to win eight SEC games in a season (1993, 8-1), first to win seven league games (7-0 in 1991) and first to post an unbeaten and untied SEC record (1991, 7-0-0).
- Led Florida to top 10 final ranking in national statistical standings in passing offense in each of his five years at the helm.
- An average of eight players per year have earned All-America recognition during his five years at UF.
- First coach in school history to defeat Auburn and Georgia on back-to-back weeks in two consecutive years (1990-91).
- First UF coach to beat Georgia in five consecutive years (1990-94).
- In his five years at the Gator helm his offense has broke, rebroke or tied 44 UF and 17 SEC seasonal records.
- In his five years as head coach, the Gators are 29-2 in "The Swamp" at Florida Field, including a UF record-setting 23 in a row.
- Florida QBs led the SEC in passing yards and TDs in four of his five years as UF coach. A Gator receiver has led the league in TD receptions in each of his five years and ranked first or second in total receptions in four of his five years at UF.
- In two of his five years at the UF helm a Gator player has been selected the SEC Player of the Year.
- In his 62 games as a head coach at Florida the Gators have thrown for 300 or more yards in a game 34 times. Prior to his arrival in 1990, the Gators had thrown for 300 yards in a game just 14 times in 83 previous years (1906-89) of football.
- UF has had 63 SEC Academic Honor Roll selections over the past five seasons, the best five-year total in school history, including an SEC record 19 in 1994.

FLORIDA SEASONAL HIGHLIGHTS

1994 Highlights: Florida wins its second consecutive SEC title (the first back-to-back crowns in school history). The Gators post a 10-2-1 overall record and finish the year ranked seventh in the final polls. The ten wins mark just the third time in UF history that a team has won more than nine games and its 10-1-1 record after 12 games was the best mark in school history. Spurrier is named "SEC Coach of the Year." UF was ranked No. 1 in the preseason

Championship celebrations have become the rule at UF under Spurrier. The Gators have finished first in the SEC standing three times in the last four years and have played in each of the first three SEC Championship Games, the only playoff game at the Div. I-A level.

AP Poll, a first for the school, and it held the top ranking for 7 of the first 9 weeks of the season. The Gators set school records for average points per game (43.4) and rushing defense (84.5 ypg) while setting four SEC records: most TDs (69), most passing TDs (43), points (521) and PATs (65). Highlights of the year were a 31-0 win at Tennessee, the largest SEC shutout road win in school history, and a 52-14 win over Georgia, a record 5th straight vs. the Bulldogs. UF ranked 6th in the nation in total offense (462.8 ypg), 4th in passing (311.7 ypg), second in scoring (43.4 ppg), 5th in rushing defense (84.5 ypg - a school record). DT Ellis Johnson was named the CNN National Defensive Player of the Year and DE Kevin Carter was one of 5 finalists for that same award from Football News. Jack Jackson, one of three finalist for the Biletnikoff Award as the nation's top receiver, set a SEC record with 15 TD catches. Ninoan (19) Gators were named to the SEC Academic Honor Roll, the most in a single season in league history. UF was one of only four schools in the nation to have two players (DB Michael Gilmore and QB Terry Dean) named to the

GTE Academic All-America Team.

1993 Highlights: Florida captures the SEC title for the second time in school history and the second time in the last three years, posting an 8-1 league record - the most conference wins in a season in school history. The team wins its first Sugar Bowl title with an impressive 41-7 win over undefeated West Virginia. Squad posts an 11-2 overall record, the first time in school history that UF wins more than 10 games in a season. UF wins nine or more games for a school record fourth straight year. Squad finishes season ranked fifth in the final AP Poll and fourth in the USA Today/CNN Coaches Poll, just the third time in school history that a Gator contingent has finished the year ranked among the nation's five best teams. Squad stretches its home unbeaten streak to a school-record 23 straight. Team establishes 11 school records and seven SEC records headlined by the most total yards (5,719), most passing yards (4,072), most passing TDs (41), most points (472), and most first downs (298) in Southeastern Conference history. UF is one of only two teams in the nation to throw for over 3,600 yards and have a

back rush for 1,200 yards. It becomes just the second offensive unit in Div. IA history to have a 2,000-yard passer, another QB who throws for over 1,000 yards, and a back who rushes for 1,000 yards. The Gator defense finishes the year ranked ninth in the country in rushing defense, yielding an average of just 111.2 ypg. Ernie Rhett led the SEC in rushing with 1,289 yards. Jack Jackson's 11 TD catches ties for the top spot in the SEC and UF is the only conference school to have three receivers (Jack Jackson 51, Willie Jackson 49, Chris Doering 43) to catch 40 or more passes. Danny Wuerffel's 22 TD passes sets a new NCAA Div. IA record for most TD passes by a freshman QB. A school record 13 Gator players earn All-America recognition and a school record 12 players are also named to the SEC Academic Honor Roll. DB Michael Gilmore is the state of Florida's lone Rhodes Scholar nominee, and he is named to the Hitachi/CFA Scholar-Athlete Team, as well as the GTE Academic All-America Squad.

1992 Highlights: Florida captures the SEC Eastern Division title and advances to the first-ever SEC Championship Game where it suffers a heartbreaking 28-21 loss to Alabama, the eventual national champion. It finished the season with a 9-4 slate including a 27-10 win

over North Carolina State in the Gator Bowl, and a 10th place ranking in the AP Poll. 1992 marked just the second time in school history that UF won nine or more games for the third straight year. UF broke five school and three SEC offensive records: most passing yards (3,240), and most total offensive plays (926) first downs passing (170). It ranked first in the SEC and ninth in the nation in passing with an average of 286.7 yards per game. Florida was the only offensive unit in Div. IA to have a 3,000-yard passer and a running back who rushed for 900 or more yards. Shane Matthews threw for a SEC record 3,205 yards while breaking the SEC career records for passing yardage (9,287) and TD passes (74). WR Willie Jackson led the SEC in total catches with 62 and TD catches with eight.

1991 Highlights: Spurrier is named "SEC Coach of the Year" and one of four finalists for the "Bear Bryant National Coach of the Year" Award as Florida posts a 10-2

record, the first ten win season in school history and finishes the regular season ranked third in the national polls, just the fourth time in UF history that the Gators finished a regular season ranked in the top ten. The 10-1 record was best regular season mark in school history. The Gators, who advanced to the Sugar Bowl as SEC champs to play Notre Dame, posted a 7-0 conference record, and the first outright SEC title in

school history. The 1991 team was the first SEC team since 1977 to win seven SEC games in a season and the first since 1983 to post a unbeaten and untied league record. It was the first team in school history to win seven SEC games in a season and the first to post a unbeaten and untied conference record. In posting a perfect 7-0 SEC record it registered one of the most dominating seasons in SEC play as it outscored its seven SEC foes by an average margin of 22.5 points (36.5 to 14.0). The Gator offense established seven new school records and 3 SEC records (most passing TDs-32, most passing yards with 3,393 and best average passing yards per game with 308.5). The Gators rolled up a school record 5,028 yards in total offense (457.1 per game), only the second team in SEC history to register over 5,000 yards in total offense during a season. Florida ranked 4th in the nation in passing offense (308.5 ypg) and 9th in total offense (457.1 ypg game). Florida was one of only two teams in the nation to have both a 3,000 yards passer (Shane Matthews) and a 1,000 yard rusher (Ernie Rhett). Matthews was named "SEC Player of the Year" for the second straight year. WR Willie Jackson caught 51 passes (2nd best in the SEC), and led the SEC in TD receptions with 10. The Gator defense led the SEC and ranked sixth in the nation in rushing defense (100.3 ypg) and was the first Gator squad since 1972 to post two shutouts vs. SEC opponents. Florida had 11 players earn first-team All-SEC honor in 1991, the top single season total in the history.

1990 Highlights: Spurrier is named "SEC Coach of the Year" after leading Florida to a 9-2

Spurrier led Duke to an 8-3 record in 1989 and an ACC title, the school's first since the 1962 season. His 1989 Duke team became the first squad in ACC history to average over 500 yards a game in total offense. His three Duke teams averaged 329.2 passing yards per game, including an ACC record 351.6 yards in 1988.

Spurrier won the Heisman Trophy at the University of Florida in 1966 and was a first-round selection in the 1967 NFL Draft by the San Francisco 49ers.

record and the best record in the SEC with a 6-1 ledger in his first year at the helm. Also named one of four final nominees for the Football Writers Association "Bear Bryant National Coach of the Year." Squad's 9-1 record after 10 games was the best start for a Gator team in school history. Spurrier's first Gator offensive squad set 14 single-season school records and one SEC seasonal record (most first downs with 273) while registering the second most productive offense in league history with 4,978 yards. Florida ranked 10th in the nation in total offense and ninth in passing offense with an average of 290.6 yards per game, a figure that ranked second best in the history of the SEC. QB Shane Matthews in the first year as a starter was named "SEC Player of the Year." TE Kirk Kirkpatrick led the SEC with 55 catches, a figure that set a UF single-season mark for a tight end. WR Ernie Mills led the SEC in TD receptions with 10. Florida had nine players earn first-team All-SEC honors, the most for a single-season in school history. Defensively, Florida ranked fifth in the nation in total defense and fifth in rushing defense. The Gator defense set a new school record for rushing defense, yielding an average of just 85.5 yards per game.

DUKE UNIVERSITY (1987-89)

- Compiled an overall record of 20-13-1.
- Duke led the ACC in total offense and passing offense in each of his three years at the helm.

- In each of his three years at Duke the Blue Devils averaged over 300 yards a game passing. Duke was the only team in Atlantic Coast conference history to average over 300 yards a game passing and the Blue Devils accomplished that rare feat four times (1982, 1987, 1988, 1989). Spurrier was in charge of the Duke offense in each of those four years.

- Named "ACC Coach of the Year" in 1988 and 1989.

- Duke QBs led the league in passing each of his three seasons as head coach and Blue Devils wide receivers ranked first or second in catches in final standings in each of his three seasons.

1987 Highlights: Led the ACC in total offense (4,609 yards), passing (3,443 yards) and scoring (27.4 ppg). QB Steve Slayden led the ACC in total offense. RB Roger Boone led the league catches (62) and WR Clarkson Hines led the conference in receiving yards (1,093) and TD catches (11).

1988 Highlights: Spurrier is named "ACC Coach of the Year." Squad's seven wins a most for Duke since 1962. Squad sets ACC single-season records for total offense (5,111) and passing offense (3,868 yards). Duke averaged 351.6 yards passing per game, best in ACC history and a figure that ranked third best in the nation in 1988. QB Anthony Dilweg, in his first year as a starter set ACC records for total offense (3,713 yards), passing (3,824 yards), passing TDs (26). He was named ACC Player of the Year. He also set a ACC record for most passing yards in a game (475). RB Roger Boone led the league in catches (73) and WR Clarkson Hines led the league in receiving yards (1,067) and TD receptions (10).

1989 Highlights: Spurrier is named ACC Coach of the Year after compiling 8-3 record. Squad's eight wins is most for Duke since 1962. Blue Devils finish first in the ACC standings. Duke's first conference title since 1962. School accepts bid to play in the All American Bowl, Duke's first post-season bowl appearance since the 1960 season. Duke set ACC record for total offense with an average of 501.7 yards per game. Duke finishes fourth in the nation in both passing and total offense. WR Clarkson Hines was named ACC Player of the Year and became Duke's first consensus All-American selection since 1971. Hines completed his career as the ACC leader in virtually every pass receiving

category and his 38 career TD receptions set a new NCAA record. Hines became just the second receiver in collegiate history to register three 1,000 yard seasons. RB Randy Cutbirth became just the second back in Duke history to rush for over 1,000 yards in a season. He rushed for a school record 234 yards vs. Georgia Tech. Duke scored 356 points on the season, just 10 points shy of the ACC all-time record for most points in a year.

TAMPA BAY BANDITS OF USFL (1983-85)

- Compiled a 35-19 overall record and two straight playoff appearances.
- His 1984 squad became the first team in pro history to produce a 4,000 yard passer and two 1,000 rushers in the same season.
- John Reaves passed for over 4,000 yards in back-to-back seasons (1984-85), one of only four QBs in pro history to accomplish that feat.

ASSISTANT COACHING CAREER

- Assistant Coach (Quarterbacks) at Florida in 1978.
- Assistant Coach (Quarterbacks) at Georgia Tech 1979.
- Assistant Coach (QB's and Offensive Coordinator) at Duke from 1980-82. Duke's Ben Bennett completed his career as the NCAA's all-time leading passer with 5,614 yards and the 1982 team ranked fourth in the nation in total offense and second in passing offense. The 1982 Duke offense was the first team in ACC history to average over 300 yards passing per game and it set a ACC record for total offense with 4,990 yards.

GATOR DEFENSIVE SYSTEM

ATTACKING, HARD HITTING & AGGRESSIVE

“

Championship teams all play great defense and we are committed to being a championship program. Coach Steve Sournier is committed to playing sound defense with players that play hard, aggressive football and make big plays, and that is the style we want.

I'm well aware of Florida's tradition of excellence over the years and the genuine pride associated with Gator defense. Highly-ranked defensive teams and players have become a big part of Florida lore. Forty-seven defensive players have earned All-America honors, 57 players have earned first-team All-SEC recognition and ten of them have been first-round NFL draft choices, including Kevin Carter and Ellis Johnson this past April.

Many Gator defensive units have finished a season ranked in the nation's top ten in total defense, rushing defense and scoring defense. That's where we want to be every year, and our coaching staff and players work hard to achieve that distinction.

I think we have an excellent coaching staff that has a high degree of respect and admiration for the tradition that has been built at Florida and is totally dedicated to keeping the Gators among the nation's leaders year-after-year.

The defensive coaches are experienced teachers who communicate well with our student-athletes. They are all dedicated to seeing that our players reach their fullest potential to become as good as they can be as athletes and students.

The defensive scheme at Florida consists of four down linemen (two ends and two tackles), two inside linebackers which we call the Hawk-Backer and Oldie-Backer, a Nickelbacker who functions as a linebacker at times or as a defensive back and four defensive backs (two corners, strong safety and free safety).

Our philosophy on defense is to attack, be aggressive and work hard on creating turnovers. We want to be very sound on fundamentals. We have the abilities to give multiple looks in our Multiple 40' defense.

We want to be a defense that stuffs the run—you must stop the run to be a championship defense—but is capable of shutting down the passing game when opponents feel that is the best way to move the football on us.

In our recruiting, we look for young men who have a defensive temperament, are disciplined, have good work habits and are determined to excel while taking great pride in being part of an aggressive unit.”

Five times in the last ten seasons Florida has ranked among the nation's top ten teams in total defense and it has ranked among the country's top ten teams in rushing defense in five of the past six seasons.

FLORIDA'S DEFENSIVE TRADITION

FIVE TIMES IN THE LAST TEN SEASONS THE GATORS HAVE RANKED AMONG THE NATION'S TOP TEN TEAMS IN TOTAL DEFENSE

- Forty-seven (47) players have earned All-America status, including 19 who have achieved first-team All-America recognition.
- OLB Wilber Marshall was selected as the "National Defensive Player of the Year" in 1983 by ABC and Ellis Johnson received that same award from CNN in 1994.
- Ten Gator defenders have been selected in the first round of the NFL Draft, seven alone since 1983.
- Fifty-six (56) UF defensive players have played in the NFL.
- Fifty-seven (57) different players have earned first-team All-SEC recognition.
- Five times in the last 10 seasons (1985, 87, 88, 89 and 90) Florida has ranked among the nation's top ten teams in total defense.
- Florida has ranked among the nation's top ten teams in rushing defense in each of the 1989, 90, 91, 93 and 94 seasons and among the nation's top 15 teams in scoring defense in four of those five years (1989, 90, 91 and 94).
- Florida has led the SEC in rushing defense in four of the past six seasons.
- Four times in the last 11 years (1984, 85, 87 and 89) Florida has led the SEC in total defense.
- Florida has ranked among the nation's top five teams in total defense in three of the last seven seasons (1988, 89 and 90).
- When Kevin Carter (St. Louis) and Ellis Johnson (Indianapolis) were selected in the first round of the 1995 NFL Draft, they became just the second defensive line tandem from the same school to be chosen in the opening round since the NFL/AFL merger in 1967.

"All of the defensive players like our system because it lets each player's talent show. It's fun to play because we play defense with an offensive mentality. We attack and try to make things happen instead of letting the offense dictate things to us. It's so much fun to play in this defense."

— LARRY KENNEDY

Defensive Back, 1991-94,
1994 First-team All-SEC

In 1994 the Gator defense permitted an average of just 84.6 rushing yards per game, a mark that set a school record, led the SEC and ranked fifth best in the nation. The Gators have led the SEC in this important defensive statistic four times in the past six seasons.

"Defensively, we want to develop a characteristic of being an aggressive, physical team which swarms to the football with the goal of turning it over to our offense. Obviously, team speed is a high priority. We want to be fundamentally solid but willing to take calculated, aggressive moves to disrupt offenses. I think the players who are involved in this defensive scheme will have fun playing the game."

— STEVE SPURRIER

UF Head Coach

- Five times in the last 14 years (1981, 84, 85, 87 and 89) Florida has led the tough SEC in total defense. No other school in the conference has led the league in total defense more than two times in that same 14-year period.
- Ten times in the last 15 years Florida has ranked among the top three teams in the SEC in total defense, an achievement no other school in the league can boast.
- Over the nine-year stretch from 1983-1991, Florida was the only team in the SEC to rank in the top three in total defense in each of those nine seasons.
- The Gators permitted just 85.5 yards rushing per game in 1990, the lowest in school history. That figure was bettered in 1994 when opponents averaged just 84.6 rushing yards per game.

DT Ellis Johnson (left) was named CNN's 1994 National Defensive Player of the Year while DE Kevin Carter (right) was one of five finalists for that award from Football News. Carter was also a semi-finalist for the Lombardi Award as the nation's top lineman in 1994. Both were first-round selections in the 1995 NFL Draft. Both were first-round selections in the 1995 NFL draft, just the second time that two defensive linemen from the same school were picked in the initial round since the NFL/AFL merger in 1967.

"To each incoming athlete, the most important challenge is to realize the tremendous defensive tradition that has been established at Florida and to understand that the Florida defense is for winners. The players here are expected to go through hard-nose preparation and each member of the team expects the best effort from his teammates in order to keep this tradition strong."

— ILB CARLTON MILES

1991 and 1992 Leading Tackler
1992 Defensive Captain
First-team All-SEC in 1992

"If you want to be a part of a defensive system that makes big plays, lots of them, then Florida is the place. The stats speak for themselves."

— DT BRAD CULPEPPER

1991 All-America

Florida was the only school in the SEC to rank among the nation's top 25 teams in 1994 in each of the following defensive categories: total defense, rushing defense, passing efficiency defense and scoring defense.

GATOR OFFENSIVE SYSTEM

BALANCE AND DIVERSITY IS THE GOAL

"Our offensive philosophy at Florida is actually very simple. We want to do whatever it takes to win the game. If throwing the ball 50 times or running it 50 times, gives us the best chance to win, this is what we will do."

We believe you must be able to throw the ball very successfully to compete with the top teams in the nation. On the other hand, we want to control the ball by running and making first downs on the ground to help us win the game. Generally we pass first and then run, but being able to run is the key to our offense.

In 1994 the Gators led the nation in TD passes with 43 and were the only team in the nation to throw for over 3,700 yards and rush for over 1,800. We ranked second in the nation in scoring and set an all-time SEC record with 521 points.

Our Florida team in 1993, which accumulated more total yards (5,719) in offense than any team in SEC history, was just the second team in collegiate history to have one QB throw for over 2,000 yards, have another quarterback throw for over 1,000 yards and have a back rush for over 1,000 yards in the same season. In 1992, the Gator

offense was the only unit in the nation to have a 3,000-yard passer and a 900-yard rusher. In 1991, Florida was one of only two schools in the nation to have a 3,000-yard passer and a 1,000-yard rusher. Also in 1991, we had the SEC's leading passer, leading rusher and our wide receivers ranked first, second and third in the conference in TD catches. Our Duke team in 1989, which won the Atlantic Coast Conference championship, had a 1,000-yard rusher, two quarterbacks who combined for over 3,000 yards in passing, and a wide receiver who caught passes for over 1,000 yards and 17 touchdowns. These types of achievements are examples of the unique offensive balance we seek.

I think the one reason most players enjoy this offense is that everyone is involved in it. It's not designated to highlight one running back or one wide receiver. We spread it out to include everyone, and we recognize the importance of the offensive linemen in helping it work."

—STEVE SPURRIER

Head Coach, Offensive Coordinator

In Spurrier's five years at the UF helm the Gator offense has set, reset or tied 17 SEC seasonal records and 44 Florida seasonal records. Prior to 1993 no SEC team had ever registered more than 5,300 yards in total offense in a season. The Gators have surpassed that total in each of the past two years (5,719 in '93 and 5,553 in '94). Florida led the nation in TD passes in 1994 with 43 (15 more than any other team) and ranked second in the nation in scoring with an average of 43.4 ppg. Florida was the only team in the nation in '94 to throw for over 3,700 yards and rush for over 1,800 yards.

"The best quarterback coaches in college football are Steve Spurrier and Howard Schnellenberger. Those are the guys doing special things with their quarterbacks."

—MIKE GOTTFRIED

College Football Analyst, ESPN

Florida has rightfully gained a reputation as one of the nation's top passing teams, but its running backs have also achieved a great deal of notoriety. Errict Rhett led the SEC in rushing yards in 1991 (1,109) and 1993 (1,289). In 1992, he was the only back in the nation to rush for over 900 yards AND catch at least 55 passes. Rhett, who completed his career as the SEC's third all-time leading rusher with 4,163 yards, became the first player in NCAA Division I-A history to rush for over 4,100 yards AND catch 150 passes. He was the 1994 NFC Offensive Rookie of the Year in the NFL.

A RECEIVER'S PARADISE

In each of Steve Spurrier's eight years as a head collegiate coach, a WR from his team has led the respective conference in TD catches. In 1993, four Gator players caught 40 or more passes. Jack Jackson set a SEC record with 15 TD catches in 1994.

"I found out that I'm a lot smarter and a lot more prepared for the NFL as a result of playing at Florida with Coach Spurrier's offense. During the combines heading into the draft I was able to easily handle drills with regard to blocking schemes that other backs couldn't even relate to. Everything that was being asked of us was the same kind of stuff I did at Florida for four years. I really realized then that because of my experience at Florida I was way ahead of those other guys."

—ERRICT RHETT

1994 NFC Offensive Rookie of the Year in the NFL

"If you want to write a history of football's offensive formations, get a Florida playbook. In watching film of Florida, you are watching the most sophisticated offense and passing attack in college football. Steve is simply a brilliant offensive coach."

—LOU HOLTZ

Head Coach, Notre Dame

"Coach Spurrier's offense is imaginative and open, and you really can't double-team anyone or someone else will burn you. Playing as a receiver for Coach Spurrier, you could always have a smile on your face if you do the one thing he asks, which is catch the ball. In his system, a receiver feels like he's a top gun."

—CLARKSTON HINES

All-American WR, Duke University
Set an NCAA record with 38 career TD receptions

OFFENSE — SPURRIER STYLE

- In 95 games as a head collegiate coach, his teams have averaged an eye-catching 313.5 ypg passing, including a mark of 339.3 ypg in 1993, the top seasonal average in SEC history.
- Spurrier-led collegiate teams have ranked among the nation's top ten teams in passing in each of the last eight years and top 15 teams in total offense in seven of the last eight years.
- His offense was the first in ACC history to average over 500 ypg in total offense (1989, Duke) and the first in SEC history to accumulate over 5,500 yards in total offense (1993, Florida).
- He has been at the Florida helm for just five years, but his offensive units already hold four of the top six all-time best seasonal passing totals in SEC history, the top two total offensive yards totals in league history and the top three seasonal passing TD totals in conference history.
- In his 62 games as head coach at Florida the Gators have thrown for 300 or more yards in a game 34 times. Prior to his arrival in 1990, the Gators had thrown for 300 yards in a game just 14 times in 83 previous years (1906-89) of football.
- His QBs have led the respective conference in passing yards each of the last eight years and a WR from his offense has led the conference in TD catches in each of those eight campaigns.
- His offensive units have thrown for over 3,000 yards each of the last eight years.
- His '94 offense set a SEC record for most points (521—a figure that also ranked second best in the nation) and threw for a SEC record 43 touchdowns, a mark that led the nation.
- His 1993 Florida unit registered more total yards (5,719), more passing yards (4,072) and more first downs (298) than any offense in SEC history.
- His 1993 UF squad was just the second in collegiate history to have one QB throw for over 2,000 yards, have another QB throw for over 1,000 yards AND have a back rush for over 1,200 yards in the same season.
- His 1993 Gator unit was one of only two in the nation to throw for over 3,800 yards AND boast a back who rushed for over 1,200 yards.
- His 1992 offense was the ONLY unit in the nation to boast a 3,000-yard passer and a 900-yard rusher.
- His 1990 UF offense was the ONLY unit in the nation to pass for over 3,000 yards, have two backs who rushed for over 600 yards AND had three receivers catch at least 35 passes.
- His 1984 Tampa Bay Bandit (USFL) team was the first squad in pro football history to have a 4,000-yard passer and two 1,000-yard rushers in a single season.

Florida has averaged over 313 yards a game passing since 1990. In 62 games at UF under Steve Spurrier the Gators have thrown for 300 or more yards 34 times. UF has led the SEC in passing yards each of the last five seasons as well as passing TDs, including a league record 43 in 1994 — the top total in the nation. A Gator receiver has led the league in TD catches in each of the last 5 years including a league record 15 by Jack Jackson in 1994.

"When you look at the system that has been established here, you see how much that it does for the players. As a player, you know that you will get a chance to score a lot of points and touchdowns. It is easy to see how so many records have been broken in Coach Spurrier's first few years here alone."

—WR JACK JACKSON

SEC's all-time leader with 29 career and 15 seasonal TD catches — 1994 First-team All-America

- Four of the SEC's seven all-time career leading passers played at UF.
- Heisman Trophy winner in Steve Spurrier (1966).
- A Gator offensive player has finished in the top ten of the Heisman Trophy balloting seven times since 1965.
- Sixty-nine (69) UF offensive players have played in the NFL.
- Fourteen (14) Gator offensive players have been selected in the first round of the NFL Draft. Eight of the 14 first-round selections have been running backs, including five since 1983. Overall, the University of Florida has had eight offensive players selected in the first round of the NFL Draft since 1983.
- Fifty-three (53) players have earned All-America recognition, including 21 who have received first-team All-America status.
- Former Gator QB coach John Reaves became college football's all-time leader in career passing when he completed his career in 1971 with 7,549 yards.
- Gator players have been selected "SEC Player of the Year" by league coaches in three of the last six years (Emmitt Smith — 1989; Shane Matthews — 1990, 1991). Six UF players have earned that distinction since 1966.
- Sixty-nine (69) different players have earned first-team All-SEC status.
- In 1987, Emmitt Smith rushed for his 1,000th-yard in the seventh game of the year, the quickest a freshman RB had reached that plateau in collegiate history.
- In the 1988 NFL Draft, John L. Williams (Seattle) and Neal Anderson (Chicago) were both drafted in the first round. That marked the first time since 1971 that two RBs from the same college were selected in the opening round of the annual NFL draft.
- UF's 68.8% completion rate in 1982 established a new collegiate record for best completion percentage in a season.
- Four Gator QBs (Steve Spurrier — 1966; John Reaves — 1971; Kerwin Bell — 1987; Shane Matthews — 1992) completed

The 1994 Gator offense scored more points (521), registered more TDs (69) and tallied more passing TDs (43) than any squad in Southeastern Conference history. The '93 Gator unit accumulated more yards (5,719) and more first downs (298) than any offense in conference history.

their respective careers as the SEC's all-time leading passer:

- Florida has averaged 313 ypg passing since 1990. Gator QBs have led the SEC each of the last five years in yards passing and TDs and a UF receiver has led the league all five years in TD catches.
- Only six times in the history of the SEC (since 1933) has a team accumulated over 5,000 yards in total offense in one season. UF has achieved that honor three of the six times (1991, 1993 and 1994).
- Four of the six best seasonal passing yardage marks in SEC history, including a league-record 4,072 yards in 1993, have been achieved by the UF offense.
- Three of the four longest passing plays and two of the top four rushing plays in SEC history have involved Florida players.
- Carlos Alvarez's 1,329 yards (1969 season) and 237 vs. Miami (1969) still rank as the best seasonal and game receiving totals in SEC history. Alvarez shattered the SEC record with 88 catches in 1969.

"No matter who the quarterback is at Florida, he'll put up big numbers because of the system. Coach Spurrier is simply a great teacher."

— SHANE MATTHEWS

1990 and 1991 SEC Player of the Year and 5th in the 1991 Heisman Trophy balloting

"I know one thing, if I were a top high school quarterback, I would definitely go play for Steve Spurrier. If you have the ability, he will get you ready for the NFL."

— DON ANILE

Director of College Scouting for the Cleveland Browns

"Florida is known as a passing team, but we can run the football effectively, too. The 'Fun 'N Gun' offense had the SEC's leading rusher in Errict Rhett in 1991 and 1993, and it was one of only two units in the nation in 1993 to throw for over 3,800 yards and have a back rush for more than 1,200 yards. Under Coach Spurrier, Errict Rhett became Florida's all-time leading rusher and the third top rusher in SEC history. Those facts show that this is not a one-dimensional offense."

BUD FERNANDEZ

**Director of Athletic Equipment/
Assistant to the Director**

Heading into his 24th season at the University of Florida, Bud Fernandez is officially responsible for supervising the athletic equipment needs for the University Athletic Association. His responsibilities include the establishment of inventory procedures while also assisting the Athletic Director with special projects. Unofficially, he is the team historian, remembering names, numbers, stories and facts.

Fernandez, known within the UF football family as "Uncle Bud", came to Florida in 1971 after a 26-year military career from which he retired as a command sergeant major. During his distinguished career in the armed forces, he studied through the University of Maryland, University of Wisconsin and the Armed Forces Institute.

He is also a member of the Nike Collegiate Athletic Council and the World Sporting Goods Advisory Board.

Fernandez, a Pensacola, Florida native is married to the former Billie Matthews of Little Rock, Arkansas.

JERRY SCHMIDT

Director of Strength and Conditioning

Jerry Schmidt, Strength and Conditioning Coordinator at Notre Dame for the past seven years, was named Director of Strength and Conditioning on March 15, 1995.

Schmidt, who was named the 1991 Collegiate Strength Coach of the Year by U.S.A. Sports Fitness, graduated from Nebraska in 1986, where he assisted with the highly regarded Cornhusker weight program. In 1987 he was named an assistant strength coach at Notre Dame, where he stayed for a year before moving to Oklahoma State as Head Strength and Conditioning Coach. At Oklahoma State he worked with 1988 Heisman Trophy winner Barry Sanders.

In 1989 Schmidt returned to Notre Dame as Strength and Conditioning Coordinator. At Notre Dame he managed the year-round weight training and conditioning program for the Irish athletic programs.

Schmidt, a native of Harvard, Nebraska, and his wife, Robin, were married in May of 1995.

TIM SAIN

Football Equipment Manager

Entering his ninth year at the University of Florida, Tim Sain serves as the Football Equipment Manager for the Gators. Sain's main responsibilities center around ordering and accounting for Florida football equipment, while also directing actual game-day equipment efforts for the team.

A 1975 graduate of UF with a degree in Parks and Recreation Administration, Sain was a student manager for the Gators as an undergraduate. Sain went on to work with the Portland Thunder of the World Football League in 1974 and 1975.

After a stint as a construction manager and job superintendent from 1976-81, Sain became the Equipment and Facilities Director of the USFL's Tampa Bay Bandits, where he served from 1982-85.

Sain is married to the former Nancy Kristich of Port Charlotte, Florida. Nancy serves as Coach Spurrier's secretary.

MIKE WASIK

Athletic Trainer for Football

Mike Wasik was named Athletic Trainer for Football in May of 1994 after serving almost four years as the Athletic Trainer for Spring Sports. Wasik carries many duties, including the treatment, prevention, rehabilitation and evaluation of injuries to football players. Wasik also serves as a liaison between the athletes and team physicians.

Wasik received his BS in Exercise and Sport Science with an athletic training emphasis from the University of Florida in 1987. He also received his Masters of Education in Guidance and Counseling Services from Clemson University in 1989. While at Clemson, Wasik served as a graduate assistant athletic trainer. He then accepted the Head Athletic Trainer and Clinic Trainer position at Johnson C. Smith University. After an athletic training stint at Carolina's Spine and Rehabilitation Center in Charlotte, North Carolina, before joining the UF athletic training staff in January of 1991. As the Athletic Trainer for Spring Sports, Wasik was directly responsible for the athletic training needs of the baseball team, the men's and women's track and field teams, as well as the men's golf and tennis squads.

Among Wasik's numerous publication credits, he had two abstracts published at the 1992 National Athletic Trainers Association meeting: Rib Stress Fractures - An Overview and Injuries in Competitive Female Swimmers Due to Cross Training. He is a licensed massage therapist and is nationally certified in therapeutic massage and body work. Wasik is also a certified strength and conditioning specialist.

A native of Deerfield Beach, the 30-year old Wasik is married to the former Sally Johnson. Wasik enjoys photography, tennis and golf in his free time.

BETTY LING

Senior Administrative Assistant

A member of the University of Florida football family for 15 years, Betty Ling enters her fifth year as Senior Administrative Assistant. A Tampa native, Ling previously served as the Administrative Assistant for football recruiting. Ling's responsibilities include: assisting with the arrangements of official and unofficial visits by recruits, while also heading up the Gator Getter support squad. She also helps coordinate UF's High School Coaches Clinic.

JAMIE SPERONIS

Senior Administrative Assistant

Jamie Speronis enters his fifth season as Senior Administrative Assistant. His primary responsibilities include assisting Head Coach Steve Spurrier with football administration. Serving as liaison to the compliance office and the summer job program, Speronis also coordinates the National Football League scouting and the Gator Walk-On Program. A 1985 graduate of the University of Florida, Speronis earned his Master's Degree from UF's College of Exercise and Sport Sciences in 1989. A native of Lowell, Massachusetts, Speronis has served in various capacities within the Gator football program since 1982.

STEVE SPURRIER, JR.

Graduate Assistant Coach

A 1994 graduate of Duke University with a degree in economics, Steve Spurrier, Jr. enters his second season as a graduate assistant football coach at the University of Florida.

Spurrier was a wide receiver on the Blue Devil football teams from 1990-93. In his senior season of 1993, he caught 24 passes for 299 yards and one touchdown. The son of Florida head coach Steve Spurrier, he earned two letters at Duke and will work with the Gator offense, while also coordinating the scout team and film analysis.

JAY HOPSON

Graduate Assistant Coach

A native of Vicksburg, Mississippi, Jay Hopson enters his first season as a graduate assistant with the Gator football team. Hopson is a 1992 graduate of Ole Miss with a B.B.A. in Business and also received his Master of Education in Health, Physical Education and Recreation.

Hopson will assist with the defensive backs, coordinate the opposition's scout team and assist with film analysis. Prior to Florida, Hopson was a graduate assistant at LSU (1994) and Tulane (1992), as well as defensive backfield coach at Delta State (1993-94).

At Ole Miss, Hopson was a four-year letterman as a defensive back and was named District VI GTE Academic All-America in 1991. He was also a four-time SEC Academic Honor Roll selection and the 1991 recipient of the John Howard Vaught Award.

SERIES AND GAME NOTES

This is the fourth time that Florida and Houston have met on the football field the first since 1979 with the Gators holding a 2-1 series edge.

The two schools met first in 1968 with the Gators winning 59-34. They also met in Gainesville in 1976 with UF posting a 49-14 victory. In 1979 the two met in Houston with the Cougars posting a 16-10 victory.

This will mark the third time that Florida has opened a new season with a home vs. Houston (1967 and 1979 were both season openers). The 1967 opener in Gainesville ranks among the most scored games in UF history. A highly ranked Houston team which was receiving prominent mention as a national championship contender came into Gainesville to take on a young Gator squad that would later be dubbed the "Super Sophs." Sophomore QB John Rouse III sophomore Carlos Alvarez with a 71-yard TD pass on the third play of the game to spark the Gators to a big 59-34 upset win but many UF followers still fondly remember.

The contest marks the end of the 89th season of play in UF history. The Gators are 64-24 in 88 previous season openers. Fifty-two (52) of the previous season openers have taken place in Gainesville with the Gators posting an impressive 46-6 record in those contests in the last 24 years that UF has opened the new season with a home game in Gainesville, it has posted a 23-1 record. Since 1949 the Gators have lost only once (24-19 to Ole Miss in 1957) when opening at home at Gainesville (overall record of 23-1).

Houston AD Bill Carl and football coach Kim Helton are both former UF players. Carl was a All-America center for the Gators in 1965 and served as UF's AD from 1985-86. Helton was a three-time letterwinner as a Gator offensive lineman from 1967-69 and was a UF starter in that famous 69 Florida upset win over the Cougars. He served as a Gator assistant coach in the mid 1970's.

SERIES AND GAME NOTES

This will be the 46th time that Florida and Kentucky have met with the Gators holding a 28-17 series edge. The two teams first met in 1917 in Lexington.

Florida has won 17 of the 21 series games that have been held in Gainesville. Kentucky holds a 10-9 edge in the series in games held in Lexington but the Gators are 7-1 in their last eight trips to Lexington, including 1993's dramatic 24-20 win. Five games between the schools have taken place outside of Gainesville or Lexington (Jacksonville or Tampa) with the Wildcats winning three of those five games. Since 1967 Kentucky has visited Florida Field 18 times with the Gators posting wins in 14 of those 18 games. The only times in their last 18 trips to Florida Field that the Wildcats have posted wins is 1977 (14-7) and 1979 (31-3). UF has won each of the last eight games of the series held in Gainesville.

Florida has dominated the series in recent years after UK dominated in the early years. The Wildcats won 12 of the first 16 games played between the schools but the Gators have won 14 of the last 15 meetings and 24 of the last 29 games. These two SEC schools have met annually since 1967 with the Gators holding a 22-5 series edge in the 27 games played since that season. Florida was 9-1 vs. Kentucky in the decade of the 1980s and a 5-0 so far in the 90s.

Steve Spurrier is 5-0 vs. Kentucky as a head coach while Bill Curry is 0-8 vs. Florida (0-5 at Kentucky 0-1 while in Alabama and 0-2 while at Georgia Tech).

SERIES AND GAME NOTES

Florida and Tennessee will be meeting for the 25th time. Tennessee leads the all-time series standings with a 15-9 record. The Gators, however, have won seven of the last nine meetings between the two schools.

Florida and Tennessee are both charter members of the SEC, but have met just 18 times in regular season play since the conference began play in 1993. The two squads met five times from 1916-32 before the SEC began official play in 1933 and one other time in a bowl game (1969 Gator Bowl). Since the SEC began play in 1933 the Vols hold a 10-8 series edge in regular season games. Now that Florida and Tennessee are both members of the SEC's Eastern Division they meet annually.

Florida is 4-10 in the 14 games played between the two squads in Knoxville and 4-4 in the eight series games played in Gainesville. The very first meeting between the two schools took place in 1916 in Gainesville, but after that initial contest the two schools did not meet again in Gainesville until 1953.

One of the meetings between the two squads took place in a bowl game, the 1969 Gator Bowl in Jacksonville, with the Gators posting a 14-13 win over the SEC champion Vols. Current Tennessee AD Doug Dickey was the Vols head coach that day, his last game at Tennessee as he became the Florida head coach starting in the 1970 season.

Steve Spurrier is 4-3 vs. the Vols (1-1 while at Duke and 3-2 at Florida). Spurrier never played against Tennessee when he was the Gators QB from 1964-66.

Florida and Tennessee have some joint ties. Tennessee Athletic Director Doug Dickey is a Florida graduate who coached the Gators from 1970-78. Florida associate head coach Ron Zook coached at Tennessee from 1984-86. Steve Spurrier arrived on the Florida campus in 1963 from Johnson City, Tenn., where he was an all-state standout in several sports. Bob Woodruff, who served as Florida head coach from 1950-59, was Athletic Director at Tennessee from 1963-85. Ray Graves, who served as Florida head coach from 1960-69 and as Florida AD from 1969-79, is a Tennessee graduate.

SERIES AND GAME NOTES

Florida and Ole Miss will tangle for just the 19th time when the two SEC schools meet in Gainesville on September 30th.

Florida and Ole Miss are both charter members of the SEC, but they have met just 17 times during the regular season since league play began in 1971. One other meeting (1958) came in the Gator Bowl game. Overall, Florida has met Ole Miss 18 total times, the fewest that the Gators have met an SEC member in the SEC in its football history.

Mississippi leads the all-time series standings between the two schools with a mark of 9-8-1. Florida, however, has won seven of the past nine meetings.

The two schools first met in 1926, with the Rebels posting a 12-7 win. Seven series games have taken place in Gainesville, with the Gators showing a 2-4-1 mark. Five games, including the 1958 Gator Bowl contest, have taken place in Jacksonville, with Ole Miss showing a 4-1 ledger in those contests. Five games have taken place in Oxford, with Florida showing four wins and a loss, and one contest (1988) taking place in Jackson, Miss. All told, six of the 18 previous series games have taken place in the state of Mississippi, while 12 contests have been held in the state of Florida.

Ole Miss has invaded Florida Field seven times and shows a 4-2-1 ledger, including a 24-19 win in 1989 — one of only two times UF has lost to an SEC foe at Florida Field since 1989.

SERIES AND GAME NOTES

Florida and LSU will square-off for the 42nd time when the two meet in Baton Rouge. This has been an extremely competitive series with UF holding a 20-18-3 series edge. The SEC foes have met on an annual basis since 1971 with Florida holding a 13-9-2 series edge over that 24-year time span.

Twenty-one series games have taken place in Baton Rouge with UF holding an 11-10 record. Florida is 6-1 in its last seven trips to Tiger Stadium. Twenty series games have taken place in Gainesville with UF showing a 9-8-3 series lead.

During the decade of the 1980s this was a series that went against the norm as the visiting team dominated in the victory column. During the 1980s the home team won just twice with one game ending in a tie. The home team in the 1980s posted a 2-7-1 record. Since 1980, the home team in this series is 5-9-1.

Since the start of the 1981 season, the Gators have compiled a sparkling 72-11-2 record at Florida Field. LSU is responsible for two of those rare Gator home losses (1982, 1986) and one of the two ties (1984).

As Florida's QB from 1964-66, Steve Spurrier led the Gators to three wins over LSU. He is also 3-0 vs. the Tigers as a head coach. Florida has won each of the last seven years, the first time in the series that the Gators have posted seven consecutive wins over the Tigers.

SERIES AND GAME NOTES

This is one of the oldest and most competitive series in the SEC. Florida and Auburn have met 71 previous times with the Tigers holding a 39-30-2 edge in the standings. The 71 meetings with Auburn ranks as the second most vs. an opponent in UF history. Only the 72 meetings with Georgia rank ahead of Auburn in this category in the Gator record book.

Florida and Auburn first met on the football field in 1912 and have met every season since 1945. The two teams met at eight different sites (Gainesville, Auburn, Montgomery, Mobile, Columbus, Ga., Jacksonville, Tampa and Miami) over the years. Since 1950, however, this game has alternated between Auburn and Gainesville.

The home field has been important in this series. The Gators hold a 19-7 edge in games played at Florida Field while the Tigers show a 23-5-1 winning mark in games played at Auburn. Auburn is 2-0 in its last 11 appearances at Florida Field. Florida is 2-7 in its last nine trips to Auburn.

Florida has managed just a 5-25-1 record in games played at Auburn. One of Florida's all-time most memorable wins, however, came at Jordan-Hare Stadium in 1985. A 14-10 win, only the fourth ever for a UF team at Auburn, vaulted the Gators to their first-ever number-one ranking in a wire service poll.

Steve Spurrier is 3-2 vs. Auburn as a coach. As a player, Spurrier was 2-1 vs. the Tigers as Florida's starting QB and his game-winning field goal vs. Auburn in 1966's 30-27 win played a significant role in swaying Heisman Trophy voters. An award he eventually won that season.

SERIES AND GAME NOTES

This is one of the nation's premier rivalries. The two schools have met 72 previous times with Georgia holding a 43-27-2 lead in the series. Florida

has met Georgia more times (72) than any other opponent in its football history.

This year's game in Athens marks just the fifth time in the series, and the first since 1932, that the schools have met at Sanford Stadium. The game was moved to Gainesville last year and Athens in 1995, due to a major renovation of the Gator Bowl stadium in Jacksonville as that city prepares for the debut of the NFL's Jacksonville Jaguars this fall. Every game of the series from 1933-93 was held in Jacksonville.

The two schools first met in 1915. They have met every season since 1926 with the exception of the 1943 season when Florida did not field a team.

Since 1961 (34 games), this annual contest has been decided by seven or fewer points 18 times. Georgia has won 14 of the past 23 contests but UF has won each of the past five years and seven of the last 11 seasons.

Florida's best sustained streak of success vs. Georgia is the current five-game (1990-94) winning streak. Georgia's top winning streak in the series is seven games (1941-42 and 1944-48).

Georgia's Ray Goff is 1-5 in prior meetings with Florida while Steve Spurrier is 5-0 as head coach vs. Georgia.

SERIES AND GAME NOTES

This will be the 16th all-time meeting on the football field between Florida and South Carolina, but just the fourth as a Southeastern Conference title. Florida leads the all-time series standing, 9-3-3, including a 3-0 mark in SEC play. As members of the SEC's Eastern Division, the two schools now meet on an annual basis.

The two schools first met in 1911 in Columbia, battling to a 6-6 tie. From 1911 to 1939 the two schools met fairly regularly with 11 total games. Since 1940 the schools have met just four times.

Seven of the series games have taken place in Columbia, with the series ledger at 3-3-1. Five series games have taken place in Gainesville (1912, 1917, 1964, 1992, 1994) with Florida showing a 5-0 ledger in those contests. Three games between the two schools have taken place in Tampa (1921, 1931, 1935) with Florida posting one win (1935) and the other two contests (1921, 1931) ending in ties.

The three ties with South Carolina is the second most vs. an opponent in Florida history. The Gators have tied Georgia Tech six times and South Carolina and LSU rank second in that category in Florida annals with three ties.

Steve Spurrier is 3-1 vs. the Gamecocks as a head coach. He suffered a 27-21 setback to South Carolina in the 1989 season opener while directing Duke and then posted a 14-9 win in Gainesville in 1992. In 1993, UF's first trip to Columbia since 1939, the Gators posted a 36-27 win. They came back from a 17-0 deficit, the largest road comeback win in UF history. UF won 48-17 last year.

SERIES AND GAME NOTES

This will be the 27th time that Florida and Vanderbilt have met on the football field with the Gators holding a 17-9-2 series edge. Florida holds a 13-3-1 edge in the last 17 games between the two schools. With Florida and Vanderbilt now in the SEC's Eastern Division, the two schools meet on an annual basis.

Florida and Vanderbilt were both charter members of the SEC when it began play in 1933 but the two schools never met until 1945 with Vanderbilt posting a 7-0 win in the initial contest, which was played in Gainesville.

Fifteen series games have taken place in Nashville with the series tied at 7-7-1. UF is 3-3-1 in its last seven trips to the Music City. Twelve series games have taken place in Gainesville with the Gators showing a 10-1-1 record at Florida Field. Vanderbilt won its initial game at Gainesville in 1945, 7-0, and since then has posted a 0-10-1 mark at Florida Field. A 6-6 tie in 1958 is the only time in its last 11 trips to Florida Field that the Commodores haven't suffered a setback.

Steve Spurrier is 5-0 vs. Vanderbilt as a head coach (2-0 at Duke and 3-0 at UF).

SERIES AND GAME NOTES

The two Sunshine State schools first met on the gridiron in 1958 with Florida posting a 21-7 victory. The Gators and Seminoles have met every year since that initial contest with Florida now holding an overall 23-13-2 lead in the series standings.

Florida State's first win in the series came in 1963, 16-7 in what was the first meeting between the two clubs in Tallahassee. The first six contests in the series were held in Gainesville. Since 1964, the series has alternated between the two campuses with Florida hosting in odd-numbered years and Florida State in even-numbered years. The two schools met twice during the 1994 season (a 31-31 tie in Tallahassee and a 23-17 FSU win in the Sugar Bowl game on January 2, 1995).

Florida now is 14-6-1 ledger in the 21 series games that have been held at Florida Field and is 9-6-1 ledger in the 16 series games played in Tallahassee.

Since 1979, the game has been the regular season finale for both universities.

This series has been marked by streaks over the last few decades. Florida won nine straight from 1968-76, Florida State then won four consecutive games from 1977-80. Florida responded with an eight-game streak from 1981-88, and the Seminoles have then put together a 7-1-1 record since 1987.

Steve Spurrier is 1-4-1 against the Seminoles while FSU head coach Bobby Bowden is 11-6-1 in 20 previous meetings with the Gators. Bowden has chalked up 11 of the 13 total wins that FSU has posted in this series. Spurrier was 2-1 as FSU as the Gators' QB from 1984-86.

THE SOUTHEASTERN CONFERENCE

A TRADITION OF EXCELLENCE CARRIES INTO ITS SEVENTH DECADE

Throughout its 53-year history the Southeastern Conference has been a leader in the integration of athletic competition and higher education.

Since its formation in 1933, the SEC has achieved both stature and stability by designating governing/setting power to the presidents of the member institutions. They have determined the policies of the conference and through the years this involvement has been the principal source of strength in the evolution of the SEC.

Intercollegiate athletics has encountered many challenges in the 1990s and again the SEC provided guidance. In 1993, the member institutions adopted The Principles of Gender Equity. Committed to increasing the quantity and quality of women's athletic opportunities, each school will provide at least two more women's intercollegiate programs than the number of men's.

Faced with the task of conference realignment after competing with 10 members since 1966, the SEC welcomed the University of Arkansas on Aug. 1, 1990, and the University of South Carolina on Sept. 25, 1990, joining charter members Alabama, Auburn, Florida, Georgia, Kentucky, LSU, Mississippi, Mississippi State, Tennessee and Vanderbilt on July 1, 1991. Arkansas and South Carolina became the first schools added in conference history.

Fully incorporated into conference competition by 1992, Arkansas and South Carolina participated in SEC championships for all sports except football during the 1991-92 academic year. The SEC was again at the forefront, introducing football, basketball and baseball divisional play and the nation's first ever Division I football championship game.

SEC schools began athletic competition with one another almost 100 years ago as members of the Southern Intercollegiate Athletic Association.

Seven institutions (Alabama, Auburn, Georgia, Georgia Tech, North Carolina, Sewanee and Vanderbilt) attended the SIAA organizational meeting of faculty representatives, called by Dr. William L. DuVall of Vanderbilt in Atlanta Dec. 22, 1894.

Student teams from the schools began meeting in various sports with little pattern to their contests. Baseball was the most popular campus sport but the American adaptation of the English game rugby, called "football," was drifting down from the East and Midwest. Southerners were quickly attracted to this sport formalized in 1869.

The first football game in the Southeast was played April 9, 1880, on the ground now called Old Stoll Field at the University of Kentucky. Kentucky, then known as Kentucky A&M, was host to the contest in which Transylvania College, then called Kentucky University, upset Centre College (3V4 to 0). Kentucky A&M (now UK) organized a team and in November 1881, played Transylvania a three-game series (winning 7-0 to 1, then losing 1 to 2 and 2-1/2 to 3-1/2). By 1895 eleven current SEC members were playing football.

Basketball moved quickly to the South as Vanderbilt was playing at the Nashville YMCA in

1893, just two years after Dr. James Naismith originated the game at Springfield (Mass.) College. The Commodores won 9-6 in a game with nine players on each team. Basketball became an intercollegiate sport in 1901 and in 1908 Vanderbilt was meeting Columbia and Yale interregionally.

Track was organized on a conference level at the 1895 SIAA meeting presided over by President Dudley who served until his death in 1914. The first championship meet was held at Vanderbilt May 15, 1896. By 1900 eight of the 13 charter SEC members were participating.

The seven-member SIAA expanded to 19 institutions in 1895 (Alabama, Auburn, Central, Clemson, Cumberland, Georgia, Georgia Tech, Kentucky, LSU, Mercer, Mississippi State, Nashville, North Carolina, Sewanee, Southwestern, Presbyterian, Tennessee, Texas, Tulane and Vanderbilt) and by 1920 there were 30 members.

The larger schools reorganized as the Southern Conference at a meeting in Gainesville Dec. 12-13, 1920. Professor S.V. Sanford of Georgia called the meeting and served as the first president. Charter members of the Southern Conference included Alabama, Auburn, Clemson, Georgia, Georgia Tech, Kentucky, Maryland, Mississippi State, North Carolina, North Carolina State, Tennessee, Virginia, Virginia Tech and Washington & Lee.

Despite an original limit of 16, the membership grew to 23 by 1928. In 1922 Florida, Louisiana State, Mississippi, South Carolina, Tulane, Vanderbilt and Virginia Military joined, while Sewanee and Duke became members in 1923 and 1928 respectively. At one time or another the SIAA and the SC included most of the Southern colleges from Virginia to Texas.

The 13 members west and south of the Appalachian Mountains reorganized as the Southeastern Conference at the annual SC meeting of Dec. 8-9, 1932, in Knoxville. The 10 coast members remained in the Southern Conference. Dr. Frank L. McVey of Kentucky was elected president of the new conference whose charter members were Alabama, Auburn, Florida, Georgia, Georgia Tech, Kentucky, Louisiana State, Mississippi, Mississippi State, Sewanee, Tennessee, Tulane and Vanderbilt. (Sewanee withdrew Dec. 13, 1940. Georgia Tech on June 1, 1964 and Tulane on June 1, 1966.) McVey held an informal meeting of the school presidents in Birmingham Feb. 16, 1933, then the first full meeting in Atlanta Feb. 27.

The office of the commissioner was formed in 1940 in Jackson due to the great amount of detail work developing, especially in recruiting and eligibility. Former Mississippi Governor Martin S. Connor took office as commissioner Aug. 21, 1940, as an extension of the authority of the presidents. Connor later became ill and the secretary of the conference, Dean N.W. Dougherty of Tennessee, served as acting commissioner during the fall of 1946.

The office moved to Birmingham with the appointing of Bernie H. Moore as the second full-time commissioner on Feb. 21, 1948. Moore, a

Roy Kramer
Commissioner

former LSU coach, guided the SEC to national respect in his 18-year tenure.

A.M. (Tonto) Coleman succeeded Moore upon his retirement April 1, 1966. The Alabama native, who was reared in Texas and experienced in athletic coaching and administration, served six and a half years.

Dr. H. Boyd McWhorter, then Dean of Arts and Sciences at Georgia and secretary of the league since 1967, accepted the position upon the retirement of Coleman Aug. 1, 1972. Under his leadership the SEC experienced unparalleled growth. In McWhorter's first year the SEC distributed \$1.57 million and 14 years later (1986) the league distributed \$13 million in revenue to the member institutions.

Dr. Harvey W. Schiller, an Air Force colonel and faculty chair at the U.S. Air Force Academy followed McWhorter upon retirement taking office Sept. 15, 1986. Under his guidance the SEC established itself as a leader in the areas of athletic scholarship and marketing.

Roy E. Kramer succeeded Schiller on Jan. 10, 1990. Kramer, who has served on numerous NCAA committees, joined the league office after spending 12 years as athletic director at Vanderbilt.

The first SEC champions were crowned in 1933 in four sports (baseball, basketball, football and outdoor track). The league's inaugural championship event was a basketball tournament in Atlanta Feb. 24-28, 1933. Records show the first men's team title for cross-country was awarded in 1935, while golf and swimming were added in 1937. The league later began hosting championships in tennis (1953 and indoor track (1957).

In the 1979-80 academic year SEC championships for women were recognized in basketball, tennis and volleyball. The following year golf, gymnastics, swimming and track and field were added. The administration of women's athletics officially came under the auspices of the conference office on Sept. 1, 1984.

The SEC currently regulates nine men's sports and 10 women's sports. Men—baseball, basketball, football, golf, swimming, tennis and track (cross country indoor and outdoor). Women—basketball, golf, gymnastics, soccer, swimming, tennis, track (cross country indoor and outdoor) and volleyball.

FLORIDA FOCUS

- The University of Florida is the first school in the history of the NFL Draft to have at least one player selected in the first-round of the draft for nine consecutive years. At least one Gator player was selected in the opening round of the draft each year from 1983-91. During that nine-year period (1983-91), Florida also led all schools in the nation with 13 total first-round draft selections.
- The University of Florida is the only member school of the Association of American Universities – the nation's premiere organization of higher education – to have its football team ranked in the Top Ten in the final Associated Press Poll in each of the last four seasons.
- The University of Florida ranks fourth among all U.S. universities in patents issued.
- Florida's 35-6 record in SEC play since 1990 ranks first in the Conference this decade.

1994 GATOR NOTEBOOK

1994 TEAM ACHIEVEMENTS

- Won the school's third SEC title.
- Won back-to-back SEC titles for the first time in school history.
- Advanced to the SEC Championship Game for the third consecutive year.
- Became the sixth team in Gator history to finish the season ranked in the Top 10 in the AP Poll. UF finished seventh in 1994.
- Became the first team in Gator history to appear in a major New Year's Day Bowl in back-to-back seasons.
- Became the sixth team in Gator history to appear in a major New Year's Day Bowl.
- Won eight SEC games, a total matched only once in school history (8-1 in '93).
- Won 10 games in a season for only the third time in school history.
- Ranked first in the AP poll seven of the first nine weeks of the season.
- UF's 73 points vs. Kentucky were the most-ever by a Gator team in SEC play and the second-most by an SEC team in a conference game.
- Became the first team in UF and SEC

history to score 70 points in back-to-back games (70 vs. New Mexico State and 73 vs. Kentucky).

- UF's 31-0 win at Tennessee was UF's largest SEC shutout on the road in school history.
- The Gators defeated Georgia for a school-record fifth straight season.
- In a 52-14 win over Georgia, the Gators set a school record for most points scored vs. the Bulldogs, and UF's 38-point margin of victory was the largest vs. Georgia in the long history of the rivalry.

WORTH NOTING

- Florida and Florida State are the only two schools in the nation to finish each of the last four seasons (1991-94) ranked in the Associated Press Top 10 poll.
- Florida, Florida State, Miami, Nebraska and Texas A&M are the only five schools in the nation to win nine or more games each of the last five years.
- The Gators played four games against teams that were ranked in the final AP Top 10 poll (Auburn, Alabama and Florida State twice) in 1994. Florida was the only final Top 10 team to play four games vs. squads ranked in the final AP Top 10.

- Steve Spurrier is the first coach in SEC history to win three outright league titles in his first five years in the league. Florida won outright titles in 1991, 1993 and 1994.
- 1994 marked the fifth straight year that UF won at least nine games, a school record. Prior to Steve Spurrier's arrival in 1990 UF had managed just seven nine-win seasons from 1906-1989. The Gators have reached that level each of the first five years of this decade.
- Florida's 35-6 (.854) SEC record the last five years under Steve Spurrier is the best in the league since 1990. Alabama is second (33-7-1, .817).
- Florida is 29-2 at "The Swamp" during the 1990's.
- UF is 17-1 in SEC games at "The Swamp" under Steve Spurrier.
- UF's 49-12-1 (.798) record this decade is seventh-best in the nation by winning percentage, and fourth-best by total wins.
- Florida's SEC worksheet under Spurrier includes outright league titles in 1991, 1993 and 1994, a co-first place finish in 1990 and a runner-up showing in 1992. No other SEC team has placed first or second in the league each of the last five years.

The 1994 squad won the school's first back-to-back SEC titles, played in the Sugar Bowl for the third time in the past four seasons, finished the year ranked seventh in the final polls and won 10 games for just the third time in Gator history.

- Florida has appeared in the AP poll a school-record 82 consecutive weeks, beginning with the second week of the 1990 season.
- The Gators have spent a school-record 35 straight weeks in the AP Top 10 poll.

SUCCESS IN THE CLASSROOM

The success of the 1994 team on the field was well-documented. That squad also made a name for itself in the classroom.

- Nineteen (19) Gator players, the most ever in SEC history, were named to the 1994 SEC Academic Honor Roll (minimum 3.0 GPA).
- UF, along with Nebraska, Penn State & Dartmouth, were the only schools in the nation to have more than one player named to the GTE 1994 first-team Academic All-America squad (Terry Dean and Michael Gilmore).
- UF had four players (QB Terry Dean, DB Michael Gilmore, C David Swain and DB Lawrence Wright) named to the GTE District III All-Academic Team, the most for any Div. I-A or I-AA school in the district (states of Virginia, North Carolina, South Carolina, Georgia and Florida).
- A school-record five Gators (QB Terry Dean, FS Michael Gilmore, C David Swain, DB Lawrence Wright, QB Danny Wuerffel) qualified for nomination for Academic All-America consideration (must have at least a 3.2 cumulative GPA and sophomore standing).
- A school-record four Gators qualified for nomination to the College Football Association Scholar-Athlete Team (minimum 3.0 GPA and junior standing): FB Chris Baker, QB Terry Dean, DB Michael Gilmore and OT Jason Collins.
- For the second consecutive year, Michael Gilmore ranked among the most-honored scholar-athletes in the nation. He was one of 15 recipients of the National Football Foundation and College Hall of Fame Scholar-Athlete Award, and was named to the CFA Scholar-Athlete Team and Academic All-America team for the second straight year.
- DB Michael Gilmore and QB Terry Dean were co-recipients of UF's Outstanding Male Leadership Award among all graduating seniors at UF's December '94 graduation ceremony.

SUPER SENIORS

The 1994 Gator senior class accumulated a long list of outstanding achievements.

- Won three SEC titles (1991, '93, '94), the only three in school history.

- Finished each of their four years ranked in the Top 10 in the final AP Poll, one of only two teams in the nation to achieve that distinction each year from 1991-'94.
- Its 40-10-1 overall record was the top win total by a senior class in school history (the '93 senior class posted a 39-10 record).
- Won more SEC games (29-5 overall record) than any senior class in school history.
- Became the only senior class to win 10 games in a season three times (10-2 in 1991, 11-2 in '93, 10-2-1 in '94). Those are the only 10-win seasons in UF history.
- Won nine or more games in each of its four seasons - only the second class in UF history to achieve that distinction.
- Won three consecutive SEC Eastern Division titles and appeared in each of the first three SEC championship games.
- Appeared in the AP Top 25 Poll every week of their careers, including the last 35 weeks in the AP Top 10.
- Members of teams that achieved a number of school "firsts": first SEC title (1991); first team to win 10 games (1991); first team to win 11 games (1993); first team to win a Sugar Bowl game (a 41-7 victory over West Virginia in 1994); first team to win back-to-back SEC titles (1993 and '94).
- Members of the first team (1994) in UF history to be ranked #1 in the preseason AP Poll.
- Defeated Georgia for a school-record five straight years.
- Four bowl trips, including the 1995 Sugar Bowl. UF appeared in a New Year's Day bowl for the third time in the last four seasons (1991, '93, '94).

SQUAD NOTES

- The Gators outscored opponents 521-205 (an average of 43.4 to 17.1), including a 114-20 margin in the third quarter.
- In SEC games, UF outscored opponents 365-136 (an average of 40.6 to 15.1).
- UF outscored opponents at Florida Field 373-130 (an average of 53.3 to 18.6).
- UF scored 30-plus points in 10 of 13 games. The Gators scored 30-plus points four times.

THE OFFENSE

- Florida ranked among the nation's finest offensive units in 1994. The Gators' 43.4 points per game ranked second in the nation. Its passing efficiency rating of 156.6 also ranked second in the country. Florida averaged 311.7 yards passing per game, ranking fourth in the nation in that category. UF's 43 TD passes led the nation. UF totaled an average of 462.8 yards per game in total offense to rank eighth in the nation.

Ellis Johnson, MVP of the 1994 SEC Championship Game and CNN's selection as the National Defensive Player of the Year, was a key member of a senior class that won more games (40) and more SEC games (29) than any other senior class in school history, while also capturing the only three SEC titles in UF history (1991, '93, '94).

- The Gators set four school seasonal and three SEC seasonal offensive records in 1994: UF's 69 touchdowns, 521 points and 65 PATs are SEC records. Florida's average points per game (43.4) is a school record and ranks second-best in SEC history. The Gators came close to breaking several other offensive SEC and school records: UF averaged 43.4 points per game; the SEC record is 44.0 (set by Alabama in 1945). UF averaged 23.7 first downs per game; the school and SEC record is 24.8 (1993). UF's 5,553 total yards is the second-best total in SEC and school history (the Gators had 5,719 yards in 1993).

Here are some further notes about the Gator offense:

- Averaged 23.7 first downs per game.
- Averaged 6.5 yards per play.
- A third down conversion rate of 51.9% (62 of 138).
- Completed 61.4% of its passes with a team passing efficiency rating of 156.6, second-best in the nation.

- The Gators were inside the Red Zone (the 20-yard-line) 63 times and scored 57 times (47 TDs, 10 FGs). They registered 81.4% of the maximum points possible (359 of a possible 441) once in the Red Zone.
- Offensive balance: 416 running plays, 435 passing plays.
- Scored in 44 of 48 quarters of play.
- 21 of UF's 62 TD drives resulted in a TD being scored in two minutes or less.
- The offense had 156 possessions and scored 76 times (62 TDs and 14 FGs).
- The offense scored TDs three times on one play, 12 times on four plays or less, and 23 times on five plays or less.
- The Gators registered a 51.9% third down conversion rate, and averaged 4.9 yards per rush.
- Three 1994 Gator wide receivers (Aubrey Hill, Jack Jackson and Chris Doering) ranked among the most effective receivers in UF history. Hill averaged a TD catch once every 4.78 receptions (18 of his 86 catches have gone for TDs), Jackson had a TD/Reception Ratio of 4.93 (29 of his 143 catches went for TDs), and Doering has a TD/Reception Ratio of 5.64 (14 of his 79 catches have gone for TDs), figures that rank as the second, third and fifth-best in school history. Wes Chandler ranks first in that category with a mark of 4.18.
- Florida has thrown for at least one touchdown in 53 of its last 54 games and thrown for 200 or more yards in 54 of its last 55 games.
- Here is a breakdown of UF's run/pass ratio over the last five years:

Year	Total Plays	Rushes	Passes
1990	655	440 (51.5%)	415 (48.5%)
1991	787	297 (37.5%)	490 (62.5%)
1992	424	423 (45.9%)	501 (54.1%)
1993	388	400 (40%)	448 (50%)
1994	651	416 (46.9%)	473 (51.1%)
Total	4,307	2,076 (48.2%)	2,231 (51.8%)

- In 1994 the Gator offense was the only unit in the nation to throw for over 3,700 yards and rush for over 1,800. It ranked second in the nation in scoring (43.4 points) and set SEC records for most TDs in a season (69) and most TD passes (43).

Inside the Numbers: Since Steve Spurrier arrived in 1990 the Gators are:

- 30-1 when they rush for 150 or more yards in a game and just 19-11-1 when they rush for less than 150 yards.
- 45-3 when they rush for more than 100 yards in a game and 4-9-1 when they rush for less than 100 yards in a game.
- 25-1 when an individual back rushes for 100 or more yards in a game (overall Florida has won 65 of its last 71 games when a running back has rushed for at least 100 yards).

The '94 Gator offense scored more points (521) and TDs (69) than any unit in SEC history. The Gators led the nation in TD passes with 43, ranked second in scoring (43.4 ppg) and passing efficiency (156.6 rating) and fourth in passing (111.7 apg).

- 20-1 when UF rushes for more than 150 yards AND passes for more than 250 yards.
- 34-2 when they score first and 15-9-1 when the opponent scores first.
- 34-3-1 when they score 30 or more points.
- 45-5-1 when they score 24 or more points.

THE DEFENSE

- Florida yielded a school-record 84.6 yards rushing per game in 1994, ranking fifth in the nation. The Gator defense allowed just 17.1 points per game to rank 16th in the nation. The Gators also allowed 305.3 yards per game in total offense, ranking 19th in the country. UF ranked 26th nationally in pass-efficiency defense, allowing opponents to post a rating of 107.5.

Here are some other notes about the Gator defense:

- Was tough inside the Red Zone as opponents scored TDs on just 14 of 32 trips inside the 20-yard line. Overall opponents had 14 TDs and eight field goals on 32 trips inside the Red Zone.
- Permitted just nine rushing TDs.
- Recorded 91 total tackles behind the line of scrimmage for 457 yards in losses.
- Registered 306 "Big Plays" (91 tackles for loss with 40 QB sacks, 88 forced QB fumbles, 19 forced fumbles, nine fumble recoveries, 74 pass deflections and 20 interceptions).

- Opponents averaged just 2.6 yards per rush.
- Allowed just 15 TDs in nine SEC games.
- Opponents had just 207 first downs (17.3 per game).
- Opponents were 50 of 181 on third down conversions a success rate of just 27.6%.
- Opponents posted a passing efficiency rating of just 107.5.
- The Gators permitted an average of just 84.6 rushing yards per game, a school record (the previous record was 85.6 yards per game allowed in 1990), highlighted by a school-best minus 22-yard effort vs. Ole Miss. Seven of 12 opponents were held to 72 yards rushing or less. The Gators permitted an average of just 2.6 yards per rush.
- The Gators scored four defensive touchdowns on the year including a school-record three touchdowns in the Georgia game. Michael Gilmore had a 59-yard fumble return for a score, Darren Hambrick had an 81-yard interception return for a TD, and James Bates scored on a nine-yard interception return vs. the Bulldogs. Anthony Lott returned an interception 88 yards for a TD vs. LSU. Florida's four defensive TDs in 1994 were the most since the UF defense recorded five in 1990.

- Florida intercepted 20 passes in 1994 after picking off 16 in 1993. Overall the Florida defense forced 29 turnovers (20 interceptions, nine fumbles recovered), leading to 101 points.
- The 1994 unit was much more experienced than the 1993 contingent, with 18 upperclassmen compared to 12 in 1993. There were only four senior scholarship players on the 1993 defensive unit, whereas the 1994 team had nine. The 1993 squad had just three senior starters, while the 1994 team had six.
- The Gator defensive line ranked among the most experienced units in college football. Six players combined for 138 career starts.
- The line foursome of Ellis Johnson, Kevin Carter, Henry McMillan and Mark Campbell combined for 52 tackles totaling 317 yards in losses.

Inside the Numbers: Since 1990, Florida is...

- 32-1-1 when it holds an opponent to less than 100 team rushing yards.
- 41-0 when it holds an opponent to less than 21 points.
- 34-3 when the Gator defense is not scored on first. UF is just 15-9-1 when the opponent scores first.

SPECIAL TEAMS

- The UF special teams unit averaged 23 yards per kick return and 11.8 per punt return to rank 11th and 14th respectively in the nation.

- UF had a school-record five blocked punts (vs. Ole Miss, LSU, Southern, Mississippi, South Carolina and Alabama) and its rush forced a punter's fumble vs. Kentucky. The five blocked punts broke the previous school record of three, set by the 1957, 1958 and the 1988 teams.
- The UF special teams unit directly recorded three touchdowns and set up three others. The first came against Kentucky when Xavier McGray ran 33 yards on a fumble recovery off a Wildcat kick return; the second came against Mississippi when Kedra Malone blocked a punt and Fred Weary ran it 10 yards for a score, and the third came against South Carolina when Weary blocked a punt and Mike Harris scooped up the ball for a 40-yard TD run. Sam McCorkle's blocked punt vs. LSU (recovered by Anthony Riggins) set up a UF TD two plays later. McCorkle also blocked a punt vs. Southern Mississippi which Harris recovered on the USM three-yard-line. A TD was scored on the next play. McCorkle's third blocked punt of the season (vs. Alabama) led to a UF touchdown.
- The Gators averaged 23 yards per kickoff return (the school record is 24.2 in 1991).
- The Gators averaged 11.8 yards per punt return after averaging 8.3 in 1993.

RECORDBOOK WATCH

WR JACK JACKSON

- His 29 career TD receptions tied for the top total in SEC history and is the best total in UF history.
- His 143 career receptions rank fourth on the UF list.
- Ranks second on UF's career receiving yardage list with 2,266 yards.
- His 15 TD receptions in 1994 ranked as the best seasonal total in SEC and UF history.
- Had 57 receptions in 1994, the fifth-best seasonal total in UF history.
- Finished 1994 with 855 yards receiving, the fifth-best seasonal total in school history.
- Had 3,327 all-purpose yards in his career (42 rushing, 2,266 receiving, 1,019 return), sixth-best in school history.
- His TD-Reception ratio of 4.93 for his career (143 receptions, 29 TDs) ranked third-best in school history.

WRAUBREY HILL

- His TD-Reception ratio of 4.78 for his career (86 receptions, 18 TDs) ranks second-best in UF history.
- His 86 career receptions rank 14th in UF history. His 18 TD receptions rank fifth, and his 1,439 receiving yards rank 13th.

WR CHRIS DOERING

- Holds a TD-Reception ratio of 5.64 for his career (79 receptions, 14 TDs), fifth-best in Gator history.

DE KEVIN CARTER

- Had 21.8 QB sacks in his career, the 10th best total in school history.
- Completed his career with 42.3 total tackles for loss, the seventh-top total in UF history.
- Had 11.8 QB sacks in 1994, the third-best seasonal total in Gator history.
- Tied 21.3 total tackles for loss in 1994, the fifth-best seasonal total in school history.

DE ELLIS JOHNSON

- His 16.3 career QB sacks is the ninth-best total in school history.
- Had 36.8 career total tackles for loss, the ninth-best total in UF history.

QB TERRY DEAN

- Finished his career with 39 TD passes, the fifth-top total in UF history.
- Threw an SEC game-record seven TD passes vs. New Mexico State in the 1994 season opener. All came in the first half and tied the NCAA record for most TD passes in a half.

QB DANNY WUERFFEL

- Has thrown for 40 TDs in his career, the fourth-best total in Gator history.
- Has thrown for 3,994 yards in his career, the sixth-best total in UF history.
- Set three Sugar Bowl records: longest TD pass (82 yards to Ike Hilliard), most consecutive completions (10), most yards passing (394). Also tied the Sugar Bowl record for completions (28).

PK JUDD DAVIS

- Scored 225 points in his career (32 FGs, 129 PATs), the best output in school history.
- Made 129 PATs in his career, the top total in UF history.
- Concluded his career with 81 consecutive made PATs, the longest streak in UF history.
- Had an SEC-record 65 PATs in 1994.

MISCELLANEOUS NOTES

UF AND THE 1990s

- Florida's 49-12-1 (.798) record ranks as the seventh-best winning percentage and the fourth-best win total in the nation since 1990, when Steve Spurrier arrived on the UF scene. The nation's winningest programs (based on %) since 1990:
- | | | |
|------------------|--------|------|
| 1. Florida State | 54-7-1 | .879 |
| 2. Miami | 52-8-0 | .867 |
| 3. Texas A&M | 51-8-1 | .856 |
| 4. Nebraska | 51-9-1 | .844 |

Florida led the SEC and ranked 5th in the nation in rushing defense in 1994, yielding an average of just 84.6 ypg — a new school seasonal record. UF ranked 16th in the country in scoring defense, 19th in total defense and 26th in pass defense.

5. Alabama	52-10-1	.833
6. Colorado	47-10-4	.807
7. Penn State	49-12-0	.803
8. FLORIDA	49-12-1	.798
9. Washington	45-13-0	.776
10. Notre Dame	46-13-2	.770
11. Michigan	44-13-2	.758

- The nation's winningest programs (based on total wins) since 1990:

1. Florida State	54-7-1
2. Miami	52-8-0
3. Alabama	52-10-1
4. Nebraska	51-9-1
5. Texas A&M	51-8-1
6. FLORIDA	49-12-1
7. Penn State	49-12-0

INSIDE THE NUMBERS

- Since Steve Spurrier took over the Gator helm in 1990, Florida is:
 - 34-3 when UF scores first
 - 15-9-1 when opponents score first
 - 45-2-1 when UF leads at the half
 - 28-2 at Florida Field
 - 35-6 vs. SEC schools
 - 35-4-1 in games played in the state of Florida
 - 14-8 in games played outside the state of Florida (11-5 at opponent campus stadiums and 3-3 at non-campus locations)

- 13-12-1 vs. teams ranked in the AP Top 25 Poll (5-2 at Florida Field, 1-7-1 at opponent campus sites, 3-0 at the Gator Bowl, 1-0 at the Citrus Bowl and 3-3 at out-of-state non-campus locations - Atlanta, Birmingham and New Orleans).

FLORIDA FIELD

- Since becoming head coach at Florida in 1990, Steve Spurrier is 29-2 at "The Swamp." Spurrier coached his squad to a school-record 23 straight wins at "The Swamp" (1990-93) before having the streak snapped vs. Florida State in the 1993 home season finale.
- UF has put together one of college football's top home field advantages over the last 14 seasons. The Gators are 72-11-2 (85.9%) at Florida Field since the 1981 season.
- Steve Spurrier is 17-1 vs. SEC opponents at Florida Field since he came here in 1990.
- Not only is Florida 29-2 at "The Swamp" since Spurrier arrived on the scene, but his squads have been downright dominating at home since 1990. The Gators have outscored their opponents by a combined total of 1257-466 (an average of 40.5 to 15.0 for an average victory margin of 25.5).
- In 31 games at Florida Field under Steve Spurrier, UF has scored 30 or more points 24 times and the defense has held opponents to 14 or less points 15 times. UF has scored 24 or more points in 17 of 18 SEC home games under Spurrier.
- Over the course of UF's school-record 23-game home win streak (1989-93), it defeated five teams ranked in the AP Top 25 Poll, including four teams in the top five:

1990	UF	48	24	Auburn	7
1991	UF	35	6/7	Alabama	0
1991	UF	35	24	Tennessee	18
1991	UF	14	43	Florida St.	9
1993	UF	41	85	Tennessee	34

- Since 1981, Florida Field has been quite kind to the Gators as these statistics have pointed out:

- a 72-11-2 (85.9%) overall record
- a 38-5-1 (87.5%) overall record vs. non-conference opponents
- a 34-6-1 (84.1%) overall record vs. the SEC

OFFENSE - SPURRIER STYLE

- In 76 games as a head collegiate coach, Spurrier's teams have averaged an eye-catching 314.9 yards per game passing, including 389.3 in 1993 - the top season passing average in SEC history.
- In addition to averaging 314.9 yards per game passing as a head collegiate coach, Spurrier's offenses have averaged 450 yards per game in total offense and 32.6 ppg since 1987.

- In his 62 games at the helm of the Florida program, the Gator offense has averaged 308.7 yards per game passing, 449.3 in total offense and 34.3 points per game.
- In each of his eight seasons as a collegiate coach, Spurrier's offense has averaged over 285 yards passing and totaled over 3,000 yards passing each season.
- Spurrier has only been the head coach at UF since 1990 but his squads have already posted four of the top five all-time seasonal passing totals in Southeastern Conference history, including a record 4,072 in 1993, and two of the top five all-time total offense seasonal totals in SEC annals, including a record 5,719 in 1993.
- He has been the head coach at UF for 62 games and his offense has already registered 34 team 300-yard-plus passing games. Prior to his arrival in 1990, there had been just 14 total 300-yard passing games in UF team history from 1906-89.

ATTENDANCE NOTES

- Florida has ranked among the nation's top 15 schools in average home attendance in each of the last 12 seasons. Since the stadium was expanded to over 83,000 in 1991, UF has ranked in the top five in the nation in average home attendance each of the last four seasons. UF averaged a record 85,284 fans in 1994.
- UF sold 72,000 season tickets for the 1994 season, the top total for any sports team (collegiate or professional) in the state of Florida history.
- Since the stadium expansion in 1991, Florida has drawn home crowds of more than 82,000 in each of the last 25 games and crowds of 83,000 in 24 of its last 25 home games.
- The 15 largest crowds in the state of Florida history - collegiate games, professional games, bowl games, Super Bowls - have all occurred since 1991 at Florida Field.

FLORIDA FOOTBALL AND TELEVISION

- UF has appeared on live network television 45 times in the 62 games coached by Steve Spurrier. Thirty-two of the 45 TV appearances for UF have been national. Florida is 33-11-1 on live network TV since Spurrier took over the Gator coaching reins in 1990.
- The University of Florida has ranked among college football's top television attractions in recent years. Here's a look at its live network (ABC, CBS, NBC, ESPN, WTBS, Jefferson-Pilot, Prime) TV appearances the past eight years:

Year	Games	Games Televised	Nat/Rgt
1987	12	8	8/0
1988	12	6	6/0

1989	12	5	5/0
1990	11	8	8/0
1991	12	8	6/2
1992	13	10	5/5
1993	13	9	5/4
1994	13	10	8/2

- 37 of its last 51 contests have been televised live (23 national, 14 regional)
- 49 of its last 67 games have been televised live (35 national and 14 regional)
- Florida appeared on live network television a school-record 10 times in 1992 and 1994, nine times in 1993 and eight times in 1990 and 1991.

GATOR FOOTBALL AND ACADEMIC ACHIEVEMENT

- A school and SEC record 19 UF players were named to the SEC Academic Honor Roll in 1994.
- UF was one of only four schools in the nation in 1994 to have more than one player selected to the GTE Academic All-America Team.
- Over the last five years (1990-94), Florida has had 63 honorees named to the SEC Academic Honor Roll, the top five-year total in school history.
- In each of the last four years, a UF player has ranked among the most-honored scholar-athletes in the nation.
- DB Michael Gilmore was one of 15 recipients of the prestigious National Football Foundation and College Hall of Fame Scholar-Athlete Award in 1994. He was named to the CFA Scholar-Athlete Team and GTE Academic All-America Team for the second consecutive year.
- In 1993 DB Michael Gilmore was the state of Florida's lone national finalist for the prestigious Rhodes Scholar program. Gilmore was also selected to the Hibtachi/College Football Association Scholar-Athlete Team and the GTE Academic All-America team.
- C. David Swain was one of just nine players in the country who earned a 1992 National Honda Scholarship-Athlete Award for academic achievement.
- UF's Brad Cupepper, a DT, was the most-honored football scholar-athlete in the nation in 1991. He was the recipient of the Draddy Scholarship Trophy, which is presented annually to the nation's premier football scholar-athlete by the National Football Foundation and the College Hall of Fame. He was also a CFA Scholar-Athlete Team selection, a GTE Academic All-America and the recipient of the ESPN/Toyota National Student-Athlete Leader of the Year Award.

NEW MEXICO STATE

GAME 1

Florida 70
New Mexico State 21
Sept. 3, 1994
Florida Field
Gainesville, Fla.
Att: 84,721

GAME AT A GLANCE

Gator quarterback Terry Dean tossed a school and Southeastern Conference game record seven touchdowns in the first half, as top-ranked Florida rolls to a 70-21 season-opening rout of New Mexico State before 84,721 - the largest opening day crowd in UF history.

Dean's seven TD strikes in the first 30 minutes also tie the NCAA mark for most TD passes in a half, while wide receiver Jack Jackson sets a UF single-game record by hauling in four of the seven TD passes.

All told, Florida registers 618 yards in total offense (fourth-best, single-game performance), 399 yards passing (sixth-best, single-game effort) and 34 first downs (second-best, single-game total). UF's 70 points scored is the second-best single-game total in the modern era in school history. In addition, Florida's eight team TD passes tie an SEC standard.

Florida begins the onslaught early as Dean tosses a 10-play, 74-yard drive with a six-yard scoring pass to freshman Ike Hillard three-plus minutes into the game. While New Mexico State ties the contest on its first series, the Gators tack on TDs in each of their next five possessions.

The Gator defense pitches a shutout over the game's final 30 minutes as Florida claims the season-opening victory.

GAME NOTES

- Florida is now 64-24 in its 88 season openers... UF has won 23 of its last 24 openers at home... Overall UF is 46-6 in 52 home season openers... UF is also 5-0 in season openers under head coach Steve Spurrier, outscoring opponents by an average margin of 36.8 ppg (51.6-14.8).
- The crowd of 84,721 was the top opening day attendance in UF history and the eighth largest crowd overall in school history.
- The 1994 season opener marked the first time UF has played at home with a No. 1 ranking.
- Terry Dean's seven TD passes in the first half tied an NCAA record for most TD passes in a half (with Dennis Shaw, San Diego State vs. New Mexico State in 1969). Dean's seven TD tosses also set an SEC and UF single-game record... UF's eight TD passes on the day tied an SEC record for most team TD

passes in game and set a UF record (Kentucky threw eight TD passes vs. North Dakota in 1950, while the UF record was seven vs. SW Louisiana in 1993).

- Jack Jackson's four TD receptions also set a school record, while being the second-best, single-game total in SEC history.
- Judd Davis connected on 10 PATs to set a UF record for most PATs in a game. The 10 PATs is also the second-best, single-game total in SEC history.

GAME AT A GLANCE

Registering the largest point total versus a Southeastern Conference opponent in school history, second-ranked Florida defeats Kentucky 73-7 in each squads league opener. The Gators move to 2-0 on the campaign, while Kentucky falls to 1-1.

Florida's performance before 85,238 - the fourth-largest crowd in school history - is dominant. Led by quarterback Terry Dean (13-for-22 passing, 201 yards, four TDs in a little more than a half) and running backs Elton Williams (115 yards rushing) and Fred Taylor (88 yards rushing), Florida is unstoppable in the air and on the ground. Overall, UF's balanced attack gains 304 yards rushing and 278 yards passing.

Defensively, the Gators dictate, forcing three turnovers, holding the Wildcats to 198 yards in total offense, 11 total first downs and 2-of-18 on third down conversions. UF cornerback Larry Kennedy leads the way with two interceptions.

The Gator special teams even get into the act as Xavier McGray returns a Kentucky fumble on a kickoff 33 yards for a touchdown.

The contest is decided early. Florida jumps to a 21-0 lead with 14:54 to play in the first half as a pair of TD strikes from Dean to Aubrey Hill and a Williams 15-yard run. While the Wildcats get

on the board with a 36-yard TD pass Florida answers with a Judd Davis 31-yard field goal and Chris Doering TD catch to take a 31-7 lead to the locker room. Florida blanks Kentucky in the second half, while putting 42 points on the board. The Gator's final scores come on a 15-yard TD pass from third-string quarterback Eric Kressler to walk-on receiver Paul Bowen. Third-string tailback Tyrone Baker, who has 78 yards rushing in the fourth quarter caps Florida's scoring with a 15-yard TD run.

GAME NOTES

- Florida has now scored 143 points in consecutive games, a modern day UF record. UF scored 144 points in back-to-back games in 1913 (144 pts. vs. Southern, 0 pts. vs. Auburn). It is the first time in UF history Florida has scored 70-plus points in back-to-back games (70 vs. New Mexico State, 73 vs. Kentucky). The 73-points allowed by Kentucky is the most given up by a Wildcat team in the modern era. UK's previous worst defeat came when St. Louis beat the Wildcats 82-0 in 1905. Florida's 73 point scored is the second highest total by a SEC team in a conference game in league history (Georgia scored 75 vs. Florida in 1942).
- Florida's 582 yards in total offense was the ninth-best total offense output by a Gator team in school history and the second-best offensive production by UF as an SEC team (UF totaled 619 yards vs. Mississippi State in 1993).
- Gator tailback Elian Williams rushed for 118 yards, including a 51-yard run. The 31-yard run is the longest run from scrimmage in the Spurrier Era (the previous long run was 49 yards by Eric Rhee in 1991). UF's 314 rushing was the best running effort by a Gator team under Spurrier (previous high was 248 yards vs. Auburn in 1990).
- Florida throws to 11 different receivers, the second straight week UF had had 11 different players with a reception.
- Steve Spurrier is now 5-0 in SEC openers, and 5-0 vs. Kentucky.

Sept. 17, 1994

 Knoxville, Tenn.
 Att: 96,656

GAME AT A GLANCE

Using a dominating defense and a near-flawless offensive attack, top-ranked Florida topples 15th-ranked Tennessee 31-0 before 96,656 stunned Volunteer fans and an ESPN national television audience.
 With the effort, Florida (3-0 overall, 2-0 SEC) records its biggest Southeastern Conference

road shutout in school history and in turn pins Tennessee (1-2, 1-1) with its worst home league loss in school history. The victory is also Florida's first versus a ranked team on the road (campus site) in the Steve Spurrier era.

The Gator defense is the story, as Florida holds Tennessee to 68 yards rushing, while recording five quarterback sacks, 16 tackles for negative yardage and forcing two turnovers. UF preserves its shutout by stopping the Vols three times inside the 10-yard line in the game's waning moments.

Offensively, UF QB Terry Dean turns in another stellar performance, connecting on 18-of-26 pass attempts for 303 yards and two touchdowns. Gator running back Elian Williams and Fred Taylor combine for 109 yards rushing as well.

Florida sets the tone to the game early as Dean completes 14-of-19 passes in first half for 261 yards and adds a 22-yard TD pass to Jack Jackson. Taylor and Williams each add rushing TDs to cap drives and Judd Davis converts a 23-yard field goal. Overall in the first half Florida rolls to 14 first downs, 346 total yards and a 24-0 lead.

The game is sealed when Dean hits Aubrey Hill with a 16-yard TD strike with 1:22 to play in the third quarter to make it 31-0.

The swimming Gator defense then shuts out the contest by keeping Tennessee off the board.

GAME NOTES

- Entering the contest with 15th-ranked Tennessee, Florida was 0-7 versus ranked teams on the road (campus site) under head coach Steve Spurrier.
- Tennessee entered the game as the SEC's top-ranked rushing offense (292.5 yards per game). UF held UT to just 68 net yards rushing. In addition, Tennessee's James Stewart was leading the league in rushing, averaging 149 yards per game. UF held him to just 51 yards.
- As mentioned, the 31-0 Gator victory was the worst home SEC loss by the Volunteers in school history. In addition, it was Tennessee's worst home loss since 1924 (when UT was blanked by Centre 32-0). The shutout was also the first time since 1980 Tennessee had been blanked in a league game.
- With his 22-yard second quarter TD reception, Jack Jackson tied Carlos Alvarez (1969-71) and Harrison Houston (1990-93) for third on the Gator all-time TD reception list with 19.

Florida jumps to a 14-0 lead seven minutes into the game when Fred Weary scoops up a Kedra Malone blocked punt and returns it 10 yards for a touchdown. Ole Miss answers tying the score at 14 with 7:09 to play in the first quarter when Fred Thomas picks off Terry Dean's pass and returns it 83 yards for a touchdown.

It's all Florida from there as Dean hits Jack Jackson for a pair of second quarter TD strikes to take a 28-14 lead to the locker room. Jackson has his finest day of the season, hauling in six passes for 120 yards and the two TDs.

The Gators seal the contest when safety Michael Gilmore's interception and nine-yard return to the Ole Miss 22 sets up a six-yard TD pass from Dean to Chris Doering with 12:18 to play in the third quarter.

GAME NOTES

- By yielding a school-record 22 yards rushing, Florida has now allowed just 46.5 yards per game on the ground during the season. The seasonal record for yards allowed by a Gator defense is 85.6 yards by the 1990 Gators.
- The Gator defense has still not been scored upon in the second half and has allowed just two TDs in its three league games.
- With two TD receptions on the afternoon, Jack Jackson now has 21 career TD catches, making him only the third UF player in history to have 20 career TD receptions (Willie Jackson 24 TDs, Wes Chandler 22 TDs).
- Florida's 38 points scored is the most by a team vs. the Rebels in Oxford since 1951.
- The Ole Miss defense had allowed just three passing touchdowns in its first four games. Gator QB Terry Dean had four TD passes on the day.

GAME AT A GLANCE

Top-ranked Florida, returning home for the first time in a month and beginning a five-game homestand, notches its fifth victory in as many games with a decisive 42-18 win over Louisiana State.

The victory, however, proves painful for Florida. Starting left offensive tackle Jason Odom suffers a sprained knee, while starting running back Eljah Williams injures an ankle and knee. In addition, back-up cornerback Shea Sowers suffers a dislocated elbow. The three players join starting defensive tackle Henry McMillan (injured knee vs. Ole Miss) on the injured list. Florida is also without starting inside linebacker Dexter Daniels (injured shoulder vs. Ole Miss) for the contest.

Several Gators turn in solid performances on the afternoon.

Freshman tailback Fred Taylor rushes for a career-high 136 yards on 16 carries and two touchdowns and wide receiver Jack Jackson collects a career-high 10 catches for 99 yards and a TD. Walk-on special teams leader Sam McConkie blocks a punt which eventually leads to a Gator touchdown and cornerback Anthony Lott returns an interception 88 yards for another

GAME AT A GLANCE

With a ferocious Florida defense turning in another devastating performance, the top-ranked Gators go to 4-0 with a 38-14 victory over Ole Miss in Oxford.

Holding the Rebels to 22 yards rushing, Florida sets a school record for fewest yards allowed in a game. In addition, Florida registers 13 tackles for loss, yardage, holds Ole Miss to four-of-16 on third down conversions, and allows just 185 net yards. Ole Miss has just 57 yards of total offense over the final three quarters of the game and does not cross midfield in the second half.

score. Place kicker Judd Davis hits three-of-three field goals, including two from 41 yards.

The defense turns in another strong effort, holding LSU to 51 yards rushing three-of-12 on third down conversions and 295 total yards. Florida's defense also forces four turnovers (three interceptions and a fumble).

The contest is never really close, as Florida leads 20-0 after the first quarter on a Taylor 16-yard run, Jackson five-yard pass from Terry Dean after the blocked punt by McCordie and Lott interception return. The Gators add a touchdown (five-yard Dean run) and a Davis field goal to lead 29-3 at the half. The teams trade TDs in the third quarter, while LSU scores a touchdown early in the fourth quarter. Two Davis field goal end the scoring.

GAME NOTES

- Florida has now won each of its last seven meetings with LSU. The Gators have also now won 17 straight SEC games at Florida Field, including 15 consecutive under head coach Steve Spurrier.
- Sam McCordie's blocked punt in the first quarter was the second in as many games for UF. The school record for blocked punts in a season is three (1957, 1958, 1988).
- Anthony Lott's 88-yard interception return for a touchdown in the first quarter was the third longest INT return in UF history.
- Jack Jackson caught a career-high 10 passes for 99 yards and a touchdown. Jackson moved into second place on the UF all-time TD receiving chart (he has 22 TDs to tie him with Wes Chandler). Willie Jackson is the leader with 24. In addition, Jackson now has 115 career catches for 1,819 yards, good for sixth on the all-time UF receiving yards list.
- Terry Dean now has 18 TDs on the year, one more than all of last season. In addition, Dean took sole possession of fourth on the UF all-time TD pass list (he entered the game tied with Steve Spurrier at 36).
- UF allowed its first rushing TD of the season, a two-yard run in the third quarter. The score also represented the first second half TD surrendered by the Gator defense.

AUBURN

GAME 6

Auburn 36
 Florida 33

Oct. 15, 1994
 Florida Field
 Gainesville, Fla.

Att: 85,562

GAME AT A GLANCE

In a game featuring six lead changes (including four in the fourth quarter), Patricks Nix hits Frank Sanders with an eight-yard pass in the left corner of the south end zone with 30 seconds to play, winning a Florida Field record-setting crowd of 85,562 and giving No. 6 Auburn a 36-33 victory over No. 1 Florida.

In the process the Tigers (7-0) win their 18th consecutive game, the longest current Division IA winning streak. The Gators, meanwhile, fall to 3-1 overall and see their 17-game SEC home winning streak snapped.

Offensively, Florida turns the ball over six times (including four Terry Dean interceptions), yet a pull in the contest until the final gun. On the other side, Auburn uses a balanced attack to move the ball. Nix completes 28-of-51 passes for 319 yards and tailback Stephen Davis rambles for 113 yards. Tiger tight end Andy Fuller who had caught just two passes entering the contest, collects seven catches for 113 yards.

While Auburn leads 22-14 at the half, UF quarterback Danny Wuerfel, in relief of Dean, directs the Gators on a five-play 74-yard drive which is capped by a 26-yard TD pass to Reidel Anthony. The Florida score, with 5:30 to play in the third quarter, slices the Auburn lead to two, 22-20.

The Gators then take the lead when Wuerfel caps a six-play 69-yard drive with a 17-yard TD pass to Ike Hilliard with 12:15 to play.

Auburn answers, taking the lead 29-26 when Nix and Fuller hook-up on a 30-yard TD pass with 8:45 to go. Florida again rises to the occasion, as Jack Jackson scores his third touchdown of the day on a 28-yard pass from Wuerfel with 5:51 left.

UF's defense stops Auburn on the next possession, giving the ball back to the Gators with four minutes to play.

Facing a third-and-15 with 1:20 on the clock, Wuerfel launches a pass down the middle which is picked off by Tiger defensive back Brian Robinson and returned to the Tiger 43. Moments later, Auburn converts a fourth-and-10 and then two plays later the 6-2 Sanders cut jumps 5-11. Gator free safety Michael Gilmore for the winning score.

GAME NOTES

- The attendance of 85,562 was a UF record and the largest crowd ever to see a football game (pro or college) in the state of Florida. The previous record was 85,507 vs. Florida State on Nov. 27, 1993. UF also issued 552 media credentials for the contest.
- With five catches for 105 yards and two TD receptions (he also rushed for a TD in the contest), Gator wide receiver Jack Jackson is now tied for first place on Florida's all-time career TD reception list with 24 (tied with Willie Jackson). Jack Jackson is also now tied for second on the SEC's all-time TD catch list (with Auburn's Terry Beasley).
- When Auburn scored on its first possession of the game it marked the first time possession Florida had trailed in a game.

GEORGIA

GAME 7

Oct. 29, 1994
Florida Field
Gainesville, Fla.
Att: 85,604

GAME AT A GLANCE

Facing Georgia in Gainesville for the first

time in 63 years, fifth-ranked Florida rolls over the Bulldogs 52-14 before a school and state of Florida record crowd of 85,604 and an ESPN National television audience.

The Gator defense propels Florida to its sixth victory in seven games by scoring three defensive touchdowns (for the first time in school history), forcing five turnovers overall (including a career-high four Eric Zeier interceptions) and holding Georgia to 31 yards rushing and a season-low 14 points. Florida's 52 points scored is the most versus the Bulldogs in the series, while the 38-point margin of victory is also a series best for Florida. The Gators have now won five straight games over the Bulldogs, also a series-long winning streak for UF.

Florida jumps to a 14-0 lead on a pair of first-quarter touchdown passes from Danny Wuerffel to Chris Doering. The Gators add a Judd Davis field goal with 9:55 to play in the first half, but Georgia's Terrell Davis caps a nine-play, 49-yard drive to make it 17-7.

Florida takes control of the contest over the final 95 seconds of the first stanza, as Ben Harris forces a fumble after a pass completion to Georgia running back Larry Bowie and free safety Michael Gilmore gobbles it up and runs 59 yards for a touchdown. Then, with Georgia driving, Darren Hambrick picks off a Zeier pass and fumbles 81 yards for a TD in the half's final play. The score gives UF a commanding 31-7 lead at the break.

While Georgia's Eric Zeier caps an eight-play, 73-yard drive with a three-yard TD run early in the third quarter, Florida gets the game's final three scores on a James Bates nine-yard interception return (he has two INTs in the contest) and short runs by Gator running backs Elvin Williams and Fred Taylor.

GAME NOTES

- With the victory over Georgia, Florida has now won each of the last five meetings versus the Bulldogs to record its longest winning streak in the series.
- Florida's 52 points and 38-point margin of victory over Georgia were both highs in the Bulldogs during the series. The previous highs in points was 45 in 1991, while the widest margin of victory also came in the '91 game (45-13 UF win). Florida's 52 points scored was the most scored by any team versus Georgia since 1931.
- Florida scored a school-record three defensive touchdowns in the contest, held Georgia to a season-low 14 points and forced UGA QB Eric Zeier to throw four interceptions for the first time in his career.
- The 85,604 in attendance set a new school record while also being the largest crowd to see a football game (college or pro) in state of Florida history.

GAME AT A GLANCE

Fifth-ranked Florida rolls to a 55-17 victory over Southern Mississippi before a sun-soaked Homecoming record-setting crowd of 85,448.

Several Gators shine in the effort, as Florida moves to 7-1 on the season.

Offensively, Gator quarterback Eric Kresser comes off the bench to throw for a career-high 309 yards and three touchdowns, including an 87-yard TD strike to Reidel Anthony on Kresser's first play from scrimmage midway through the second quarter. The connection is the fourth longest TD pass play in UF history. Kresser completes 14-of-21 passes overall, while splitting time with starter Danny Wuerffel, who completes nine-of-13 passes for 148 yards and a pair of TD passes to senior Aubrey Hill. All told, Florida passes for 463 yards, the third-best single-game passing effort in school history.

Defensively, the Gators force four more turnovers, including a fumble recovery and interception by senior free safety Michael Gilmore. UF allows just 59 yards rushing on the afternoon.

The Gator special teams again get into the act, as Sam McCortie blocks UF's third punt of the season to tie a school record for most blocked punts in a year. Also, locker judd Davis hits seven-of-seven PATs to run his consecutive PAT streak to a school-record 65 straight. He also hits a career-long 52-yard field goal as time expires in the first half.

Florida's average time of possession on its nine scores (seven TDs, two FGs) during the afternoon is 1:40. Scoring 31 points on 32 first half plays, Florida puts the game away in the second quarter with 24 unanswered points.

GAME NOTES

- Florida raised its record to 49-19-3 in Homecoming games. The Gators have won 14 of their last 15 Homecoming affairs.
- Florida threw for 463 yards on the day, the third-best single-game effort in school history.
- Sam McCortie's blocked punt in the first half was UF's third blocked punt of the year, tying a school record for most blocked punts in a season. Florida also blocked three punts in the 1957, 1958 and 1988 seasons.
- Kicker Judd Davis was seven-for-seven on PATs in the game, stretching his streak of consecutive PATs to 65, a new school record. Davis, who also hit a career-high 52-yard field goal in the contest, became UF's all-time leader in PATs (113). He also now has 194 career points, tied for fourth on UF's all-time scoring list.

- Florida has now scored 394 points in 1994 (49.3 avg.) more than any other season in UF history with the exception of the record-setting 1993 club which tallied 472 points.

GAME AT A GLANCE

Fourth-ranked Florida clinches its third straight Southeastern Conference Eastern Division crown with a 48-17 victory over South Carolina on Senior Day at Florida Field.

The Gators (8-1 overall, 6-1 SEC) have now earned a berth in the SEC Championship Game Dec. 3 in Atlanta.

Quarterback Danny Wuerffel directs the offensive attack, completing 20-of-32 passes for 357 yards and four touchdowns. Wuerffel's top targets on the day are Jack Jackson, who hauls in six passes for 80 yards and two TDs, and Chris Doering, who collects six catches for 94 yards. With his two TD catches, Jackson becomes Florida's all-time leader in TD receptions with 26.

Florida's defense limits South Carolina to 224 total yards (including just 93 yards in the second half), while holding Gamecock punter Steve Tateyhill to just 11 completions in 19 attempts for 87 yards.

The Gator special teams once again come up with a big play, as Fred Weary blocks a third quarter punt, and Mike Harris returns it 40 yards for a TD. The play seals South Carolina's fate, giving the Gators a 21-10 lead with 5:20 to play in the third quarter.

Trailing 10-7 with 9:44 to play in the first half, Florida reels off two TDs when the Wuerffel-to-Jackson combo caps drives with a four-yard TD connection with 5:22 to play in the half and an electrifying 23-yard TD catch and run by Jackson 51 seconds before the break.

Florida scores three times in the third quarter on a Judd Davis 28-yard field goal, the Harris punt block for a TD and a 38-yard TD pass from Wuerffel to Elijah Williams.

While USC adds a TD early in the fourth period, Florida adds 10 more markers with a Davis 36-yard field goal and a two-yard TD pass from Terry Dean to Sorola Palmer. Florida's final score caps an 11-play, 71-yard drive.

GAME NOTES

- Florida is now 8-1 to tie five other teams in UF history (1928, '66, '90, '91, '93) for the school's best record after nine games.
- UF seniors are now 38-9 over the last four years and are just one win shy of tying the

school record for most wins by a senior class ('93 best was 39-10).

- Florida blocked its school-record fourth punt of the season. Two of Florida's four blocked punts have been returned for TDs.
- Jack Jackson's 26 TD catches the best all-time mark in Gator history; it's now second-best in the SEC behind only Terry Beasley of Auburn (29).
- Florida's attendance of 85,028 gave UF a seven-game total of 596,986 in 1994 for a school-record average of 85,283.
- In seven home games in 1994, UF outscored its foes 373 to 130, an average of 53.3 to 18.6.

GAME AT A GLANCE

Florida freshman Fred Taylor rushes for a career-high 140 yards and two touchdowns and a tenacious Gator defense yields just 116 total yards over the game's final three quarters, as third-ranked Florida grounds out its ninth win of the season with a 24-7 victory at Vanderbilt.

Overall, the Gator defense holds Vanderbilt to 11 first downs, 54 yards passing on just six completions and 169 yards rushing. Vandy entered the contest as the SEC's top rushing team with a 244 yards per game average.

Meanwhile, Florida's offense turns its line running game as Taylor picks up his 140 yards on 16 rushing attempts. Redshirt freshman Elijah Williams adds 96 yards on ground, as Florida attempts just four passes in the second half.

Gator quarterback Danny Wuerffel is efficient on the afternoon, completing 18-of-22 passes for 221 yards and the game's first TD, a 25-yard pass to Jack Jackson.

Florida seals the game when Taylor caps a 65-yard drive late in the third quarter with a 12-yard scoring run off left tackle.

The defense stops two fourth-down plays in the second half and is never seriously threatened.

GAME NOTES

- With the victory this year's Florida squad matched the 1990, 1991 and 1993 Gator contingents for the best record after 10 games (9-1).
- Also with the win, the '94 Florida senior class (29-9) tied the '93 UF senior class as the winningest group in Gator history.
- With his first quarter TD catch, Jack Jackson set a new Gator seasonal record with his 13th TD reception of the season. He broke Carlos Alvarez single-season record of 12 TD receptions in 1969.
- The contest at Vanderbilt Stadium marked the first game this season Florida had played on artificial turf.
- UF raised its season point total to 466, just seven points shy of a new school and SEC record.

GAME AT A GLANCE

No. 4 Florida and No. 7 Florida State battle

to a 31-31 tie before a Doak Campbell record-setting crowd of 80,210. Florida and Florida State conclude their regular schedules at 9-1-1. UF now goes on to meet unbeaten Alabama (10-0) in the SEC Championship Game.

The Gators are in control early, jumping to a 24-3 lead at the half on a 58-yard TD strike from quarterback Danny Wuerffel to Aubrey Hill. A pair of Wuerffel-to-Jack Jackson touchdown connections and a Judd Davis 35-yard field goal. All told, Florida rolls up 256 yards of total offense in the first 30 minutes while holding Florida State to just 123 yards.

After the break, Wuerffel caps a nine-play, 80-yard UF TD drive with a one-yard plunge to make it 31-3 Florida heading into the final stanza.

Florida State then takes control, scoring 26 points in a wild fourth quarter. First, running back Zack Crockett scores on a five-yard run to cap a 15-play, 64-yard FSU TD drive. With just over 10 minutes to play FSU quarterback Danny Kanell, who completes a school-record 40 passes for 421 yards on the afternoon (232 yards in the fourth quarter), finds Andre Cooper in the end zone to make it 31-17. At the 5:25 mark, Kanell caps yet another drive with a two-yard run to cut UF's lead to seven.

Then, with 1:45 to play, RB Rock Preston caps FSU's final score with a four-yard run.

UF is forced to punt on its final possession and the clock runs out on FSU as the game ends.

GAME NOTES

- With his two TD catches, Florida junior wide receiver Jack Jackson set the SEC single-season record for touchdown catches with 15. The record was previously held by Vanderbilt's Alama Matthews. Jackson also tied former Auburn Tiger Terry Beasley for most SEC career TD catches with 29.
- With its 31 points, Florida broke its own SEC record for points scored in a season with 497. Florida also set an SEC record for TDs in a season (66) and tied the league mark for passing TDs (41).
- Kicker Judd Davis established a new SEC record for extra points with 52 on the year.
- Florida State's 26-point comeback tied the NCAA Div. I-A record for largest deficit overcome in a fourth quarter to win or tie a game.

GAME AT A GLANCE

Sixth-ranked Florida (10-1-1) captures its second consecutive Southeastern title and third league championship in the last four years with a 24-23 heart-pounding victory over No. 3 Alabama (11-1) in the SEC Championship Game.

With Florida clinging to a 17-16 fourth quarter lead, Gator quarterback Danny Wuerffel's pass is picked off by Alabama linebacker Dwight Ridd who returns it 23 yards for a touchdown and a 23-17 Tide lead with 8:56 to play.

The Gators respond with one of the most memorable drives in school history.

On the second play of the drive, Wuerffel comes off the field with a fake limp in a pre-planned signal for strong-armed back-up quarterback Eric Kresser. With Alabama thinking run with Kresser in the contest, the backup QB takes his first snap and lofts a 25-yard pass down the left sideline to Ike Hilliard to put UF on the UA 42.

After freshman Fred Taylor uses a second and third effort to gain two yards on a fourth-and-one play, Wuerffel throws a lateral pass to Reidel Anthony who gains nine yards. On the next play, UF head coach Steve Spurrier calls for a double-pass as Wuerffel lateral's it to Doering who then delivers it to Aubrey Hill for a 20-yard gain to the two. Wuerffel then finds Doering in the back of the end zone for the winning TD with 5:29 to play.

Florida then turns the game over to its determined defense. With Alabama on the field for the winning points and near midfield, Gator Fred Weary tips a Jay Barker pass and Eddie Lake gathers in the pass to seal the victory with less than a minute to play. All told, the Gator offense holds Alabama to 297 yards in total offense, while sacking Bama QB Barker five times on the afternoon and recording six tackles for loss per game.

GAME NOTES

- Steve Spurrier became the first coach in SEC history to win three outright league championships in his first five years at the helm. Florida has now won league title in 1991, 1993 and 1994. Florida is a league-best 35-6 in SEC action since Spurrier arrived.
- At 10-1-1, the 1994 Gators have the school's best record after 12 games.
- DT Ella Johnson was selected MVP for the SEC Championship Game.
- Florida set eight school records in 1994: points (52), also SEC record; touchdowns (69, also SEC record); point after touchdowns (65, also SEC record); passing touchdowns (43, also SEC record); points per game (43.4); rushing average defense per game (84.5 yds.) and blocked punts (5).
- Florida kicker Judd Davis became UF's all-time points leader with 223. He passed Emmitt Smith's 222 points.

Seminole lead to 23-17 on a one-yard touchdown run by Wuertfel with 3:47 left in the fourth quarter. Following the score, Florida forced the Seminoles to punt with 2:27 to go and the Gators begin the drive on their own 19-yard line before the interception.

The Gators and Seminoles exchange field goals in the first quarter with Mowrey opening the scoring with a 21-yarder and Florida's Jude Davis hitting a 23-yard field goal.

Florida State takes control in the second quarter, tying the Sugar Bowl record with 17 points in the quarter. On their first possession of the quarter, Warrick Dunn hits Omar Ellison for a 73-yard TD pass, breaking the Sugar Bowl record for longest TD pass and quarterback Danny Kanell finds Kez McConvey for a 16-yard strike just over six minutes later to give Florida State a 17-3 lead.

But Florida comes right back with a long play of its own, breaking the record with an 82-yard touchdown pass from Wuertfel to freshman Ike Hillard.

Florida State kicker Dan Mowrey hits one of his three field goals on the night, with 36 seconds left in the half and the Seminoles lead a 20-10 lead at intermission. Mowrey adds a 45-yarder 1:03 into the third quarter and the Seminoles lead 23-10.

Florida manages to stay in the game until Brooks' interception, despite losing two fumbles and an interception. The Gator defense plays tough in the second half, forcing Florida State to a lone Mowrey field goal.

GAME NOTES

- The game was UF's third Sugar Bowl appearance in the past four seasons.
- The two longest touchdown passes in Sugar Bowl history were thrown in the game. Florida State tailback Warrick Dunn completed a 73-yard pass to Omar Ellison in the second quarter to set a record for a few minutes. Florida's Danny Wuertfel then completed an 82-yard TD pass to Ike Hillard later in the quarter to break the record.
- Florida quarterback Danny Wuertfel set two Sugar Bowl records and tied a third. Wuertfel had 10 consecutive completions in the first half and 394 yards passing to set new marks. His 28 completions tied the mark of former UF QB Shane Matthews in 1992 against Notre Dame.
- The two teams combined to set two Sugar Bowl passing records. The combined 54 completions and 774 passing yards shattered the marks of 47 (Air Force and Tennessee, 1971) and 611 (Arkansas and Ole Miss, 1970), respectively.
- Florida set two team bowl passing records. The 449 yards passing broke the Gators' own record for passing yards in a Sugar Bowl. In 1992 against Notre Dame, UF passed for 370 yards. The 30 completions bettered the Gators' 28 in that same game.

FLORIDA FOCUS

■ The University of Florida is one of just nine schools among the combined universities in the Southeastern Conference, Atlantic Coast Conference, Southwest Conference and Southern Independents that has been admitted to the Association of American Universities, the most prestigious organization in higher education. The only other schools from those four groups mentioned above that have gained admittance to the AAU are Duke, North Carolina, Maryland and Virginia of the ACC, Vanderbilt of the SEC, Texas and Rice of the Southwestern Conference

and Tulane among southern independents. Nationwide, only 58 of over 1,200 colleges and universities in the country are members of the AAU.

■ Since Steve Spurrier arrived on the Gator scene in 1990, the Gators have been ranked in the weekly AP Top 25 Poll 82 of a possible 83 times, including each of the last 82 ranking weeks.

■ The College of Business Administration's Fisher School of Accounting is ranked seventh nationally in undergraduate programs and fifth in graduate programs.

FLORIDA FOOTBALL PLENTY TO BE PROUD OF

- A charter member of the Southeastern Conference when it was formed in 1932.
- Twenty-two bowl game appearances.
- In the decade of the 1990's Florida is one of only two schools in the nation to appear in the final AP Top Ten Poll in each of the last four seasons (1991-94) and it is one of only five programs in the country to post nine or more wins in each of the last five years.
- Named national champions for the 1984 season by the New York Times and The Sporting News.
- Ninety-five (95) players have earned All-America recognition, 60 alone since 1980.
- Won SEC titles in three of the past four years (1991, 1993, 1994) and have finished first in the SEC standings six times in the past eleven seasons.
- Forty-one (41) players have earned first-team All-America honors, 17 alone since 1980.
- Played in the first-ever SEC Championship Game in 1992.
- For nine consecutive years (1983-91) Florida had at least one player selected in the first round of the annual NFL Draft, the only school in the nation to achieve that distinction. In fact, Florida is the only school in the nation that has ever had a player selected in the opening round of the draft for nine straight years since the NFL Draft began in 1936.
- QB Steve Spurrier was a Heisman Trophy recipient in 1966. Four other UF players have finished in the top ten of the Heisman balloting.
- OLB Wilber Marshall was selected "National Defensive Player of the Year" in 1983 by ABC. DT Ellis Johnson earned that honor from CNN in 1994.
- One-hundred and twelve (112) different players have earned first-team All-SEC honors.
- One-hundred and twenty-five (125) players have earned Academic All-SEC honors, 104 alone since 1980.
- Ten Gator players have earned Academic All-America honors.
- Former Gator great Carlos Alvarez was inducted into the second GTE Academic All-America Hall of Fame class. Former Gator football player Bill Kynes was a Rhodes Scholar recipient. In 1991 Brad Culpepper was presented the Draddy Trophy which goes to the nation's premier scholar-athlete.
- Florida's 27-4-3 record (.838%) ranked as the second best in the nation during the 1983-85 time span.

Florida has been the most prominent team in the nation's most prominent football conference over the course of the last decade. Six times in the last eleven years the Gators have finished with the best SEC record and they have played in each of the first three SEC Football Championship Games. UF is one of only two schools in the nation to finish in the top ten in the final AP Poll in each of the last four years (1991-94).

Ben Hill Griffin Stadium at Florida Field (above) is the largest stadium in the state of Florida. In 1994, the Gators played before an average home crowd of over 85,260 — the fifth best mark in the nation.

- In each of the 1983, 1984 and 1985 seasons, Florida ranked in the top six in the final Associated Press poll, the only school in the nation to achieve that distinction during that time period.
- Over 125 former Gator players have gone on to play in the NFL.
- Florida has posted a sparkling 72-11-2 record at Florida Field since the start of the 1981 season. It is 29-2 this decade.
- Twenty-four UF players have been selected in the first round of the NFL Draft, 13 from 1983-91, the top total in the nation over that nine year span.
- In 1989, Florida was the only school in the nation to have three players selected in the first round of the NFL Draft.
- Thirteen former Gator players have appeared 40 times in the NFL Pro Bowl.
- A player from the University of Florida has appeared in 15 of the 29 Super Bowl games.

Emmitt Smith is one of many former Gator Greats to move-on to NFL stardom. Smith, one of 24 UF players to be drafted in the first round of the NFL Draft, has led the NFL in rushing in three of past four seasons and he was the league's MVP in 1993. From 1983-91 alone, 13 Gators were selected in the first round of the NFL Draft, the top total for any school in the nation during that time period. UF had at least one player selected in the opening round of the draft each year from 1983-91, the first time in NFL history that a school had a player selected in the first round for nine consecutive years.

The History of Gator Football **A PROUD PAST, AN EVEN BRIGHTER FUTURE**

Steve Spurrier represents Florida's proud football present and past and embodies its own brighter future. Spurrier, who was a recipient of the 1966 Heisman Trophy as a Gator quarterback in 1966, has led UF to many of its greatest team achievements since taking over the coaching reins in 1990. In his five years at the helm the Gators have captured three SEC titles, finished first one other time, played in each of the first three SEC Championship Games and three Sugar Bowl games. The Gators' 49 total wins over the past five seasons is the best five year victory total in school history, and UF's 35-6 record in SEC play since 1990 ranks as the conference's best. Spurrier is one of 95 Gator players who have earned All-America recognition, including 41 who have garnered first-team All-America honors.

Florida, a charter member of the prestigious Southeastern Conference, and one of the participant schools in the first-ever SEC Football Championship Game in 1992 (a game that was also the first-ever championship playoff game for Div. I-A), started football in 1906 against Rollins on a baseball field located immediately north of the current Florida Field. The Gators won, 6-0, and went on the following year to record a 4-0-1 mark behind the running of a halfback named Willie Shands, who eventually became an important senator for whom the Shands Hospital and Clinics at UF are named.

The finest of the early teams at Florida were under the tutelage of U.S. Army Major James A. Van Fleet, head coach and senior officer of the school's ROTC program. The Van Fleet teams in 1923-24 attracted national attention to the Gator football program for the first time.

In 1923 Florida tied Georgia Tech, the ruler of Southern football, 7-7, in Atlanta. The Jackets came from behind late in the game to earn the deadlock.

In the final game of that season Florida recorded one of the most shocking upsets of the year, beating Alabama and Wallace Wade in Tuscaloosa, 16-6, as All-Southern back Edgar Jones scored every point for the Gators.

Florida was 6-1-2 that season and 6-2-2 in 1924, recording 7-7 ties against both Georgia Tech and Texas, two of the national football powers, and losing to Army, 14-7, at West Point.

Florida's 1928 team led the nation in scoring on the way to an 8-1 record, losing its final game, 13-12, on a wet field in Knoxville, Tenn. to Tennessee.

The 1930's produced great individual talent at Florida. Walter (Tiger) Mayberry was an All-SEC halfback who was later to lose his life in World War II as an often-decorated Marine pilot. Tommy Harrison was a recon-setting passer in the late 30's and went on to become a president of Blair Radio and TV, a nationwide firm. His favorite target was end Forrest (Fergie) Ferguson, an all-star athlete who died years later as the result of wounds suffered in the invasion of Normandy during World War II.

Bob Woodruff brought the Gators to solid football status as the head coach of the 1950's. He produced the first bowl team in 1952, All-America linemen like Charlie LaPradd, John Barrow and Vel Heckman and a reputation for hard-nosed defense.

Ray Graves came out of the decade of the 1960's as the winningest Florida coach of record. He was 70-31-4 with five bowl teams, four of which won. His only losing bowl team lost by two points to Missouri in the 1966 Sugar Bowl, 20-18.

That decade also produced Heisman Trophy winner Steve Spurrier, a record-setting passer, as well as quarterback John Reaves in 1969, who smashed five national marks.

The teams of Doug Dickey from 1970-78 went to four bowls. His 1973 team was the second Gator edition ever to defeat Auburn at Auburn and went on that year to beat Georgia, FSU and Miami in the same month, a rare feat for Florida.

Dickey's top players included All-Americans Jack Youngblood, defensive end; Wes Chandler, wide receiver; Sammy Green and Ralph Ortega, line backers, and SEC rushing king Jimmy DuBois.

Charley Pell's rebuilding job began in 1979 and his last four Florida teams went to bowls, averaging eight wins a season against one of the nation's most demanding schedules. Pell's 1983 team secured the school's then highest final ranking ever with a No. 6 finish. Wilber Marshall, a linebacker, was named "National Defensive Player of the Year."

The top players of the Pell era (1979-84) were WR Chris Collinsworth, LB David Little, DT David Galloway, LB Wilber Marshall, and OT Lomas Brown. All were first-team All-American selections.

Galen Hall was named interim coach after the first three games of the 1984 season. He proceeded to win the next eight games. When

the squad defeated Kentucky, 25-17, to clinch the school's first-ever first place finish in the SEC standing, he was named the new head coach in the lockerroom after the game in

Florida has appeared in 22 bowl games, seen 95 of its players earn All-America recognition, including 41 who have earned first-team All-America honors, had a player receive the Heisman Trophy, had two players honored as the "National Defensive Player of the Year", played in the first-ever SEC Championship Game, and seen 24 of its players selected in the first round of the NFL Draft.

Lexington. The squad closed the banner year with a 27-17 win at Florida State to cap a 9-1-1 season. In the final regular season wire rankings, Florida was ranked third in the nation, the best regular season ranking in school history. The '84 squad was named the national champion by the *NFC Times* and *The Sporting News*.

Hall led Florida to another banner season in 1985. The Gators opened the season with an eight game unbeaten streak to break UF's two season unbeaten marks to 18 consecutive games. When Florida defeated Auburn, 14-10, in the eighth week of the season, UF was ranked first in the weekly Associated Press rankings, the first time in school history that the Gators held that lofty status. Florida finished with a second straight 9-1-1 season. The Gators were ranked 5th in the final AP ranking.

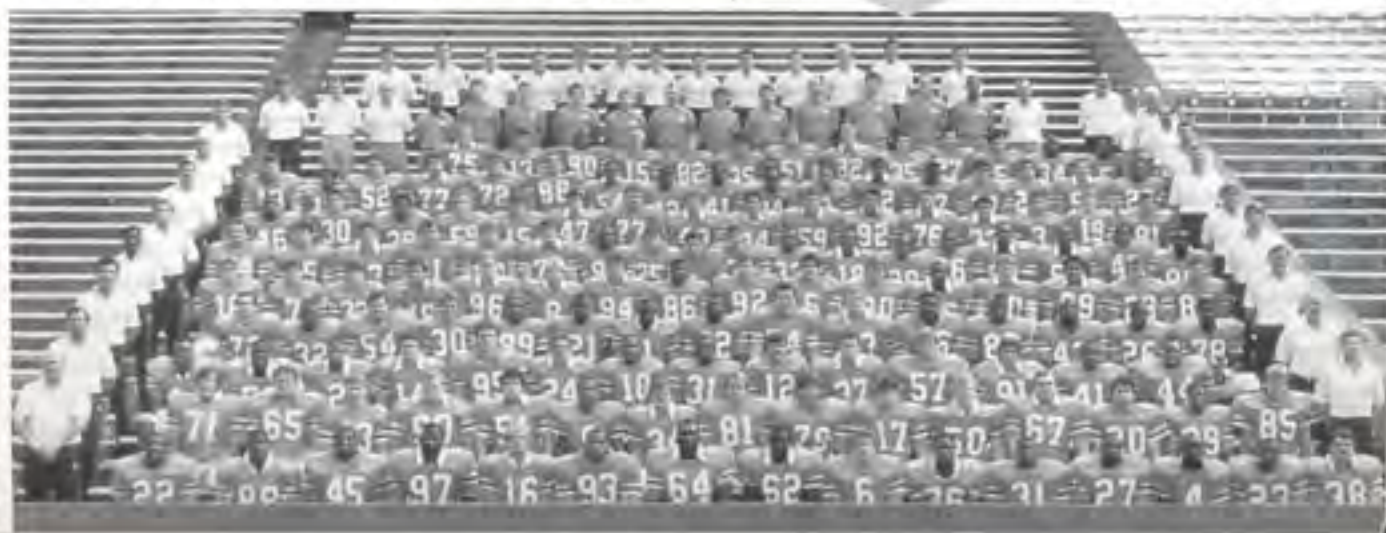

The period of 1983-85 ranked as the most successful in school history. During that time frame, Florida was the only school in the nation to finish in the top six in the final AP ranking in each of those respective seasons. Florida's 27-4-3 record during that time frame represented the second best winning percentage (.83.8%) in the nation.

The decade of the 1980s ended with three successive bowl appearances (1987 Aloha, 1988 All-American, 1989 Freedom). Overall, UF went to seven bowl games in the 1980's making it the most successful in that regard in school history. In addition, the Gators posted 76 wins during the 1980's, the most successful decade in school history.

The 1984 Gator squad posted an overall 9-1-1 record and was ranked fifth in the final AP poll. The *Sporting News* and the *New York Times* declared the squad national champions. Florida's 9-0-1 mark in SEC play marked the first time in school history that a Gator squad finished with the best record in SEC play.

The 1985 UF squad posted a 9-1-1 record and was ranked fifth in the final AP poll. Its 5-1-0 mark in SEC play tied for first in the league standings. After its 14-10 win at Auburn, it became the first squad in school history to be ranked number one in the nation in a wire service poll.

The 1990 team posted a 9-2 overall record and its 9-1 start was the best in school history. It finished with the best record in the SEC with a 6-1 mark, the first time in school history that a Gator team posted six conference wins in a season. It became the first UF team since 1928 to defeat both Alabama and Auburn in the same year and it posted the largest victory margins over Auburn and Georgia in school history.

The 1991 team was the first in school history to win ten games in a season and the first to win an outright SEC title, compiling a perfect 7-0 conference record. The squad posted a 10-2 overall record, played Notre Dame in the Sugar Bowl and finished the year ranked seventh in the nation. It was the first contingent in school history to defeat Auburn, Alabama, Georgia, Florida State and Tennessee in the same season.

The 1993 Gator contingent won the SEC title, won more games in a season (11) than any team in school history and was the school's first-ever Sugar Bowl champion. The squad won more SEC games (8) than any team in school history and completed the season ranked 5th in the final AP Poll and 4th in the USA Today/CNN Coaches Poll.

The 1994 squad posted a 10-2-1 record, finished the year ranked 7th in the final polls, won the SEC title with a 24-23 win over Alabama and defeated Georgia for a record fifth straight season. It sat atop the AP Poll in seven of the first nine weeks of the season.

Gary Darnell replaced Hall as interim head coach six games into the 1989 season. Hall completed his career (1984-89) with a 40-18-1 record. The top players of his reign were first-team All-America selections OLB Alonzo Johnson, OG Jeff Zimmerman, OLB Clifford Charlton, DB Louis Oliver, DB Jarvis Williams, DT Trace Armstrong, and RB Emmitt Smith. In addition, QB Kerwin Bell, FB John L. Williams, and RB Neal Anderson ranked among UF's all-time greats.

On the eve of the new decade of the 1990s (Dec. 31, 1989), Steve Spurrier, a man who had provided the University of Florida with so many fond memories as a player, was hired as the school's head coach.

Spurrier wasted little time in making a dramatic impact on the Gator program. His 1990 team started the year with a 9-1 record, the best start for a UF team in school history. The squad finished with a 9-2 record and in the process established 14 new school records. It's 6-1 conference record was the best in the SEC. Included in the nine wins were 4 land 31-point

victories over Auburn and Georgia respectively, then the largest as those two long-time rivals in school history.

The 1991 team was even better as it posted an overall 10-2 record, including a perfect 7-0 mark in SEC play to clinch Florida's first ever outright league title. The '91 team was the first in school history to win ten games in a season and closed the banner year with an appearance in the Sugar Bowl vs. Notre Dame. The squad won its last eight straight regular season games and completed the year ranked as the nation's seventh best squad.

The 1992 team started the season at 1-2 but bounced back to win seven straight games and claim a spot in the first-ever SEC Championship Game as the Eastern Division representative, where it lost a heart-breaking 28-21 decision to unbeaten and eventual national champion Alabama. The Gators closed out the '92 campaign with a 27-10 win over North Carolina State in the Gator Bowl giving it a 9-4 record and final AP national ranking of 10th. It marked just the second time in school

history that the Gators had won nine or more games in three consecutive seasons.

The 1993 unit won the SEC title, won more total games (11) and more SEC games (8) than any team in Gator history and won the school's first-ever Sugar Bowl championship. The '93 Gators posted a final 11-2 record and ended the year ranked 5th in the final AP Poll and 4th in the USA Today/CNN Coaches Poll, just the third time in school history that a UF team finished the year ranked among the nation's five best.

The 1994 unit posted a 10-2-1 record and finished the year ranked 7th in the final polls, a fourth straight year in the top ten. The Gators once again won the SEC title, their third in four years.

Since it began playing football in 1906, the Gators have had 41 first-team All-Americans, a Heisman Trophy winner in Steve Spurrier, 22 bowl teams, and numerous other regional and conference honors. All told, 95 different players have earned All-America honor. Twenty-two Gator players have been selected in the first round of the NFL Draft.

THE BIRTH OF A NICKNAME

Reprinted from *Florida Times-Union*, August 2, 1948

A Jacksonville lawyer christened the University of Florida's football team 41 years ago when he gave a pennant-designing firm in Charlottesville, Va., the suggestion of 'The Alligators.'

Austin Miller, who has practiced law here since shortly after his graduation from the University of Virginia in 1910, yesterday recalled the circumstances surrounding the choice of a name for Florida University's athletic teams. It happened in the fall of 1907, a year after the University

of Gainesville had folded its first team.

Miller, a native of Gainesville, was enrolled in the University of Virginia at the time and was visited by his father, Philip Miller, a Gainesville merchant. The elder Miller, who died nine years ago, then owned and operated a combination drug store and stationery store in Gainesville, a popular rendezvous for university students.

While in Charlottesville the father decided to order some pennants and banners for the University of Florida from the Michie Company, which was

engaged in the manufacture of such items. The Millers went to the firm, where they were shown samples of pennants which featured the Yale bulldog, the Princeton tiger and other school emblems. When the manager asked for Florida's emblem, the Millers realized the new school had none.

"Austin Miller said the name 'Alligators' occurred to him as a suitable emblem, both because the Michie manager said no other school had adopted it and because the alligator was native to this state. I had no idea it would stick, or even be popular with the student body," Miller said. "We wanted to get the Michie firm started on the pennants as quickly as possible, though, so they would be available in time for the opening of the 1908 school term."

"The Michie manager complicated the christening when he told young Miller he'd never seen an alligator and didn't believe he could design one. The law student volunteered to find a suitable picture of a 'gator. After much search, he said, he located a picture of one in the library of the University of Virginia."

"The first appearance of the alligator emblem, Miller recalled, was in his father's Gainesville store in 1908. The Michie firm had supplied Millers' with the blue banner measuring six by three feet, showing a large orange alligator, and also with several different types of smaller banners and pennants. Some of them showed the alligator lying down, some rampant, while others included only the alligator's head."

Became the first defensive back in school history to garner first-team All-America honors in two separate seasons. A consensus first-team All-SEC choice in 1987 and 1988. One of three finalists for the Thorpe Defensive Back of the Year Award

in 1988. Selected in first-round of 1989 NFL Draft by Miami. A starter for the Dolphins from 1990-1993. Cincinnati in 1994.

STEVE TANNEN: All-America in 1969. NFL first-round draft choice in 1970 who started at cornerback for the New York Jets from 1970-74 before retiring to become an actor and model.

ADRIAN WHITE: A first-team All-SEC and second-team All-America selection at strong-safety in 1986. Selected in second round of 1987 NFL Draft by the World Champion N.Y. Giants. Played for Giants until 1991 then with Green Bay in 1992 and New England in 1993.

WILL WHITE: A three-time first-team All-SEC choice (1990-92). A first-team All-America as a sophomore in 1990 when he ranked second in the nation in interceptions with eight. Completed his career in 1992 with 14 total interceptions, the top total in school history.

JARVIS WILLIAMS: A four-year starter who earned first-team All-SEC honors twice and was named first-team All-America (Walter Camp) in 1987. Started 45 consecutive games in secondary. Became a rookie starter in 1988 for Miami Dolphins after being selected in the second round of draft. Started for the Dolphins from 1988-1993. New York Giants in 1994.

Steve Tannen (left) was an NFL first-round draft selection of the NY Jets in 1970.

Jarvis Williams (right) a starter in 45 consecutive games in the SEC secondary, was a first-team All-America selection in 1987 and was named to NFL All-Rookie Team in 1988.

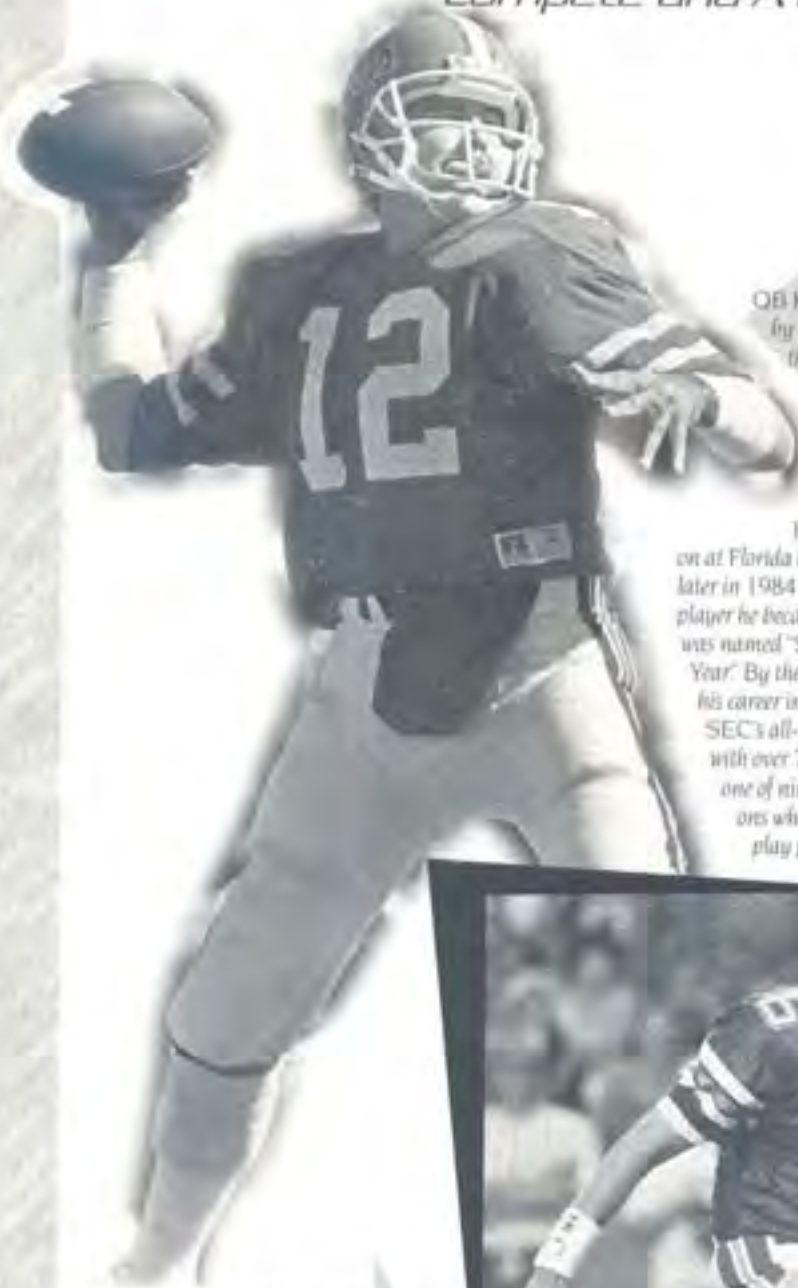

Louis Oliver, one of three finalist for the Thorpe Defensive Back of the Year Award in 1988, was Florida's first two-time All-America selection as a defensive back. The former walk-on was a first-round selection in the 1989 NFL Draft by Miami.

OVERCOMING THE ODDS

UF Walk-On Program Provides an Opportunity to Compete and A Chance to Fulfill A Dream

QB Kenwin Bell was told by major college coaches that he didn't have the skills to compete at that level. He felt they were wrong and wanted a chance to prove it.

He decided to walk-on at Florida in 1983. A year later in 1984 as a non-scholarship player he became a starter and was named "SEC Player of the Year." By the time he completed his career in 1987 he was the SEC's all-time leading passer with over 7,500 yards. He is one of nine former UF walk-ons who have gone on to play pro football.

For years the University of Florida football program has encouraged and fostered a walk-on program that gives many young men every year the opportunity to live their dream of playing major college football.

As these two pages show, the walk-ons have contributed greatly to the success of the Gator football program. Twenty-six members of the 1991 Southeastern Conference championship team were walk-ons. The walk-ons are treated in the same first-class manner with total respect as the rest of the squad.

Many former walk-ons have eventually earned scholarships, earned starting positions, gained All-SEC and All-America honors, and even eventually played pro football. None of those players would have lived their dream and reached their potential if the University of Florida hadn't extended the opportunity they were seeking. Their eventual success has become a cherished part of the Gator football tradition and heritage.

Walk-on Judd Davis was the 1993 recipient of the "Lou Groza National Place-Kicker of the Year Award." He was also a first-team UPI All-America selection that season. He completed his career in 1994 with 225 points, the top total in UF history.

The Gator walk-on program has indeed proved successful and beneficial to both the individual student-athletes and to the University of Florida football program. That is soundly demonstrated by the following facts:

- Nine former Gator walk-ons have gone on to play pro football: DB Hagood Clarke, DB Allen Trammell, DB Bruce Vaughan, LB James Hamrell, WR Lee McGriff, PK John James, PK David Posey, QB Kerwin Bell and DB Louis Oliver.
- Former walk-on Louis Oliver was selected in the first round of the 1989 NFL Draft by Miami.
- Former walk-on John James went on to earn All-Pro honors as a punter in the NFL.
- Former walk-on Kerwin Bell earned "SEC Player of the Year" honors in 1984 and completed his career in 1987 as the greatest statistical passer in SEC history.
- Former walk-on DB Louis Oliver earned first-team All-America honors in 1987 and 1988.
- When Bobby Raymond completed his career in 1984 the former walk-on's name appeared in the NCAA place-kicking records in five separate categories.
- Walk-on WR Gary Rolle was named Academic All-America and winner of the National Football Foundation Scholar-Athlete Award in 1984.

- Thirty-nine (39) Gator walk-ons have earned Academic All-SEC honors.
- Former walk-on Kerwin Bell became a prominent Heisman Trophy candidate in 1987.
- Former walk-on Louis Oliver was one of three finalists for the Thorpe Defensive Back of the Year Award in 1988.
- Former Walk-on Judd Davis was named the '93 recipient of the Lou Groza National Place-Kicker of the Year. He was also named a first-team All-America that season and completed his UF career in 1994 with 225 points, the top total in school history.
- The 1985 Gator team that finished 9-1-1 and fifth in the final national rankings had 18 prominent players that originally joined the program as walk-ons.
- Five former Gator walk-ons—WR Lee McGriff, DE Preston Kendrick, PK David Posey, QB Kerwin Bell, and DB Louis Oliver—have gone on to earn first-team All-SEC honors.

The facts above clearly point out that the walk-on program is an integral and valued aspect of the Gator football team. It has provided an opportunity for countless young men to prove that the evaluation and recruiting process is far from faultless. It allows a young man to mature physically, improve his football skills, and contribute to the success of University of Florida football.

Former walk-on Chris Dawkins (below) has caught 78 passes with 14 TDs during the last two seasons. He had 12 catches for 199 yards (totals that both ranked as second best for a game in UF history) vs. Mississippi State in 1993.

DB Louis Oliver (bottom left), had scholarship offers at some small colleges, but he had a dream of playing major college football. He came to Florida as a walk-on in 1984, earned a scholarship in 1985, became a starter in 1986, and then was named a first-team All-America in 1987 and 1988. He was one of three finalists for the Thorpe Defensive Back of the Year Award in 1988 and was a first-round selection in the 1989 NFL Draft.

ILB Pat Moorer (right), had several scholarship offers, but he had a dream of playing in the SEC. He joined the UF program as a walk-on in August of 1986. Three months later he had earned a starting position, the first true freshman to start a game for the Gator defense since 1981. He was awarded a scholarship in January of 1987. He led the nationally ranked Gator defense in tackles in 1988 and 1989.

FLORIDA NOTES ON THE FIRST ROUND OF THE NFL DRAFT

- Twenty-four Gator players have been selected in the opening round of the NFL Draft. Here is a breakdown of those selections by position: Running backs (8), Quarterbacks (2), Wide Receivers (2), Offensive Linemen (2), Defensive Linemen (5), Linebackers (3), Defensive Backs (2).
- Florida had at least one player selected in the first-round of the NFL Draft in each of the 1983-91 drafts, the only school in the nation to achieve that distinction over that nine-year period of time.
- Florida's streak of nine consecutive years (1983-91) in which it had at least one player selected in first-round of the draft is the longest consecutive streak for any school in the nation since the NFL Draft began in 1936.
- Florida had 13 of its players selected in the first-round of the NFL Draft from 1983-91, the top total in the nation for a school over the course of those nine drafts.
- Florida also led the nation with the most first-round selections in the eight year period 1984-91 (12), and the most in the seven year period 1985-91 (11).
- Since the NFL Draft began in 1936 a Florida player has been selected in

the first round 24 times covering 19 separate years, the sixth most number of years for a top pick in the draft in the nation.

- Florida was the only school in the nation to have three players selected in the first-round of the 1989 draft.
- Florida (1989), Pitt (1983), Southern Cal (1983), Wisconsin (1985), Iowa (1986), and Miami (1987) were the only schools to have had three players selected in the first-round of a draft during the decade of the 1980's.
- When Neal Anderson (Chicago) and John L. Williams (Seattle) were selected in the opening round of the 1986 NFL Draft, it represented the only time during the decade of the 1980's, and the first time since 1970, that two running backs from the same collegiate team were both selected in the first-round of the draft.
- In the 1995 NFL Draft DE Kevin Carter and DT Ellis Johnson were both selected in the opening round, only the second time in the NFL Draft since 1967 that one school had two defensive linemen selected in the first-round of the NFL Draft in the same year.

FLORIDA'S BOWL HISTORY

Florida's first bowl trip came after the 1952 season as the Gators headed to the Gator Bowl in Jacksonville to face Tulsa on January 1, 1953.

Powered by the running of Rick Casares and J. (Papa) Hall the Gators edged the Golden Hurricanes, 14-13, as Tulsa senior Tom Minor missed the first PAT attempt of his career. Gator All-America tackle Charlie LaPradd was the game's defensive hero.

Quarterback Jimmy Dunn and All-SEC end Dave Huchon led Florida back to the Gator Bowl in 1958 where they lost to Mississippi, 7-3. Ray Graves' first Florida team returned to the Jacksonville classic after the 1960 season and knocked off Baylor, 13-12, behind the running of Don Goodman and quarterback Larry Libertore.

One of the biggest upsets in Gator Bowl history took place in 1962 when heavily-favored Penn State was soundly beaten by the Gators, 17-7, led by quarterback Tom Shannon and a stout defense.

In 1966 Florida fell behind Missouri, 20-0, in the Sugar Bowl and rallied for 18 points in the final quarter behind quarterback Steve Spurrier. Each Gator touchdown was followed by a two-point conversion attempt and all of them failed.

Spurrier became the first player from the losing team to be named the game's most outstanding player in the history of the Sugar Bowl. He broke six bowl records in the contest.

The Gators got back on the winning track the following year in the Orange Bowl, beating Georgia Tech, 27-12, behind Heisman Trophy winner Spurrier. It was Bobby Dodd's final game as Tech's head coach and Florida made it an unhappy night for him. Larry Smith set a bowl record for running 94 yards for a touchdown for the Gators, almost losing his pants on the way.

In Ray Graves' final game as Florida's coach he watched his young team beat SEC champion Tennessee, 14-13, in the 1969 Gator Bowl. Florida's defense was superb with a blocked punt by Steve Tannen resulting in one TD and an interception setting up the other.

In 1973, the Tangerine Bowl was played in Gainesville due to construction at the Orlando stadium site. It was 27 degrees when the game started and Miami of Ohio loved every minute of it en route to a 16-7

upset. Florida nearly pulled a major upset next season, leading Nebraska 10-0 and scoring an apparent TD on a 26-yard run by Tony Green, only to have it ruled out-of-bounds. The Huskers came back in the Sugar Bowl to win 13-10. Florida's stars were All-America linebackers Ralph Ortega and Glenn Cameron, defensive end Preston Kendrick, the game's most outstanding defensive player, and running back Green.

The Gators returned to the Gator Bowl in 1975 and were soundly beaten in the rain by Maryland, 13-0. In 1977 powerful Texas A&M routed Florida, 37-14, in the Sun Bowl.

Charley Pell's first bowl team at Florida came in 1980 and the Gators played outstanding football in the Tangerine Bowl to whip Maryland, 35-20, behind All-America wide receiver Chris Collinsworth, the game's most valuable player. All-America David Galloway was the most outstanding defensive player of the contest.

In the cold of Atlanta, Ga. in the 1981 Peach Bowl the favored Gators were stunned by West Virginia, 26-6.

On New Year's Eve of 1982, the Gators took a 17-7 halftime lead against Arkansas in the Bluebonnet Bowl before losing 28-24. Wide receiver Dwayne Dixon was named Florida's MVP while catching three TD passes.

The 1983 squad, making its fourth consecutive bowl appearance under Pell, defeated Iowa 14-6. The win earned the

Gators a No. 6 final ranking (then the best finish in UF history).

The 1984 and 1985 teams, after posting 9-1-1 seasons, were unable to participate in bowl games due to NCAA sanctions.

Florida reentered the bowl scene on Christmas Day 1987 as they faced UCLA in the Aloha Bowl in Honolulu, Hawaii. The Gators, a big underdog, suffered a tough 20-16 setback in a game that literally went down to the final play when a Kerwin Bell pass fell incomplete in the endzone. Emmitt Smith named Florida's MVP in the bowl, completed his banner freshman season with 128 rushing yards on just 17 carries (7.5 ypc) against a UCLA squad that ranked fourth in the nation in defense against the rush in 1987.

Galen Hall captured his first bowl victory as a head coach in the 1988 All-American Bowl. Sophomore Emmitt Smith, the game's MVP, scored late in the fourth quarter to give Florida a 14-10 win over Illinois. Smith rushed for 159 yards on the night, the second top rushing total in a bowl game in UF history. OLB Huey Richardson led a fierce Gator defense that held the Illini to just 35 rushing yards and harassed QB Jeff George all night.

The Gators completed the decade of the 1980's with a 34-7 loss to Washington in the 1989 Freedom Bowl at Anaheim, Calif. The Freedom Bowl appearance marked the seventh bowl appearance for

Florida during the decade of the 1980's, making it the most successful decade for post-season play in school history.

The 1991 team capped a banner season with an appearance in the 1992 Sugar Bowl vs. Notre Dame. Despite registering 511 yards in total offense including a record 370 yards passing by Shane Matthews, the Gators suffered a 39-28 setback to the Irish in Steve Spurrier's first bowl game as UF coach. Notre Dame scored three TDs in the last five minutes of the game after Florida had moved ahead 22-7 early in the fourth quarter. A record 34 combined points were scored in the wild fourth period.

Ernst Rhett rushed for 182 yards, the third top total in Gator Bowl history and the second best total for a Florida player in a bowl game, to highlight an impressive 27-10 win over ACC runnerup North Carolina State in the 1992 Gator Bowl. UF's defense had a fine night as it held the Wolfpack to just 13 first downs and 267 yards in total offense while Shane Matthews closed out his brilliant career leading a Gator offense that registered 26 first downs, ran 88 plays, and totaled 445 yards in total offense. Rhett was named MVP of the game.

The 1993 team closed out the winningest season (11-2 record) in school history with an impressive 41-7 win over undefeated West Virginia in the Sugar Bowl. Ernst Rhett, who rushed for 105 yards and three TDs, was named the game's MVP. Willie Jackson had nine catches (second best bowl game total in UF history) for 131 yards and a TD, while Terry Dean completed 22 of 37 passes for 255 yards and a TD to highlight an offense that generated 30 first downs and 492 total yards. The defense held a Mountaineer team that averaged 36.5 points and 464 yards a game in total offense to just seven points and 265 total net yards. The 41-7 win was UF's first Sugar Bowl victory in four appearances and represented the school's first New Year's Day bowl win since a 27-12 win over Georgia Tech on Jan. 1, 1967 in the Orange Bowl.

Florida returned to the Sugar Bowl after the 1994 season where it met state rival Florida State just a month after the two teams had battled to a 31-31 tie. Danny Wuerffel threw for a Sugar Bowl record 394 yards (28 of 39 with 1 TD and 1 interception), but the Gators fell 23-17. UF registered 454 yards in offense (449 passing and 5 rushing) while FSU posted 401 yards (325 passing and 76 rushing) in a game that was played January 2, 1995 before a crowd of over 76,000 at the Louisiana Superdome.

FLORIDA FOCUS

- Ben Hill Griffin Stadium at Florida Field is the largest stadium in the state of Florida. Florida has averaged over 84,000 fans per home game in each of the past four seasons, a mark that has ranked among the nation's five best in each of the 1991, '92, '93 and '94 seasons.
- Florida's College of Architecture's M.E. Rinker, Sr. School of Building Construction is recognized by the Associated General Contractors Education and Research Foundation as the most outstanding program in the United States.
- All four departments of the College of Journalism and Communications have ranked in the top ten in national surveys during the last decade.
- The Gators have compiled a sparkling 29-2 at Ben Hill Griffin Stadium at Florida Field (a.k.a. "The Swamp") since 1990. UF is 17-1 vs. SEC foes at home this decade.

FLORIDA FOCUS

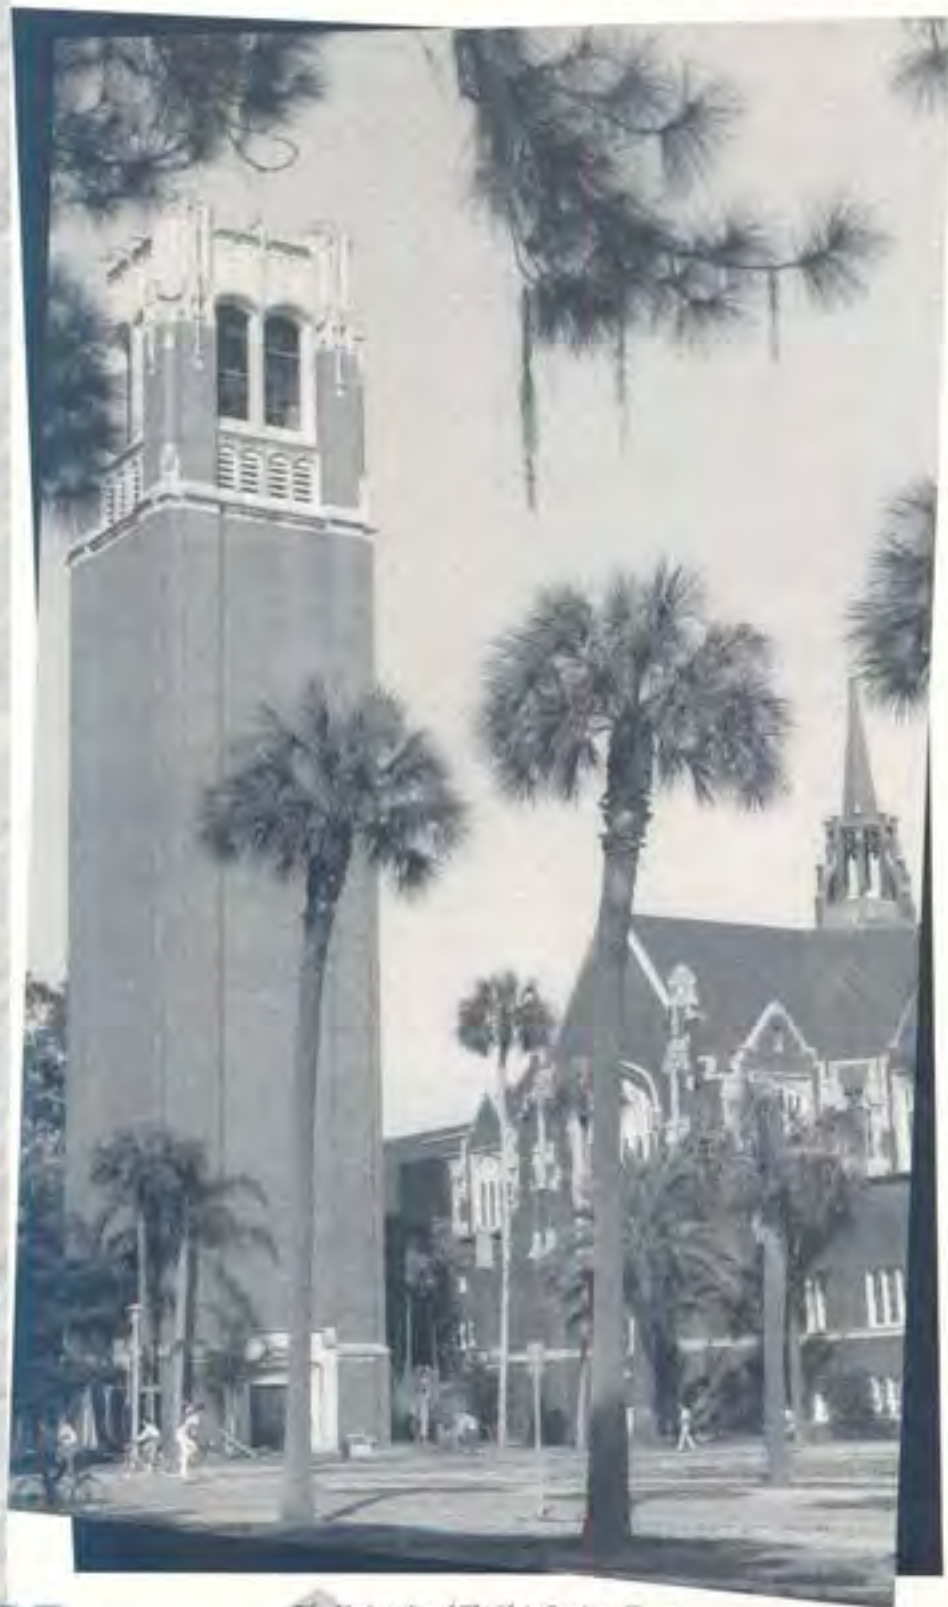

- Since the 1991-92 academic year 3.2 million fans have attended UF athletic events in Gainesville.
- UF ranks third among all U.S. universities in patents issued.
- UF offers more than 100 majors in 94 undergraduate degrees and it also offers 123 master's degree and 76 doctoral degree programs.
- UF houses the largest coastal engineering wave tank in the southeast.
- A total of 216 Florida student-athletes were named to the SEC Academic Honor Roll the past three academic years, the top three year total for that award in conference history.
- Prior to 1992 no school in SEC history had won the league's men's and women's all-sport trophies in the same year. UF became the first in 1992 and then repeated that rare feat in 1993.

The Nation's Elite Institutions Of Higher Education*

The University of Florida's Century Tower

Standing mid-campus, the University of Florida's Century Tower is a visible testament to the strength and enduring value of the institution. Built in 1953 as a memorial to University of Florida alumni who died in war, the tower received its "century" title because it was built 100 years after the founding of one of the university's parent institutions.

UF traces its beginnings to the takeover of the private Kingsbury Academy in Ocala by the state-funded East Florida Seminary in 1853. Later, the Seminary was consolidated with the state land-grant agricultural college, then in Lake City, to become the University of Florida. UF was established in Gainesville in 1906, with an initial enrollment of 102. Until 1947, the University of Florida was for men only and was one of only three state colleges.

A land-grant university with a distinguished record of developing Florida agriculture into a national leader through research and extension services, the University of Florida has become one of America's truly distinctive universities. Now expanded into virtually every academic discipline, the University of Florida, along with Ohio State and the University of Minnesota, offers more academic programs on a single campus than any of the nation's other universities public or private. More than 100 majors are offered in 94 undergraduate degree programs. The graduate school coor-

FLORIDA

dinates 123 masters and 76 doctoral programs in 87 of the university's 137 academic departments. Professional post-baccalaureate degrees are offered in law, dentistry, medicine, pharmacy and veterinary medicine.

The University of Florida is a member of the Association of American Universities (AAU), the most prestigious higher education organization in the nation. Comprised of the top 58 public and private universities in North America preeminent in graduate and professional teaching and research, the AAU invites only the best in higher education into its membership. UF joins its sister institutions in the South — Duke, North Carolina, Rice, Texas, Tulane, Virginia and Vanderbilt — as outstanding universities in the region. The University of Florida is also ranked among the nation's 51 leading research universities as categorized by the Carnegie Commission on Higher Education.

As a complete university with freshmen through post-doctoral programs, the University of Florida is able to offer many opportunities to its students. A student planning to continue in graduate or professional schools can study in libraries and laboratories equipped to prepare students for entrance into almost every known advanced degree program. Students can begin their research as early as they desire, even as freshmen, while studying alongside graduate and professional students.

University of Florida students, numbering more than 38,000, come from every county in the state, from every state in the union and from more than 100 foreign countries. Ninety percent of entering freshmen score above the national average on standardized college entrance exams. UF ranks in the top four among public colleges and universities in the nation in the number of freshmen National Merit Scholars attending and eighth

among all institutions in the number of National Merit Scholars attending.

Approximately one-third of the university's students are freshmen and sophomores and 43 percent are juniors and seniors. Approximately 18 percent of the student body are graduate students and six percent are in professional programs. More than 2,000 black students and more than 2,600 Hispanic students attend the University of Florida.

ASSOCIATION OF AMERICAN UNIVERSITIES

Comprising of the top 58 public and private universities in North America preeminent in graduate and professional teaching and research, the AAU invites only the best in higher education into its membership. With its admittance, UF joins its sister institutions of the South—Duke, North Carolina, Rice, Texas, Tulane, Virginia and Vanderbilt—as the outstanding universities in the region.

A distinguished faculty numbering 4,000 has been assembled from major universities throughout the world to provide instruction and counseling to University of Florida students. Last year more than 1,800 UF faculty members were grant awardees and 70 percent of the faculty's grant proposals were successful with more than \$230 million in research and training grants acquired. More than 20 faculty members have been selected to the National Academies of Science and/or Engineering, the Institute of Medicine or a counterpart in a foreign nation.

A very small sampling of honored faculty members includes a Nobel laureate, Pulitzer Prize winners, the co-inventor of the jet engine, pioneer in and writer of the leading textbook on econometrics, winner of the National Science Teachers Association's top award for leadership, three winners of NASA's top award for research, one of the four charter members of the Solar Hall of Fame, winner of the Smithsonian Institution's award for conservation, first winner of the Audubon Society's Polymer Scientist of the Year award, an art faculty with 80 percent of its members in Who's Who in Art, winner of the Academy of Pharmaceutical Science Achievement Award for advancement of industrial pharmacy, the inventor of Gatorade, winner of the first Kyoto Prize, and the inventor of Bioglas. The nation's five-millionth patent was awarded to a UF researcher in 1991. Plus, of the 1,000 most-quoted scientists in the world, five are on the University of Florida faculty.

In summary, the University of Florida — the state's largest and oldest — is a residential campus, with rich resources available because of its size, but providing a learning and living environment for the whole person. It is an institution that puts the interest of the individual student above all.

THIS IS THE UNIVERSITY OF FLORIDA...

- The University of Florida is among the nation's 10 largest universities and is the largest in the Southeast.
- The University of Florida is one of only 58 members of the Association of American Universities – the most prestigious organization of higher education in North America.
- The University of Florida ranks 14th among AAU public universities in the number of doctoral degrees awarded annually.
- The University of Florida ranks second nationally among public institutions in enrolling National Achievement Scholars; outstanding minority students who score well on the SAT.
- The University of Florida ranks fourth among public institutions and eighth among all institutions and eighth among all institutions in the number of new National Merit Scholars enrolled in 1994.
- University of Florida faculty attracted more than \$230 million in research grants in fiscal year 1994.
- The University of Florida ranks third (behind the Massachusetts Institute of Technology and the University of Wisconsin) among all U.S. universities in patents issued, and among the top 10 in revenue from royalties and licensing.
- With more than \$5.6 millions in royalties from 46 licensing agreements, the University of Florida ranks ninth among all universities, according to the Association of University Technology Managers. The ranking puts the University of Florida between MIT at number eight and Harvard at 10.
- Between \$2 million and \$3 million of the University of Florida's royalty income comes from Gatorade revenue.
- In a national competition sponsored by the Department of Defense, the University of Florida was the only university to receive an \$18 million grant to establish the Brain Institute.
- The National Science Foundation in 1990 moved its National High Magnetic Field Laboratory from the Massachusetts Institute of Technology to Florida, where the University of Florida (which

THE UNIVERSITY OF FLORIDA'S INSTITUTE OF BLACK CULTURE

In the presentation of lectures, seminars, forums and discussion groups, the University of Florida's Institute of Black Culture assists in the cooperative venture of educating students about the history and cultures of Black peoples the world over.

Programs involve students in planned activities and encourage them to engage in creative projects including Black drama, theatre, music and visual arts. In addition, there are lectures and symposiums relating to the Black experience throughout the world, a research library and reading room and the Black Floridian Hall of Fame.

UF's Institute of Black Culture is proud of its flexibility in meeting the needs of students and citizens from the community who take part in activities and programs of the Institute.

The plaque one sees upon entering the center reads:

"Here is Recorded the Entire Experience of People of African Descent, Historical and Contemporary. The world needs to know of what mettle these people are built."

—W.H. Croghan (1901)

The University of Florida was featured in Erlene Wilson's book, "The 100 Best Colleges for African-American Students." Wilson gave accolades to UF's black faculty, as well as its variety of degree programs, financial aid programs and social activities.

PRESIDENT LOMBARDI

Historian, teacher, administrator, and author, Dr. John Lombardi became the ninth president of the University of Florida in March 1990.

Born in Los Angeles on August 19, 1942, Lombardi comes from an education family. His mother worked as a college librarian and his father, a pioneer in the California community college movement, was president of Los Angeles City College. Lombardi earned his bachelor's degree from Pomona College and his master's and doctoral degrees from Columbia University. He also attended Universidad Nacional Autónoma de México and the University of California at Los Angeles.

Lombardi came to the University of Florida from Johns Hopkins University, where he had been provost and vice president for academic affairs since 1987. From 1967 until 1987, he pursued an academic career at Indiana University at the Southeast campus for a year and then in the history department of the Bloomington campus, where he became a professor in 1977. Lombardi held various administrative posts at Indiana University including director of Latin American Studies, dean of International Programs and dean of Arts and Sciences. He also served as a member of the board for Indiana University on the Mid-West Universities Consortium for International Activities (MUCIA), as director of the MUCIA Cooperative Program in Malaysia, and as the American director of a Foreign Area Fellowship Program cooperative project in Venezuela. Lombardi also taught at the Universidad Central de Venezuela.

A long-term interest in international education involved him in committees and task forces related to international studies for the Association of American Universities and the National Association of State Universities and

Land Grant Colleges. A past president of the Conference on Latin American History of the American Historical Association, Lombardi serves on the advisory board of the National Foreign Language Center. The Venezuelan Academia Nacional de la Historia elected him a corresponding member for the United States, and he serves as a member of the Pan American Institute of Geography and History. His international studies interest also led to a chairmanship of an evaluation team on international and interdisciplinary programs for the Board of Regents of the Florida State University System.

Elected a senior associate member of St. Antony's College, Oxford, Lombardi has received a variety of fellowships and grants including a Fulbright-Hays research fellowship, a National Distinguished Foreign Language fellowship, and grants from Foundation Simon Bolívar and Fundación

Civile in Venezuela. He has also received grants from the Social Science Research Council, the Tinker Foundation, the Conference on Latin American History, and MUCIA.

A specialist in Latin American history, Lombardi is the author of seven books focused mostly on Venezuela. His wife, Cathryn Lee Lombardi, co-authored one of his books and illustrated two others. Lombardi has contributed many scholarly articles, papers, reviews, and teaching materials to journals and conferences. In addition to history, he has taught courses in international business and participated in several executive programs as an instructor or lecturer. Considered an expert on small computers, Lombardi has served on many committees and task forces related to computer use, training, and product evaluation. He has reviewed software and hardware for numerous computer publications. For about two years, Lombardi and a friend were persuaded by their enthusiasm for automobiles to operate Farmer's Garage in Indiana, a specialty shop for older model cars.

John and Cathryn Lombardi have two children, John and Maryann. John graduated from Indiana University and recently received a master's degree in political science from the University of Florida. Maryann is a graduate of the University of Michigan.

JEREMY N. FOLEY

Director of Athletics

Jeremy N. Foley, who has handled virtually every aspect of the University of Florida's \$30 million athletic program during his athletic administrative career—which began with an internship in the Gator Ticket Office in 1976—was named UF's Director of Athletics in March of 1992.

A man with great leadership, vision and experience, Foley, 42, brings a die-hard dedication, never-ending enthusiasm and hands-on approach to the top athletic post at the University of Florida. Foley's philosophy involves the continued building of a comprehensive athletic program with the goal of having the overall UF program ranked as the top athletic program in the nation.

Says Foley, who has served as UF's Senior Associate Athletic Director since 1987, "We have an outstanding academic institution and fantastic coaches, student-athletes, administrators, facilities and fans. With hard work, patience and a commitment to excellence and integrity, we will achieve the success this University deserves."

Thanks in great part to a tireless effort by Foley, Florida has consistently ranked among the nation's 10 best total athletic programs.

As chief financial officer for the University Athletic Association (UAA), Foley helped make Gator athletics profitable, eliminating a three-quarters of a million dollar debt. He has been the driving force and directly responsible for more than \$40 million in capital improvements as well, including two major expansions of the football stadium, a multipurpose athletic field-house and new tennis, track & field and soccer, baseball, golf and swimming facilities. Foley has also played a role in a new \$18 million academic advising center on the University of Florida campus which will serve UF students and Gator student-athletes.

Also in an era when the NCAA estimates 70 percent of Division I schools are losing money on intercollegiate athletics, the University of Florida Athletic Association has contributed \$9.4 million since 1988 to help fund University of Florida academic endeavors.

Florida has been equally successful on the field of play and in the classroom during Foley's administrative tenure.

The Florida athletic program has ranked among the nation's 10 best in each of the last 11 years, according to national all-sport rankings (1983-84-1993-94).

On the national level in 1994-95, UF had another stellar year as Florida had six teams finish among the nation's Top 10 in their respective sport. In addition, according to an annual survey of 106 of the nation's Division I-A Athletic Directors, Florida's men's athletic program was selected as the nation's best for 1994, while the women's program ranked ninth in the country.

In Southeastern Conference action, Florida won five championships in 1994-95, raising its total to 75 league titles since 1980—the top total in the SEC over that span. UF's across-the-board excellence is further demonstrated in the fact that Florida's combined men's and women's athletic program has ranked best in the SEC in seven of the last eight years. Florida was the first school in SEC history to capture both the men's and women's SEC All-Sport Trophies in 1991-92, while repeating the feat in 1992-93.

Jeremy N. Foley
Director of Athletics

UF's commitment in the classroom is equally impressive. The Gators had 71 student-athletes honored for being named to the Southeastern Conference Academic Honor Roll in 1993-94 and 71 more student-athletes honored in 1994-95. It was the seventh consecutive year more than 30 UF student-athletes were honored for academic achievement. In addition, Florida's 216 Academic All-SEC honorees over the last three years is the best three-year total in UF and SEC history. Since 1980, Florida's 188 634 student-athletes named to the SEC Academic Honor Roll, the highest total for any SEC school over the span as well.

The Gator athletic coaching family, which Foley has a large part in assembling, has collected 20 SEC Coach-of-the-Year awards the last four years. In addition, in 1991-92, UF became just the third school in the SEC history to have both the basketball (Lon Kruger) and the football (Steve Spurrier) coach named as league Coach of the Year in the same academic year. Gator mentors Kruger and Spurrier joined Bear Bryant and O.M. Newton (Alabama, 1974-75) and Pat Dye and Sonny Smith (Auburn, 1983-84 and 1987-88) in that exclusive club.

Gator student-athletes, coaches and administrators have also been a fixture in the community, taking part in a variety of community-related endeavors. In fact, Florida was recently honored with a White House commendation for volunteerism.

Foley's reputation as one of the nation's top athletic directors was further enhanced in August of 1994, as he was named to the NCAA Council—arguably the most powerful and prestigious committee within the NCAA.

Born in Washington, D.C., but calls New London, N.H., home, Foley received his undergraduate degree in 1974 from Hobart College in Geneva, N.Y., where he also coached and scouted for the tradition-rich lacrosse program following graduation. He went on to earn his Master's Degree in Sports Administration from Ohio University in 1976 and then joined the Gator athletic program as an intern in the ticket office.

After serving his six-month internship, he was hired by then—A.D. Ray Graves to take over as Ticket Manager, where he served from February 1977 to March of 1979. In March of '79, then—Athletic Director Bill Carr added the position of Director of Game Operations to Foley's ticket supervision responsibility.

As the game management coordinator, he was responsible for scheduling UF facilities, while also supervising all maintenance functions and directing UF's athletic staff during Gator athletic events.

In May of 1980, he was promoted to Assistant Athletic Director, where he was responsible for the supervision of all aspects of Florida's baseball, golf, swimming, tennis and track & field programs. In June of 81, Foley was again promoted, this time to Associate A.D. for Business Affairs, where he began his duties as UF's chief financial officer. Here, he assumed the long-range financial planning for the UAA, while also supervising budget planning, analysis and control.

From September of 1986 to January of 1987, he served as Interim Athletic Director. When Bill Amisberger was named A.D. in January of 1987, Foley took on the responsibility of Senior Associate A.D., where he was second-in-command and responsible for the supervision of the entire athletic department in the athletic director's absence, while assisting in planning and leadership of the entire intercollegiate athletic program. Foley also assisted in coordinating the efforts of the Athletic Board of Directors, while working in the areas of future scheduling in both football and basketball. He also served as the tournament director for various SEC and NCAA championship events.

Foley's appointment to Athletic Director in March of '92 was greeted with great enthusiasm among Gator faithful and the UF athletic family alike.

Says head football coach Steve Spurrier, "I have a lot of respect for Jeremy Foley and the excellent job he is doing as our athletic director. He is bright, energetic and supportive of the coaches and athletes."

Adidas head basketball coach Lon Kruger believes Foley's leadership provides long-term perspective and stability for the program. He is aware of what is required today by coaches and student-athletes to be successful at the national level. His interest and support is very much appreciated by everyone in the athletic department.

Successful women's volleyball coach Mary Whitely says, "The position of athletic director today requires one to wear many different hats. Because of Jeremy's background, he brings expertise in many different areas to the athletic director's position at the University of Florida. The support we receive starts with the administration and Jeremy provides support for all of the programs on a daily basis."

And head women's basketball coach Carol Ross, "Jeremy's attention to detail, ability to solve problems and interaction with coaches and student-athletes provides the athletic department with transcendent leadership. Under Jeremy's guidance, athletic teams at the University of Florida will undoubtedly reach new heights."

There is a continuing line of leadership in the Foley family, as his younger brother, James, commenced his career during Desert Storm and won two silver stars in Foley's UAA office, an orange Gator sweatshirt which was worn by his brother at the battle of the Kuwait International Airport, is encased in glass.

An avid sports and Boston Red Sox fan, Foley ran the Boston Marathon in a 3:39:51 clip in April of 1995.

He married the former Molly McCaughy in October of 1990.

THE OFFICE OF STUDENT LIFE

In each of the last seven years, Florida has had more than 50 student-athletes named to the Southeastern Conference's Academic Honor Roll and since 1980-81, the University of Florida has had 654 Academic All-SEC selections, the most in the SEC and a credit to DSL's Commitment to academic excellence.

Recognizing student-athletes face unique pressures, the University of Florida Athletic Department instituted The Office of Student Life in 1979.

This award-winning program of personalized, professional guidance in numerous areas on a day-to-day basis has become a leader in student-athlete services, while also demonstrating UF's commitment to the "total development" of its student-athletes.

The commitment has paid some impressive dividends:

- Over the last three years, Florida has had 216 selections to the Southeastern Conference's Academic Honor Roll – the best three-year total in UF and SEC history. In each of the last seven years, Florida has had at least 50 student-athletes receive conference academic accolades and since 1980-81 654 Gator student-athletes have been named Academic All-SEC.
- The Gator football team set a school and SEC single-season record with 19 players named to the SEC's Academic Honor Roll in 1994. Since 1991, UF has had 54 Academic All-SEC selections, the best four-year total in UF history.
- Over the last four years, the University of Florida is the only school in the nation to rank in the Top 10 of the final Associated Press Poll, while also being a member of the Association of American Universities – the most prestigious organization of higher education in North America.
- The University of Florida was one of 16 schools nationally recognized for a football graduation rate of 70 percent or better, according to the College Football Association survey which was released in April of 1992. Thirteen of 16 Gator freshmen – 81 percent – who enrolled for the 1986-87 academic year received their degrees within five years.

■ Gator football players have been the recipients of several national academic awards over the past years. Last year alone, Michael Gilmore was named to the GTE Academic All-American team, College Football Association (CFA) Scholar-Athlete squad, while also being a National Football Foundation Student-Athlete Award recipient. Also in 1994, Terry Dean was named to the CFA's Scholar-Athlete squad, while Kevin Carter and Lawrence Wright were named to the CFA's "Goodworks Team", which highlights student-athletes highly involved in the community. In addition, Aubrey Hill was granted a Hitachi "Promise of Tomorrow" Scholarship.

Achieving this type of success begins early. From aiding the transition from high school to college as a freshman, to choosing a major as a sophomore, through the career advisement period as a junior, until actual career job placement as a senior, the Office of Student Life is dedicated to the

personal growth and academic development of the student-athlete.

Says Associate Athletic Director for Academic Affairs Dr. Keith Carodine, "We feel it is necessary to develop programs and services for our student-athletes which will help them move from a state of dependence to independence and finally to the highest form of maturity, interdependence."

Adds Assistant Athletic Director for Student Services Tom Williams, "It is our responsibility to provide support for our student-athletes to develop them into well-rounded and well-educated people. Our focus is not just on academics, but on the total development of our student-athletes. Ultimately, everything we do assists the student-athlete to achieve academic and athletic excellence, and graduate from the University of Florida fully prepared to pursue a successful and rewarding career. Basically our program is helping a lot of young people and that's the bottom line."

Michael Gilmore, who was the Gator of Florida's first winner for the Rhodes Scholarship in 1993, received several academic honors last year. In 1994, Gilmore was a GTE Academic All-American selection, named to the College Football Association's Scholar-Athlete Team, while also earning a National Football Foundation Scholar-Athlete award. In addition, he was named to the SEC's Academic Honor Roll.

Keron Carter and Lawrence Wright were both named to the 1994 College Football Association's "Growthmen Team" for their efforts in the community. In fact, Florida's "Growthmen Caucus," which is sponsored out of the Office of Student Life, received a White House commendation for volunteerism.

Tracy Goss joined teammate Michael Gilmore on the College Football Association's Scholar-Athlete Team. Florida was one of four schools in the nation to have two players on that squad in 1994.

Aubrey Hill was recently honored with a HAAH "Promise of Tomorrow" scholarship.

Ernest L. Smith (above) received a 1994 two-part off-season to complete work on his J.D. degree. He and NFL players Ernest Robert and Del Egar.

NCAA SELECTS FLORIDA AS PILOT PROGRAM

The University of Florida's Office of Student Life has been selected as one of fifty programs in the country to participate in the NCAA Life Skills Program. The mission of the NCAA Life Skills program is to provide a systematic personal development program designed to reach each student-athlete based on his or her individual needs. The focus of the program is on the individual as a whole person academically, athletically and emotionally — and on the changing needs and skills of that individual in the years during college and after graduation.

In addition to being selected to the NCAA Life Skills Program, UF's OSL program was also awarded Honorable Mention accolades by Athletic Management Magazine for its achievement in the area of student-athletes services.

STATE-OF-THE-ART ACADEMIC SUPPORT CENTER SET TO OPEN

Farrion Hall, a state-of-the-art academic support center, will be operational beginning with the 1995-96 academic year. The three-story, 31,823 square foot building located one block east of Ben Hill Griffin Stadium, will house the University of Florida's Advising Center and the Office of Student Life. The \$3.6 million facility, financed by a gift from the Farrion Family and matching funds from the State of Florida Board of Regents, will feature staff offices, 15 tutorial rooms, two video rooms, two computer labs and a study area.

PROFESSIONAL SPORTS COUNSELING PANEL

The University of Florida has a Professional Sports Counseling Panel which assists Gator student-athletes in evaluating professional potential, while also providing assistance in selecting professional representation and preparing student-athletes for a professional career in sports. The panel, which is endorsed by the NCAA, is made up of three University president-appointed members. Florida's panel has been selected as a model panel for other universities to follow.

GOODWILL GATORS

University of Florida student athletes have become a fixture in the Gainesville community and beyond, donating their time and efforts into a number of community-related endeavors. UF's Goodwill Gators program was recently nationally recognized with a White House commendation for volunteerism, while also being honored by Athletic Management magazine. Gator student-athlete have:

- Participated in Alachua County's Red Ribbon Campaign, a week-long program aimed at promoting a drug-free environment
- Participated in Reading Is Fundamental (RIF) program in Gainesville, a national head-start reading program for youngsters
- Participated in Shands Hospital tennis Pro-Am to benefit The Children's Miracle Network
- Made hospital visits to Shands Hospital Pediatric Unit and North Florida Regional Medical Center, along with a variety of other hospitals and rehabilitation centers
- Visited the local VA hospital in conjunction with National Salute to Hospitalized Veterans Week
- Held blood drives for Civitan Regional Blood Center in Gainesville
- Assisted with Gator Invitational Sports Ability Games, a statewide track meet for the physically impaired
- Helped in working with physically impaired children at Howard Bishop Middle School
- Assisted in the Special Olympics
- Tutored elementary students and served as guest speakers at several area elementary schools... Also held "Gator Day in Alachua County", a special annual event where Gator student-athletes visited each middle school in Alachua County during one day
- Also involved in "Adopt A School" program in conjunction with the Alachua County School Board of Education
- Served as guest readers to promote literacy during Alachua County Library's "Night of a Thousand Stars" and at various area schools in conjunction with the "Million Minutes of Reading" program
- Participated in a local radio station's canned food drive to collect food for the disadvantaged in North Central Florida
- Participated in a wheel chair basketball game as part of People Awareness Week and participated in a "Beepball" softball Tournament as part of Disability Awareness Week

PHYSICAL DEVELOPMENT & HEALTH CARE

UF Offers Paramount Personal Care By A Renowned Physical Training and Sports Medicine Staff

SPEED/STRENGTH CONDITIONING PROGRAM

The University of Florida Speed/Strength and Conditioning program is designed to accommodate the individual needs of every Gator athlete in all 18 sports.

Director of Strength and Conditioning Coach Jerry Schmidt has developed a system in which each individual athlete has a workout program structured to meet specific needs. The emphasis on individuality helps maximize their bodies' potential.

Schmidt and assistants Rob Glass, Pat Moore, Randy Poppo, Tim Rodriguez and student assistant John Grieco enable the University of Florida to provide individualized attention to each athlete's training. As freshman athletes are testing in various areas to determine their bodies' physical condition. After these tests are completed, the athlete receives a personal program geared to take the athlete to a higher athletic level. The coaches are then able to monitor each individual's progress by both individual supervision and computer technology.

Though the Ben Hill Griffin Training Complex has the facilities to hold approximately 150 athletes at one time, Schmidt and his staff like to limit the number to 70 so they are able to personally oversee everyone's workouts. In addition to this supervision, each athlete's workout is recorded on a custom-designed IBM software system. This allows the staff to send workout cards to those athletes who are living at home for the summer.

Despite its emphasis on individuality, every athlete's program encompasses the same five categories: strength development, speed development, conditioning, flexibility and nutrition education. Each area is essential in determining an athlete's complete athleticism.

Most of the work in these areas takes place in the off-season conditioning program which are made up of four days of weight training, two days of speed development and two days of sport specific drills and conditioning. The progress that is made over this period of time is not only maintained during the season, but is also enhanced during this time as the Gator athletes are always improving their athletic status.

The Gator off-season strength development comes from the 50,000 pounds of custom made High Tech equipment in the Ben Hill Griffin Training Complex which consists of approximately 90 % free weights and 10 % selectorized machines. State of the art training techniques coupled with the computer technology give all Gator athletes a definite advantage in the arena of competition. The computer capabilities give the strength staff the ability to track every athlete's progress and plot the next step for maximizing the athletes' potential. Prior to strength training on Monday, Wednesday and Friday the athlete will go through a series of speed development drills which are very similar to track practice. This is the most important part of the off-season program because speed is difficult to gain.

The football team, for example, spends the first month of the spring semester working solely on speed training and position specific movements. This training consists of joint movements, relative and absolute speed

training and plyometrics jump training. The catalyst behind this type of training is to improve the different segments of sprinting when all placed together will enhance the athlete's overall speed.

On Tuesday and Thursday of the off-season training sessions, athletes go through 45 minutes of conditioning after their weight lifting workout. The conditioning drills are done on both a group and individual basis. The specific drills that are done vary by team, because each sport places different demands on the body and requires different changes of direction.

The last two aspects of the overall program flexibility and nutrition education are year round activities. Perhaps the most visible aspect of the flexibility program is the football team's pregame stretching. However, that is only a small part of it. Every Gator athlete has both pre-practice and post-practice stretching routines which help to improve his or her range of motion, prevent injuries, increase agility and provide an overall increase in power and strength.

The most important part of nutrition education is getting the athletes to make the best choice when eating in the dining halls. Usually this means avoiding foods with high fat content, because Schmidt and his staff want to keep the athlete's body fat percentage low. However, the athlete must also eat high carbohydrate foods which are the most efficient fuel sources.

Keeping all of this in mind, you can now see why Schmidt and his staff feel they provide the finest speed/strength and conditioning program in the country. With the knowledge and readily available resources, male and female Gator athletes reach their fullest potential during their college experience.

HEALTH CARE

A commitment to total care is present in every facet of Florida's approach with its student athletes. The very best equipment, staffing and facilities are present to insure that a student-athlete is cared for in the ultimate manner.

Florida's health care team focuses on prevention, precaution, treatment and rehabilitation. Equipment, training physician, physical therapist, massage therapist and strength and conditioning staffs are jointly committed to health care and prevention.

Assistant Athletic Director for Sports Health Chris Petrick, Director of Athletic Equipment Bud Fernandez, Coordinator of Athlete Training Jackie Forte, Football Trainer Mike Wask, Football Equipment Manager Tim Sani, Massage Therapist Marty Folino, Strength and Conditioning Coach Jerry Schmidt, Physical Therapist Marty Hulse, Registered Dietician Kathy Parker, plus a highly-regarded athletic training team and a host of physicians headed by Dr. Pete Indelicato and Dr. Richard Shamus are considered national leaders in their respective areas. Combined with state-of-the-art facilities and

equipment, they give Florida one of the nation's premier health care teams.

"Working together is the key," says Assistant Athletic Director for Sports Health Chris Petrick, who was inducted into the National Athletic Trainers Association Hall of Fame in 1985. "Everything from the equipment issued to our players to their strength and conditioning programs has a bearing on the athlete. It all must work together and it does at Florida. We have to provide the best care possible. Our goal has always been to provide care for our people as opposed to taking care of them. Our job is made easier with the outstanding support groups and the facilities we have. We strongly feel that the University of Florida cannot be outdone in the area of total health and preventive care."

It is Florida's health care staff's responsibility to care for and provide prevention and rehabilitation of injuries for each Gator athlete. And that job is done in one of the finest facilities in the country—the 76,200 square foot Ben Hill Griffin Athletic Training Center located in the South End Zone. The impressive facilities at the University of Florida also includes one of the finest teaching hospitals in the country—Shands/VAMC Medical Center—located on the UF campus. Recognized as a leader in the field of sports medicine, the Shands staff, headed by Dr. Pete Indelicato, provides quality accurate evaluations and expert treatment for injuries.

"We have a tremendous amount of resources at our disposal at the University of Florida," says Dr. Indelicato. "We can very quickly determine the degree of injury, treat it, start the rehabilitation and get the athlete back on the road to full recovery."

"We're very sensitive to preventing injuries," adds Petrick. "We make sure the best equipment is on our players and that the equipment is cared for daily. Everyone is dedicated to prevention. We recognize a sport like football is prone to injuries, but with our prevention program we are able to minimize the amount of time the player is away from the field. If there's an injury, we see that the Florida athlete receives the finest care in the country."

The job is made easier and more efficient by Florida's sports medicine computerized program. This allows the staff to keep up-to-date records and accurate data in the rehabilitation of injuries.

BEN HILL GRIFFIN STADIUM AT FLORIDA FIELD

Ben Hill Griffin Stadium at Florida Field – the site of the largest football crowd (collegiate or professional) in state of Florida history (85,604 Oct. 29, 1994 vs. Georgia) – has moved into the national spotlight in recent years as one of college football's best stadiums. From a player and fan standpoint.

The 1995 season marks the 86th year that Florida Field is the home of the Gators. Prior to the 1989 season, Florida Field took on the expanded name of Ben Hill Griffin Stadium at Florida Field in honor of Ben Hill Griffin, Jr., a life-long Gator supporter and fan who had been extremely benevolent and generous to several sectors at the University of Florida prior to his passing in March of 1990. Florida Field was originally dedicated on Nov. 8, 1930 when Florida met Alabama. Over the years, Florida Field has become a standing remembrance to all Floridians who have died in military service to our nation.

With the crowning jewel of Florida Field – the north endzone expansion project – completed just prior to the 1991 season, capacity now stands at 83,000, making Florida Field one of the eight largest on campus stadiums in the nation. With the addition of the 10,000 seats in 1981, Florida Field has been the site of the 20 largest crowds (collegiate, professional, bowl and Super Bowl games) in state of Florida history.

The addition, which transformed Florida Field from a horseshoe to a bowl, cost \$17 million and involved no state funding. The structure added 18 skyboxes to the stadium, which now has 46 skyboxes. Also, the structure has 2,000 club-level

seats, 1,300 covered chairback seats, 5,000 upper-level chairbacks, concession stands and a gift shop. The structure is also home to Gator Boosters, Inc., which funds men's and women's athletic scholarships and capital improvement projects.

In August of 1982, the south endzone project was completed and raised the seating capacity of Ben Hill Griffin Stadium at Florida Field to more than 72,000 and gave the Gator football program one of the nation's top collegiate stadiums. Since that time, Florida has ranked in the top 15 nationally in attendance for 13 consecutive years.

The 18,000 seats with the 1982 expansion and the addition of a complete athletic training center located beneath the stands in the south endzone, were in part of a master plan to develop athletic facilities at Florida that are second to none. The Ben Hill Griffin, Jr. Athletic Training Center, the luxury skyboxes and a spacious and highly-functional press box combined to make Florida Field the premier stadium in the state of Florida.

The original stadium, constructed in 1930, consisted of the lower half of the current stadium. Seating capacity was 21,768. The entire stadium was constructed below ground in 1950, over 11,000 seats were added on the west side and another 7,000 were provided by bleachers on the east side. The addition brought seating capacity to 40,116. Additional bleacher seats were added during the 1950s, bringing capacity to 46,164 by 1960. In December of 1965, construction started again on further additions that added over 10,000 permanent seats on the east side and temporary bleachers moved from the east side to the south endzone, providing a total capacity of 62,800 (56,164 permanent seats). The south endzone expansion in '82 enclosed the south end of the stadium and brought the capacity to 72,000. The north endzone transformed the horseshoe into a bowl and raised capacity to 83,000.

Also new for the 1990 season was the all-natural grass playing surface which was installed during the summer shortly after the arrival of head football coach Steve Spurrier. The natural grass surface replaced an artificial surface which had been in place since 1971. Additionally, Spurrier has tagged Florida Field "The Swamp," as the Gator mentor enters the 1995 season 29-2 at home over his five years at the helm.

■ The overall University of Florida athletic program ranked fifth best in the nation for 1994-95, according to the National Association of Collegiate Directors of Athletics (NACDA) all-sports rankings. Florida has now ranked among the nation's top 10 for 12 straight years and among the top five for six consecutive years.

■ Florida and UCLA are the only schools in the nation to finish in the top 10 in national all-sport rankings every year since 1983-84.

■ Propelled by its five SEC Championships in 1994-95, Florida claimed the Southeastern Conference's All-Sports championship. UF has now ranked as the SEC's top overall athletic program in seven of the past eight years.

■ In 1994-95, six Gator teams finished among the top 10 nationally in their respective sport.

■ According to an annual survey of the nation's Division I Athletic Directors, Florida's men's athletic program was selected as the nation's best for 1994, while the women's program ranked ninth in the country. UF was one of only five schools in the nation to rank in the top 10 for both the men's and women's program.

■ UF has claimed 75 SEC crowns since 1980 — the top league total during that span. In addition, Gator coaches have now collected 20 SEC Coach-of-the-Year honors over the last four years.

■ Florida's women's athletic program has ranked among the nation's 10 finest every year since 1984, while the men's program has ranked in the top 10 of the national all-sports rankings eight times since 1984. Florida was one of only four schools in the nation to have both its men's and women's program ranked among the nation's eight finest for the 1993-94 academic year.

- Florida accomplished a feat unmatched in intercollegiate athletic history in 1993-94. Never before has one school in one academic year accomplished all of the following: had its men's basketball team advance to the NCAA's Final Four; had its women's volleyball team advance to the NCAA's Final Four; had its football team finish the year in the top five in the final Associated Press Poll; had its women's basketball team invited to the NCAA Tournament; had its baseball team invited to the NCAA Tournament.
- In 1993-94, Florida had the only men's program in the nation to have its football team ranked among the country's five best in the final polls, its basketball team advance to the NCAA Tournament's Final Four and its baseball team earn a berth in NCAA Tournament play.
- In 1993-94, Florida had the the only women's program in the nation to have its volleyball team appear in the NCAA Tournament's Final Four; its basketball team advance to NCAA Tournament action and its gymnastics team advance to the Super Six at the NCAA Championships.
- UF became the first school in SEC history to win both the men's and women's all-sports trophies in the

same year in 1991-92. UF repeated that accomplishment in 1992-93.

- Florida won an SEC single-season record eight conference crowns in 1991-92.
- In 1987-88, Florida was the only Division IA school in the nation to send its football team to a bowl game, its men's basketball team to the NCAA Tournament and its baseball team to the College World Series.
- Since 1980, Florida teams have combined to ranked in the final top 10 in their respective sport a total of 116 times. Fifty-one times since 1980, Gator teams have finished among the top three teams in the nation.
- The Florida athletic program has claimed at least one national team title in nine of the past 14 years. Since 1980, UF has claimed 15 national team titles.
- The Florida women's program has claimed 95 individual NCAA championships, the second-most for a women's collegiate athletic program.
- Since 1968, 74 Gator student-athletes have represented 14 countries in six Olympic Games, while staking claim to 49 medals – including 25 golds. Twenty-five Gators and one UF coach represented six countries in Barcelona, Spain in the 1992 Summer Olympics. Those 25 won 13 medals, including eight golds.

1994-95 ACADEMIC ACHIEVEMENTS

- In 1994-95, Florida had a total of 71 Southeastern Conference Academic Honor Roll selections, the second top total in UF history. UF also had 71 Academic All-SEC selections in 1993-94. Six UF student-athletes earned regional or national GTE/CoSIDA Academic All-American accolades as well.
- The Gator men's program had a school and SEC record 43 Academic All-SEC selections in 1994-95. The Florida men's program now has 331 Academic All-SEC selections since 1980-81, the second top total in the SEC over that span. With its 28 Academic All-SEC selections in 1994-95, the UF women's program now has 323 Academic All-SEC honors since 1982-83, the second top total in the conference during that span.
- Since 1980, UF student-athletes have accumulated 654 total SEC Academic Honor Roll honors, the top total in the conference during that span.
- Florida has now had 216 Academic All-SEC honorees over the last three academic years (1992-93/1993-94/1994-95) – the best three-year total in UF and SEC history. Florida's 74 Academic All-SEC honors in 1992-93 set an SEC seasonal record.

THE GATOR FOOTBALL RADIO NETWORK

The 1995 Gator Football Radio Network is the largest sports network in the Sunshine State with just under 60 stations from the Panhandle to the Florida Keys broadcasting the complete University of Florida football schedule.

Gator football broadcasts blanket the state on Saturdays with many of the same stations also carrying "Gator Hotline with Steve Spurrier" on Thursday nights and the daily "Gator Football Report," the most extensive college football radio coverage offered in Florida.

Florida-based Paxson Networks, Inc. is the rights holder of the Gator Radio Network, with all-sports radio WNZS-AM (AM 930) in Jacksonville serving as the flagship station.

THE ANNOUNCERS

Mick Hubert and "Oh My!" have become synonymous with Gator Radio Broadcasts for the past six years. Gator fans have grown attached to Mick's energetic and colorful style as the "Voice of the Gators." The St. Anne, Illinois, native graduated from Illinois State University in 1976 and has served as play-by-play broadcaster for Bradley University and the University of Dayton. He won two Emmys for his TV sportscasting at WHIO-TV, Dayton. Mick is also host of "Gator Hotline" and "The Gator Football Report."

Former Florida stand-out running back James Jones, an 11-year NFL veteran, is set for his second season as color analyst. James, a native of Pompano Beach, was an All-SEC first team choice in 1981 and 1982 and was an NFL first-round pick in 1983 by the Detroit Lions.

Steve Babik, who enters his ninth year at UF, has served as Network Coordinator the past seven seasons. On game days, Babik reports from the sidelines and hosts the "Steve Spurrier Post-Game Show." The 1982 Penn State grid and native of Struthers, Ohio, has been President of the Florida SportsCasters Association the past two years.

Tom Morgan, Sports Director at the Florida Radio Network in Marietta hosts the SportsChannel College Football Report & Scoreboard shows while the game broadcasts are produced by Steve Woodard.

GAME BROADCAST

All games on the network begin with the "Tail-Gator" show, 90 minutes prior to kickoff, and "Countdown to Kick-off," the final 30 minutes of the pre-game show. Following each game is the "Gator Lockerroom Show," which features the "Steve Spurrier Post-Game Show."

GATOR HOTLINE WITH STEVE SPURRIER

This very popular state-wide show airs from 7:00 - 8:00 p.m. ET on Thursdays during football season. The show provides fans a chance to talk Gator football with Steve Spurrier by calling toll free 1-800-4GATOR9 (442-8679).

THE GATOR FOOTBALL REPORT

This is a daily (Monday through Friday) four-minute program update that airs throughout the state during the season and features comments from Gator players and coaches.

TEAMLINER

All Gator football broadcasts will be available to fans outside the state via TEAMLINE, an 800-telephone service. Call 1-800-846-4700, Ext. 5783, and the call will be charged to your VISA or MasterCard. The charge for listening to a three-hour game broadcast is under \$40.00. This is designed to serve UF alumni and friends outside the state-wide network.

SPORTSCHANNEL

For the eighth consecutive season, Gator football returns on SportsChannel Florida, the primary source for coverage of University of Florida athletic events since November 1987. This basic cable television network is available statewide, airing over 110 Gator events and shows each year.

SportsChannel is a part of the SportsChannel Regional Network, whose outlets include New York, Chicago, New England, San Francisco, Ohio (Cleveland), Cincinnati and Philadelphia. Additionally, SportsChannel is the exclusive Florida distributor of NewSport, providing innovative sports news and information programming to fans nationwide.

FLORIDA REPLAY

As part of its extensive Gator sports package, SportsChannel will provide complete game coverage of ten games (the exception being the Ole Miss game, Sept. 30, because of the Rebel NCAA probation/TV sanctions) on a delayed basis. The replays reach more than four million homes in Florida via SportsChannel and the GatorVision TV network. The first showing of Florida Replay is at 11:30 p.m. ET Saturday nights. In addition to its statewide airing, SportsChannel presents the replay to many of the nation's top markets.

Sharing the play-by-play duties are a pair of broadcast veterans: David Steele, the former "Voice of the Gators" and current "Voice of the Orlando Magic," and WFLA-AM Sports Director Larry Vettel. Former Gator and NFL standout Jim Yarbrough handles the color commentary, with Steve Babik reporting from the sidelines. Andy Pollack serves as the producer for Florida Replay as well as "Florida Football with Steve Spurrier" and "Gator Hotline."

FLORIDA FOOTBALL WITH STEVE SPURRIER

This 30-minute show highlights Saturday's game and includes special features and player interviews. The show airs initially on Sunday throughout the state of Florida.

The show is hosted by the "Voice of the Gators" Mick Hubert and features head football coach Steve Spurrier. With a statewide over-the-air network and SportsChannel's regional and national coverage, it is the most watched highlight show in Florida (Arbitron '94) and one of the most watched in the country. Florida Football with Steve Spurrier is produced by SportsChannel and the U.S.A. at the studios of WCJB-TV 20 in Gainesville.

GATOR HOTLINE WITH STEVE SPURRIER

This unique 60-minute call-in show provides an opportunity for Gator fans to talk directly to head coach Steve Spurrier. Gator Hotline is simulcast on SportsChannel Florida TV and the Gator Radio Network on Thursday nights from 7:00 p.m. - 8:00 p.m. ET. The show is aired live from the studios of WUFT-TV5 in Gainesville.

FLORIDA FOCUS

- The University of Florida ranks among the top three schools in the nation in the total number of degree programs it offers on its campus.
- The Goodwill Gators, groups of student-athletes from all sports, take part in numerous community related activities over the course of each academic year.
- The University of Florida has ranked among the nation's top five schools in attendance in each of the last four seasons.
- A school and conference record 19 Gator football players earned SEC Academic Honor Roll honors in 1994. That number brought UF's total for that award to 124 since 1980, the second top total in the conference.
- The UF Athletic program has claimed at least one national team title in 9 of the past 14 years. Overall since 1980, UF has claimed 15 total national team titles.
- The Gainesville Area Chamber of Commerce estimates that more than \$30 million is generated annually for the community during a six-game home football schedule.

Dear Prospective Student-Athlete

As the coach at the University of Florida, I want to congratulate you on being considered for a football scholarship at the most prestigious state university in the Southeast. We are very proud of the high academic ranking of our school and the very high value of a degree from our institution.

Our coaching staff wishes you a most successful senior year, not only on the football field, but also in the classroom and in other extracurricular activities. Your senior year in high school is one of the most important and fun years of your life. I suggest you enjoy it to the fullest with your teammates and classmates. You'll remember your senior year for the rest of your life. There will be plenty of time to check out the schools of your choice after your high school season is over.

When making one of the most important decisions of your life, which school to attend, I ask you to consider these questions: What university offers the most academically, athletically and socially?

The University of Florida is the second-ranked academic school in the Southeastern Conference. Vanderbilt, a private school in Nashville, Tennessee, is first. We are the highest-ranked academic state university in the Southeast.

Our goal as coaches is to establish at least a 70 percent graduation rate for our players. In a College Football Association (CFA) graduation study released in April 1992, which covered the class of 1986-87, Florida was one of 16 schools in the nation above a 70 percent graduation rate. The Gators graduated 81 percent of their players during this period.

Florida and Penn State were the only two schools in the nation in 1991-92 to have their programs cited in the 1992 CFA graduation study. have their universities included in the prestigious American Association of Universities — the most prominent organization a university can belong to in higher education — and have its football teams finish in the Top Ten in the final 1991 polls.

The University of Florida prides itself on being one of the very few schools in the nation that combines "The Best of Both Worlds," high ranking and achievement, in

both academics and athletics. The fact that the University of Florida is the only member school of the Association of American Universities — the highest ranking a school can achieve for its academic status and achievement, to have seen its football team ranked in the Top Ten in the final AP Poll in each of the last four seasons is a superb statement about this institution's commitment to combined academic and athletic excellence. In that regard, this is indeed a unique institution of higher education. A 1992 study published in the NCAA News named Florida, Stanford, Southern Cal, Penn State, Texas and UCLA as the six premier schools in the nation for combining academic quality and athletic success.

The Gators have won the coveted SEC title three times in the past four years and are one of only two teams in the nation to finish each of the past four seasons ranked

in the final AP Top Ten Poll. Additionally, we had ten players drafted in 1992 by the NFL, which tied for second among the nation's schools. In ten of the last 13 years we have had a first-round pick and our 15 total first-round NFL picks since 1983 ranks first in the nation.

Socially, our university has a healthy atmosphere where students from many different backgrounds enjoy fellowship together. Whatever a student is looking for in a university or in its location can be found here at Florida.

Have a successful, healthy and fun high school senior year and hopefully for all of us, you'll choose to be a Gator.

Sincerely,

STEVE SPURRIER
Head Football Coach

"We encourage young student-athletes to join us at the University of Florida where we take great pride in the academic and athletic success of our students. Student-athletes at the University of Florida enjoy the benefits of superb facilities, but more importantly, they join programs headed by exceptional coaches. Head football coach Steve Spurrier, like all of us at Florida, has committed himself to develop a first-class football program that reflects the quality and pride of players, and that inspires the respect, admiration and pride of faculty, students, alumni and friends of the university."

— DR. JOHN LOMBARDI
PRESIDENT

"It is the goal of this program to become the nation's premier program. Our genuine commitment to excellence in academics, athletics, facilities, health care, student life, academic support and fan support is the foundation for this goal. This is an outstanding institution that has everything you as a student-athlete could possibly want or need to further your academic and athletic goals. We are second to no one in terms of quality faculty and coaches whose commitment to excellence will match yours. The "Florida Experience" will be one you never forget and will set the standard for the remainder of your life."

— JEREMY FOLEY
DIRECTOR OF ATHLETICS

"We are seeking players who want to combine the best in athletics and academics. Florida football is a positive experience, playing in a sold-out Ben Hill Griffin Stadium in front of over 84,500 fans each week and competing for a championship at the highest level in the nation's best conference, the SEC, and playing on network TV over 75 percent of the time. Combine all of that with a degree from the University of Florida, the highest-ranked state university in the south, and you can achieve the ultimate college experience for a student-athlete."

— JIM COLLINS
RECRUITING COORDINATOR
AND INSIDE LINEBACKER COACH

BEST OF BOTH WORLDS

The Facts Show That The University Of Florida Is Indeed One Of The Very Few Schools In The Nation That Ranks Among The Elite For Both Academic And Athletic Achievement

A lot of schools talk about academic and athletic achievement but few in fact have demonstrated that high level of attainment. Count the University of Florida among the elite group of universities that has indeed demonstrated a level of achievement, success and stature that places it among the nation's premier institutions for academic attainment and athletic achievement.

Take a look at the chart below which lists the schools that have been admitted to the Association of American Universities (AAU), the most prestigious organization of higher education in North America. Now take a close look at the final 1994 AP national football rankings. Universities that were ranked

in the final AP Top Ten football poll which were also members of the AAU are in italic type. Please note that only four of the top ten schools in the final AP Poll are also members of the AAU, including the University of Florida. This fact solidly demonstrates that the University of Florida football program is indeed one of few in the nation that is ranked at the very highest levels for both academic and football success.

Now also look at the chart that ranks the nation's finest overall combined athletic programs. The University of Florida has ranked among the ten most successful combined men's and women's athletic programs in the country in each of the last 11 years (1983-94). In the most recent rankings (July of

1994), UF ranked as the fourth most successful combined athletic program in the nation for the 1993-94 athletic year. Once again research shows that the University of Florida is indeed part of a very small group of schools that boast an overall athletic program that ranks among the ten best in the country.

Such facts, when combined with a recent study which named UF one of the top six schools in the nation for combining academic quality and athletic success, clearly demonstrate that when the University of Florida talks about "The Best of Both Worlds", it indeed is one of the very few schools in the nation that backs up such a statement with undeniable achievement to substantiate the claim.

"THE BEST OF BOTH WORLDS"

The facts show that the University of Florida is indeed one of the very few schools in the nation that ranks among the elite for both academic and athletic achievement.

An independent study, conducted from 1982-91, which was published in the June 24, 1992 issue of the NCAA News named the University of Florida as one of six schools in the nation as having the best mix of academic quality and athletic success. Completing the elite group of six schools named in the study were Penn State, Southern Cal, Stanford, Texas and UCLA.

University of Illinois professors Lawrence DeBrock and Wallace Hendricks built their study around a central question: Can institutions with lofty academic rankings and standards successfully compete in the athletic arena? The results of the decade examination proved that

championship-caliber programs and teams were more likely to come from institutions with impressive academic standing and that the six schools listed above, including the University of Florida, have the best mix of academic quality and athletic success.

DeBrock and Hendricks researched Division I schools and considered the success of student-athletes both in the classroom and national championship competitions. The number of athletic teams competing and number of individuals qualifying for NCAA championship events were compared against a 1990 U.S. News and World Report ranking of the nation's top academic universities.

A RARE TRIPLE PLAY

The University of Florida is one of only two schools in the nation that had its football team ranked in the final 1994 AP Top 10 Poll, had its overall athletic program ranked among the nation's five most successful in a 1994 rating by the National Association of Collegiate Directors of Athletics, and is a member school of the Association of American Universities – the most prestigious organization of higher education in the nation.

- Its football team has finished each of the last four seasons ranked among the nation's top ten teams in the final AP Poll.
- It is a member school of the Association of American Universities – the nation's premier organization of higher education.

"In deciding which university to attend, my last step was to eliminate football and choose a school that was academically right for me and had the strongest reputation. When I did that, Florida was clearly the superior choice. The facts solidly show that Florida is rated among the elite schools for academic reputation and athletic reputation. When you combine both, you clearly have a winner. To be a student-athlete at Florida is a true honor because of its status of achievement in academics and athletics."

FIRST CLASS FACILITIES

**Modern And Convenient Facilities Rate Among
The Very Finest In The Nation**

From beautiful Florida Field, to the locker rooms, weight and conditioning area, training and physical therapy complex, squad meeting rooms, practice area, dining and living areas and the coaches offices, convenience and quality was paramount when the University of Florida made a commitment in the 1980's to put together one of the most impressive athletic facility complexes in the country. Because everything that was built was designed with the student-athlete in mind, Florida's complex not only rates as one of the premier units in the nation, but it also rates among the most efficient and well-conceived in the country as well. All one has to do is listen to Florida student-athletes talk about the facilities to quickly appreciate how highly they are regarded.

NEW FACILITY UPDATE

A new state-of-the-art academic support and advising center is slated to open this August, as is a new housing complex which will include student-athletes. In addition, a new state-of-the-art dining facility that is within easy walking distance of UF's athletic and living facilities is also under construction.

"I was fortunate to be recruited on a national basis and I can honestly say that Florida's facilities are second to none. Everything, and I mean everything, is first-class. What makes it all the better is the fact that you have everything here; the dining room, dorm room, training facilities, workout room and locker room. The convenience factor combined with the quality of everything makes the facilities exceptional."

— OT DAVID WILLIAMS

1989 NFL First-Round Draft Selection

"The quality and convenience of the facilities is one of the reasons why I came to UF. There aren't too many schools that can compare to Florida in this regard. You always had a sense that people were taking care of the exceptional facilities and looking for ways to make them even better. I really don't thin that there is another school that can top Florida."

SUPERLATIVE SUPPORT

As The Facts Show, Florida Is Unquestionably The Leader In The Sunshine State In Demonstrated Fan Interest And Support And It Clearly Stands With The Nation's Elite In Those Important Categories

Florida football is more than a sport. For hundreds of thousands of fans in the sunshine state it is an obsession. Their enthusiasm and loyalty, which they demonstrate time-and-time again, has elevated Florida football to a level where it unquestionably ranks as the most supported team in the state and indeed, among the most supported in all of college football. That support and interest still continues to grow and led to a 10,000 seat expansion of Ben Hill Griffin Stadium in 1991 which raised capacity to over 84,000 and elevated the Gator program to the highest echelon of support in the nation.

The following facts clearly demonstrate the premier level of support that Florida football receives.

- In 1994 Florida played before averaged home crowds of over 85,200, a mark that ranked fifth in the nation.
- In each of the last four seasons, Florida has ranked among the nation's top five schools in average home attendance.
- Over the last 13 years Florida has ranked among the top ten percent of all teams in the nation in attendance.
- In 1986 Florida became the first organization in Sunshine State history, collegiate or professional, to sell every ticket to every home game prior to the start of the season. That achievement has been matched by Gator fans several times since.
- From 1985-90 Florida sold 100% of all available season tickets (62,000) prior to the start of the season. That type of demand led to the decision to add 10,000 additional seats in 1991 increasing the number of available season tickets to over 70,500. Once again, demand has exhausted that supply in each of the last four years. In short, all available season tickets have been sold each of the past 10 seasons.
- The Gators have played before home crowds of more than 80,000 in each of the past 25 home games. During that same period (1991-94) other football playing schools in the state played before home crowds of more than 80,000 just once.
- UF has participated in each of the 20 largest all-time top attendance games in state history (regular season college and pro games, bowl games, pro playoff and Super Bowl games).
- Florida sells over 70,000 season tickets, more than any other collegiate or professional sports team in the state of Florida.
- Gator Boosters, Inc., an organization formed to promote academic athletic interest by funding scholarships for all UF student-athletes and assisting with the improving and enhancing of athletic facilities, numbers over 12,000 members and provides more than \$8 million annually in support of its missions.

"The interest and support is truly impressive. I can't imagine it being any better anywhere else. You come to realize that the Gators really are the state of Florida's team."

—DT TRACE ARMSTRONG

1989 NFL First Round Draft Selection

"Florida's fan support is nationally renowned. When I played in the Hula Bowl All-Star Game I received numerous compliments and comments from players at other schools regarding the tremendous support and difficulty of playing at Florida Field because of the passion and loud support that the Gator fans demonstrate. Their passion and dedicated support is something that I, and my teammates, will always remember."

—DT BRAD CULPEPPER

1991 recipient of the Draddy Scholarship Trophy which is presented by the National Football Foundation and College Hall of Fame to the nation's premier football scholar-athlete.

A very special bond has developed between the Gator players and their loyal following that averaged over 85,200 per home game in 1994.

1994 COLLEGE FOOTBALL ATTENDANCE

School	Avg. Home Attendance
1. Michigan	106,217
2. Penn State	96,289
3. Tennessee	95,637
4. Ohio State	93,103
5. FLORIDA	85,284

Beautiful Ben Hill Griffin Stadium at Florida Field, the largest stadium in the state of Florida, has hosted the 20 largest crowds in state history, collegiate or professional. Florida averaged over 84,000 fans per home game in each of the last four seasons, marks that ranked among the five best in the nation all four years.

THE SOUTHEASTERN CONFERENCE

*Success, Achievement, Competitiveness, Intensity,
Support, Attention, And Glittering Tradition Make It
America's Premiere Conference*

"The SEC is the most competitive conference in the nation. The intensity helps bring out the best in everyone. Playing in this league is also excellent preparation for playing in the NFL. It was good to play at Florida and play against tough teams week-in and week-out, just as you will in the pros."

— OT DAVID WILLIAMS

1989 First-Round Draft
Selection, Houston Oilers

The tradition and success of the Southeastern Conference runs long and deep. Established in 1933, it has rightfully achieved a distinction for national respect that places it right at the very top of college football. Twelve national championship teams, 266 combined bowl appearances and six Heisman Trophy winners are but a few of the outstanding achievements that the SEC has jointly achieved over the course of 62 years.

"Every game you have with an SEC team is not a normal game, it is a war. That's what makes playing in this conference so much fun and makes the experience of playing in this league so special."

— QB SHANE MATTHEWS

1990 and 1991 SEC Player of the Year

Florida has appeared in each of the first three SEC Championship Games. SEC Commissioner Roy Kramer has presented the Gators with the league championship trophy each of the past two years.

One thing that really stands out about the SEC in comparison to many of the nation's conferences is that interest, support, attention, national media profile, and intensity are still growing. A review of the past few years shows just how dominant the SEC has become in terms of these categories.

- In each of the last 13 years the SEC has led the nation's conferences in stadium capacity percentage. In 1994, 94.5 % of all conference stadium seats were filled over the course of the season.
- In each of the last 16 years the SEC has led the nation in total attendance. In 1994 alone, the SEC attracted nearly

4.9 million fans at home games. In 1993 the SEC drew 4,897,564 total fans at its home games, a national record for a conference.

- During the decade of the 1980's, no conference posted a better non-conference record (358-164-17 for a .690%), played in more bowl games (56 total bowl appearances), won more post-season bowl games (29), appeared in more final Associated Press Top Twenty (34), Top Ten (20) or Top Five polls (9), had more Heisman Trophy winners (2), and had more teams in the top ten in final attendance figures (36) than the Southeastern Conference.

- Since 1985 the SEC headlines all conferences with 333 total players drafted by the NFL.
- In each of the last four seasons, four of the top ten schools in the nation in attendance were SEC schools, including Florida, which ranked fifth in the country all four seasons.

In 1992, the SEC became the first Division 1A conference in the nation to host an annual championship game, an event that has drawn tremendous national interest.

TRADITION AND HERITAGE

Impressive Team And Individual Achievement Have Built A Solid Heritage With An Even Brighter Future

Football tradition and heritage comes over time. It results from a steady flow of achievements through the years that together eventually stamp a program with an impressive list of accomplishments. As the following facts point out, the University of Florida is one of those school that has compiled an impressive list of accomplishments and achievements.

- Florida was a charter member of the prestigious Southeastern Conference when it was formed in 1933. It played in the first three SEC Championship Games in 1992, 1993 and 1994.
- Six times in the last 11 years UF has finished first in the SEC standings.
- QB Steve Spurrier was the recipient of the 1966 Heisman Trophy and linebacker Wilber Marshall was named the "National Defensive Player of the Year" in 1983. Five UF players have finished in the top ten of the Heisman balloting.
- Ninety-five (95) different Gator players have achieved All-America recognition, including 60 alone since 1980.
- Twenty-four Florida players have been selected in the first-round of the NFL Draft.
- Florida was named the 1984 National Champion by both The Sporting News and the New York Times after its 9-1-1 season.
- Twenty-two bowl game appearances.
- One-hundred and twelve (112) different players have earned first-team All-SEC honors.
- Florida has ranked among the nation's top 15 schools in average home attendance in each of the last 13 years, including a top five national ranking each of the last four seasons.
- Florida has been ranked in the Associated Press Top Twenty Poll at some point in the season in 39 of the last 44 years.
- Florida has posted the best record in the tough Southeastern Conference six times in the last 11 years (1984, '85, '90, '91, '93 and '94 seasons).
- From 1983-91 Florida had at least one player selected in the opening round of the NFL Draft, the only school to achieve that distinction during that nine-year period and the only school in the country to achieve that length of first-round success since the NFL Draft began in 1936.
- From 1983-91 Florida had 13 players selected in the first-round of the NFL Draft, the most in the nation over that nine-year period.
- In 1989 the University of Florida was the only school in the nation to have three players selected in the first-round of the NFL Draft.
- Ben Hill Griffin Stadium at Florida Field is the largest stadium in the state of Florida, collegiate or professional.

"One of the primary reasons why I and so many others, came to Florida is because of the tradition. When you see the list of players that have played here it truly becomes an honor to play on the same field as they have. Coach Spurrier is one of those great players who is now adding to Florida's impressive tradition with his sparkling achievements as a coach. What's really exciting is the fact that everybody believes the best is yet to come."

— LARRY KENNEDY
All-SEC Defensive Back, 1994

The University of Florida is a charter member of the National Heisman Trophy Club.

Winning championships and being ranked among the nation's finest teams each year has become a common occurrence since Steve Spurrier arrived as head coach in 1990.

- UF was one of only two teams in the nation to rank in the top ten in the final AP Poll in each of the 1991, 1992, 1993 and 1994 seasons.
- Over 130 UF players have gone on to play in the NFL.
- At least one Florida player has participated in 15 of the 29 Super Bowls that have been played.
- When Neal Anderson (Chicago) and John L. Williams (Seattle) were selected in the opening round of the 1986 NFL Draft, it represented the only time during the decade of the 1980's, and the first time since 1970, that two runningbacks from the same collegiate team were both selected in the first round of the draft.
- At least one University of Florida player has earned first-team All-America honors in 14 of the last 15 years.
- Florida's 72-11-2 record at home since 1981 and its 29-2 record since 1990 rank among the nation's very finest.

A big part of UF's tradition is the number of former Gators who have gone on to success in the NFL and its unmatched record with regard to the first-round of the NFL Draft. From 1983-91 the Gators had 13 total players selected in the opening round of the draft, the most for any school in the nation over that nine-year time period. With at least one player selected in the opening round of the draft each year from 1983-91 Florida became the first, and only, school in the history of the NFL Draft (started in 1936) to have a player chosen in the first-round for nine consecutive years.

SUCCESS AND ACHIEVEMENT

Florida Is One Of Only Two Schools In The Nation To Finish Each Of The Last Four Seasons Ranked In The Top Ten In The Final AP Poll

- UF is one of only two schools in the nation to rank in the Top Ten in the final AP poll in each of the past four seasons.
- Florida has finished first in the SEC standings in four of the last five years. Its 35-6 SEC record since 1990 ranks as the best in the league.
- UF has finished first in the SEC standings six times in the last 11 seasons.
- UF has appeared in the weekly AP Poll in each of the last 82 ranking weeks, including each of the last 35 weeks in the top 10.
- UF's 49-12-1 record (79.8%) is eighth best in the nation this decade and its 49 total wins ranks as the 4th top victory total in the nation since 1990.
- From 1983-91 Florida had at least one player selected in the opening round of the NFL Draft each year (13 total - the top total in the nation for that nine-year period). Florida's streak of nine consecutive years with at least one first-round selection in the NFL Draft is the longest for any school in the nation since the NFL Draft began in 1936.
- In 39 of the last 44 seasons of play, the Gators have been ranked in the Associated Press Top Twenty Poll at some point during the season.
- Florida has ranked in the AP Top Fifteen Poll at some point in the season in 11 of the last 13 years of play.
- The Gators' 72-11-2 record at Florida Field the last 14 years ranks among the five best home field records in the nation over that time span. UF is 29-2 at "The Swamp" this decade.
- Florida was named the 1984 national champion by *The Sporting News* and the *New York Times*.
- Florida has appeared in 22 bowl games.
- Florida was the only school in the nation that ranked in the top six in the final AP Poll in each of 1983, '84 and '85 seasons. UF was the only team that ranked in top five in the final AP Poll in each of the 1984 and 1985 seasons.
- Florida's 24-4-2 combined record from 1983-85 ranked as the second-best in the nation over the three-year period.
- Florida's 24-7-2 record (75.7%) from 1984-86 ranked as the seventh best winning percentage in the nation during that three-year period and its 33-9-3 record (76.6%) from 1983-86 ranked as the sixth best winning percentage over that four year time period.
- In research conducted by the NCAA prior to the start of the 1987 season, the University of Florida was the only school in the Sunshine State to be ranked among the 20 most successful programs in the nation in the 25-year period from 1962-86.

UF has won the SEC title three times in the past four seasons and finished first in the SEC standings six times in the past eleven seasons.

The Gator helmet has shown brightly in the 1990's. During this decade the Gators have compiled the best record in SEC play (35-6), won the most SEC titles (3) and their 49 total wins since 1990 ranks as the fourth best victory total in the nation. Florida is one of only two teams in the nation to finish each of the last four seasons ranked in the final AP Top Ten Poll and it is one of only five teams in the country to win nine or more games each of the last five seasons.

INCREDIBLE MEDIA ATTENTION

Every Aspect Of Modern Mass Media Communications And Technology Is Present In Such A Large Manner That The Florida Squad And Gator Players Are Assured Of Always Being In The National Limelight

The media attention and exposure associated with the Florida football program is nationally renowned. The Gator program has a reputation around the country for being one of, if not the most, intensely covered collegiate teams in the country. The daily media attention assures that the Florida team and its players receive incredible media and public exposure.

As the facts below demonstrate, very few schools in the nation can match the University of Florida's high media profile.

- In 1990 and 1991, the University of Florida appeared on national TV eight time each season.
- In 1992 and 1994, ten of UF's 13 games appeared on live network television, while nine of 13 games were televised on network TV in 1993.
- In 45 of its last 62 games, Florida has appeared on live network television. In short, over the last five seasons under Steve Spurrier, 73% of all UF football games have appeared on live network television.
- Eight of the ten largest newspapers in the South and Southeast are located in the Sunshine State and cover the Gator program daily.

"The media attention at Florida is more than you can imagine. Media representatives came from all over to cover the program daily. There never is any question in your mind that team and individual performances won't receive the maximum amount of attention."

— RB EMMITT SMITH

1990 First Round NFL Draft Selection, Dallas Cowboys; Leading Rusher in the NFL in 1991, 1992 and 1993; 1993 NFL MVP; Super Bowl XXVIII MVP

Depending on the opponent, between 375-525 media credentials are issued for each home game at Florida Field.

"The number of T.V. and radio stations, newspapers and magazines that cover the Gators' every move is simply amazing. Their presence gives you the feeling that you are always in the national spotlight and in most cases you are."

— CAL DIXON

1991 All-America Center

"The publicity machine at Florida is incredible with all the media attention. I received a lot of recognition at Florida due to that extensive coverage."

Florida's national television profile is unquestionable one of the highest in the nation. Counting tape-delayed telecasts, every UF game but one since 1982 has been telecast — 154 of a possible 155 games. In each of the past five seasons, Florida has had at least eight of its games selected for live network television, including ten live appearances during the 1994 season. Forty-five (45) of Florida's 62 games (an amazing 73%) under Steve Spurrier have appeared on live network television. The SEC's new TV contract with CBS, starting in 1996, insures even more national exposure for UF and the SEC.

RECOGNITION

An Average Of Eight Gator Players Have Earned All-America Recognition In Each Of The Last Five Season. At Least One Gator Player Has Earned First-Team All-America Honors In 14 Of The Last 15 Years

The combination of tremendous media attention on a daily basis, the large number of national television exposures and the national respect for the quality of play in the Southeastern Conference combine to place University of Florida players in an excellent position to garner national recognition, honors and awards.

Those factors combine to place Gator players in the national limelight on a much more consistent basis in comparison to most other schools and players. Consider the following:

- Since 1982 alone, eighty-eight (88) combined Gator players have received All-America recognition. Three players received that honor in 1982, five in '83, six in '84, seven in '85, six in '86, six in '87, seven in '88, six in '89, five in 1990, 11 in 1991, eight in '92, 12 players in 1993 and six in 1994.
- Since Steve Spurrier arrived on the Gator scene in 1990, Florida players have earned a combined 42 All-America honors. Since 1990, an average of eight Gator players per season have earned All-America recognition.

"There is something about Florida that generates incredible amounts of attention and recognition as evidence by the fact that 11 Gator players earned All-America honors in 1991. Think about that. One-half of Florida's starters in 1991 earned All-America honors. It is awesome, simply out of this world. As a team and individual, having Florida football as part of your life means you will receive incredible recognition for what you and the team accomplish. The unmatched media attention Gator players receive plays a huge role in this recognition process."

— GUARD HESHAM ISMAIL

1991 All-American

- At least one University of Florida player has earned first-team All-America honors in 14 of the last 15 years.
- Since 1983, Florida has averaged seven players a year who received All-American recognition.
- A Florida player has received the "SEC Player of the Year" award in three of the past six years. Since 1984 Florida has had more "SEC Player of the Year" awards (4) than any other school in the conference.
- From 1983-91, Florida had at least one player selected in the first-round of the NFL Draft each year, the only school in the nation to achieve that distinction over that nine-year period. In fact, UF is the only school in the nation to ever achieve that distinction since the NFL began its draft in 1936.

Emmitt Smith finished in the top ten of the Heisman Trophy balloting twice (1987 and 1989) and was also named the National Freshman Player of the Year in 1987. He became just the second freshman in the history of the Heisman Trophy to finish in the top ten in the balloting for that prestigious trophy.

Jack Jackson was one of three finalists for the Biletnikoff Award in 1994. The award goes to the nation's top wide receiver.

- From 1983-91, Florida had 13 players selected in the opening round of the NFL Draft, the most for any school in the nation over that nine-year time span.
- Two times in the last four years a Gator player has received the Jacobs Blocking Trophy (SEC's top blocker).
- Judd Davis was the recipient of the 1993 Lou Groza National Collegiate Place-Kicker-of-the-Year Award.
- LB Wilber Marshall was selected the "National Defensive Player of the Year" in 1983.
- DT Elis Johnson was selected "National Defensive Player of the Year" by CNN for the 1994 season.
- QB Wayne Peace (1983), QB Kerwin Bell (1986 and '87), RB Emmitt Smith (1987-89) and QB Shane Matthews (1991) have all received serious Heisman trophy consideration in the last ten years.

- In six of the eight years since the "Thorpe Defensive Back of the Year" award was established in 1987, a Florida player has been given high consideration.
- Jack Jackson was one of three finalist for the Biletnikoff Award (nation's top WR) in 1994.
- Tim Paulk was one of ten semi-finalists for the Butkus Linebacker of the Year Award in 1991.
- Running back Emmitt Smith and Ernie Rhee were finalists for the Doak Walker Award.
- Running back Emmitt Smith finished in the top ten of the Heisman trophy balloting twice (1987/89). In 1987 he became just the second freshman in history to finish in the top ten of the balloting for college football's most prestigious award.
- Brad Culpepper, a 1991 first-team All-America at defensive tackle, was also named the Toyota/ESPN National Student Leader of the Year and the recipient of the Draddy Trophy which is presented annually by the National Football Foundation and College Hall of Fame to the nation's premier scholar-athlete.
- QB Shane Matthews, "SEC Player of the Year" in 1990 and 1991 as a sophomore and junior respectively, finished fifth in the Heisman Trophy balloting as a junior in 1991.

Judd Davis (below) was the recipient of the 1993 Lou Groza National Place-Kicker of the Year Award.

Jason Odom (bottom right) received the 1994 Jacobs Blocking Trophy, presented annually to the SEC's top blocker as voted on by the league coaches. It marked the second time in the last four seasons that a Gator lineman has received this honor (center Cal Dixon received in 1991)

QB Shane Matthews, (above) fifth in the Heisman Trophy balloting in 1991 as a junior, was a two-time honoree as SEC Player of the Year (1990 and 1991). Gator players have received the SEC Player of the Year Award three times in the past six seasons and four times in the past 11 seasons, achievements matched by no other school in the league.

Defensive tackle Ellis Johnson was named the National Defensive Player of the Year for 1994 by CNN. Linebacker Wilber Marshall earned that same honor from ABC in 1983.

DE Kevin Carter was one of five finalist for Football News' National Defensive Player of the Year Award in 1994. He was also a semi-finalist for the Lombardi Trophy in '94.

BOWL GAME EXPERIENCE

***Since 1980, Florida Has Participated In Bowl Games
That Were Held In Eight Different Cities
And Seven Different States***

There really is nothing quite like the experience of playing in a bowl game. The event and the surrounding experiences are among the most pleasant memories of a college football career.

Much of those memories and experiences come from traveling to different cities and states. In that regard, Florida has been tough to match. Since 1980, Gator football teams have participated in ten bowl games held in eight different cities and seven different states, stretching from coast-to-coast and beyond. Since 1980, Florida football squads have played in post-season bowl games in Honolulu, Hawaii, the Los Angeles area, Houston, Birmingham, Atlanta, Jacksonville, Orlando and in New Orleans in the Sugar Bowl in three of the last four years as SEC Champions.

With Coach Spurrier's crowd-pleasing offense, an exciting and attacking defense, a high national profile and loyal supporters, Florida is one of the nation's most attractive bowl teams of the 1990s.

Steve Spurrier (upper right) has led the Gators to appearances in the prestigious Sugar Bowl in three of the past four seasons.

GAMEDAY AT "THE SWAMP"

The Atmosphere At Florida Field On Gameday Ranks With The Most Vibrant And Electrifying In All Of College Football

All of the interest, emotion, dedication, passion, loyalty and commitment that makes Gator football so special manifests itself on gameday at Florida Field, a.k.a. "The Swamp". The state's captivation with Gator football, along with unwavering fan loyalty and passion, turns beautiful Florida Field - truly one of the nation's great spectator stadiums - into a sea of orange and blue emotion and support that is hard to fully describe.

Suffice it to say that Florida students, alumni and fans truly believe that they are indeed the 12th man on the field. They have played a very large contributing role in the Gators' sparkling 72-

11-2 record at home since the 1981 season. UF is 29-2 at "The Swamp" this decade.

The emotion, crowd participation and electric atmosphere that is created at Florida Field on gameday has become nationally renowned. In 1987, the National Cheerleaders Association of America selected the Gator faithful as the most participative and supportive crowd in all of college athletics in the first year of national competition for that award. In the summer of 1989 *The Sporting News* named Florida as the top college crowd in the nation in its preseason football magazine.

"I'll always have so many fond memories of my years at Florida. Playing at Florida Field however, will always remain something very special for me and all Gator players. Players from other teams always commented that playing here was the toughest place to visit, and that's because of the Gator fans. They are always there no matter what. At other stadiums the intensity of the fans was off and on; loud one moment and then at other times you didn't really hear them. That's never the case at Florida Field. The fans are always supportive. They really are special and I'll never forget the feeling of running out the tunnel at Florida Field. It gives me the goose-bumps just thinking about it. I really had the time of my life out there."

—KERWIN BELL
Quarterback (1984-87)

"More than anything, I'll remember all the Saturdays at Florida Field. I've played in many different stadiums, both in college and in the NFL, but nowhere is the pageantry and excitement like it is at Florida Field."

—TRACE ARMSTRONG
1989 NFL First Round
Draft Selection

"The feeling of playing at Florida Field is really hard to put into words. It's just an incredible sensation. When you step onto Florida Field, you are ready to play the best game of your life because of the energy you receive from the crowd. The players and fans here really do have a special bond."

—CAL DIXON
1991 All-America Center

The National Cheerleaders Association of America selected the Gator faithful as the most participative and supportive home crowd in collegiate athletics in the first year (1987) of national competition for that award. Since 1981, the Gators have posted a sparkling 72-11-2 record at Florida Field, a mark that the fans have played a large part in helping to achieve. Since 1990, UF is 29-2 at Florida Field. UF averaged over 85,200 fans per home game in 1994, a figure that ranked as the fifth best in the nation.

PARAMOUNT PERSONAL CARE

Support Staffs In Sports Medicine, Office Of Student Life And Physical Development Have Demonstrated A Total Commitment To Assisting Student-Athletes Reach Goals And Objectives

The University of Florida has evolved into one of the nation's premier schools for combining the "Best of Both Worlds" — a combination of superb academic and athletic attainment. The University sincerely appreciates the efforts of the hundreds of student-athletes who have built and perpetuated Florida's ever-growing national standing for achievement and excellence.

As a result of that understanding and appreciation for the efforts extended, the University and the University Athletic Association have made a demonstrated commitment to providing its student-athletes with not only the best facilities but also the best as it relates to academic and physical care and development. The Office of Student Life, sports health, and strength and conditioning staffs are all nationally renowned in their respective fields. A new state-of-the-art academic center is being built. It will make UF's Office of Student Life, already nationally renowned for its superb service, even better.

Each department has a demonstrated commitment to assisting young men and women reach their goals and objectives in the classroom while also maximizing their potential as athletes. For each of these support staffs at the University of Florida their first and primary focus and concern is the student-athlete. They strive each day to create an atmosphere of personal care and concern that the student-athletes truly appreciate and respect.

As the comments on these pages show, Florida's student-athletes do indeed respect, admire and appreciate the paramount personal care that they receive. Their comments provide testimony that the University of Florida's drive, effort, dedication and commitment for providing first-class personnel care and direction is indeed admired and respected by its toughest critics — the student-athletes themselves and their parents.

"Far too often, the balance between athletics and academics is overlooked in 'Big Time' college athletics. I am proud to say this never occurred with me, and I am confident that the UAA (University Athletic Association) will continue to encourage both athletic and academic excellence."

— GARY ROLLE, M.D.

WR at UF 1982-84, National Football Foundation
Scholar-Athlete Award Recipient

"I enjoyed my playing days at Florida. I grew up in so many ways over those last few years, but most importantly I was taught skills in teamwork, personal responsibility and developing solid work ethics. If you only become a better player at Florida, then you are cheating yourself because the University of Florida will make you a more well-rounded individual if you take advantage of all that it offers, and it does indeed have a great deal to offer."

— ILB CARLTON MILES

1992 Defensive Co-Captain

"The support staffs at the University of Florida are simply superb. As players we never found ourselves getting anything in that regard that wasn't the best and first-class in every sense of the word. Getting adequate care and concern was never a worry."

— CAL DIXON

1991 All-America Center

"The primary mission of the Office of Student Life is to provide quality programs and services that will assist students to reach their highest potential. The focus of our programs is to foster life-long learning and leadership skills which will direct student-athletes toward self-reliance, self-discipline, and responsibility for their own lives."

ACHIEVEMENT OFF THE FIELD

- UF set a all-time SEC record in 1994 when 19 Gator players were named to the SEC Academic Honor Roll.
- Florida was one of just four schools in the nation to have more than one player named to the 1994 GTE Academic All-America first-team.
- Twice in the last four years (Brad Culpepper in 1991 and Michael Gilmore in 1994) Florida has had one of the nation's most honored scholar-athletes. Culpepper received the Draddy Trophy in '91, presented to the nation's premier football scholar-athlete, and Gilmore was one of just three players in the nation to

earn selection to the College Football Association's Scholar-Athlete Team in back-to-back years (1993-94). Gilmore was the state of Florida's lone national finalist for the Rhodes Scholar program in 1993.

- UF was one of 16 schools recognized by the College Football Association (CFA) in 1992 for graduating 70% or more of its players. UF was credited with an 81% graduation rate in that year's national survey.
- Florida's community involvement program (aka, "The Goodwill Gators") has received a White House commendation for volunteerism.

"All parents want the best for their children and we feel that the University of Florida is just that! Some memorable years of great football. Coaches and other support personnel who cared about student-athletes and their educational goals and strong leadership from President Lombardi makes the University of Florida the best choice."

— MARGARET AND DOW GILMORE

(son Michael was a free safety who was the state of Florida's lone 1993 national finalist for the prestigious Rhodes Scholarship)

"Over the years at UF, I have seen many wonderful people of all ages and races. As for what I've learned, I've learned quite a bit, I have learned that it doesn't matter what race you belong to or your age, but rather the amount of hard work a person is willing to put into a project. I love my teammates and I thank God for the time I have spent at this university. It has taught me never to stop fighting and reaching for the best in myself and the people around me."

— DT TONY McCOY

1991 Team MVP; Current member of the Indianapolis Colts

"The Office of Student Life was right by your side, day-in and day-out, to help you as you go through college and prepare for the future. The OSL staff is made up of caring, dedicated professionals. They truly care about you and your well-being. From the transition from high school to college to any assistance you might need regarding academic matters and your career, OSL is there. It was very reassuring to have professional-trained, caring people concerned about you and your well-being at all times."

— HUEY RICHARDSON

1991 All-America DE and NFL First-Round Draft Selection

President, Dr. J. Lee Lombardi, Director of Athletics Jeremy Foley and Head Coach Steve Spurrier pose with Gator defensive back Michael Gilmore who was regarded as one of the nation's premier scholar-athletes the past two seasons.

"What great thrills we enjoyed when Chris was a Gator. The great wins on the field, the fun of the away-game trips, getting to know other players' parents and families, and of course, the championships. For years we admired the programs at the University of Florida - from a total distance. When Chris was a participant, the excitement was continuous and accelerating. From the beginning we were impressed with the coaches' friendliness and quiet confidence. They provided no far-out predictions or promises, only a winning effort. Every member of the athletic department staff we had reason to contact, we received friendly cooperation and assistance. The academic guidance and support Chris received provided its own rewards and was greatly appreciated."

— ED AND JUDY BILKIE

(son Chris was a fullback who graduated in August '94 and is now in Graduate School)

"The health care staff at Florida is truly made up of people that are tremendously dedicated professionals. They are really concerned about you and what is best for you at all times. You never have a doubt that you are getting the very best possible in terms of equipment, medical attention and treatment, physical development, and general preventive care. They will do everything possible to prevent an injury and if one happens, you never doubt that you are being taken care of by highly trained professionals in the very best facilities with the very best equipment. You always feel as if you are a member of their family. Just like your parents, they want and give you the best."

UNIVERSITY OF FLORIDA

The Gator football program, as well as the entire UF athletic program, has reached a level of achievement that equals the general all-around commitment to excellence exhibited at the University of Florida.

The University of Florida, a member of the select Association of American Universities—the most prestigious organization in higher education—was named one of the six premier schools in the nation for combining academic quality and athletic success in a decade-long independent study published in the *NCAA News* in 1992. Stanford, Penn State, UCLA,

Southern Cal and Texas joined Florida in this elite group.

Florida's overall athletic program has ranked among the country's ten finest in national all-sports rankings in each of the past twelve years. The Gator football program is one of only two in the nation to finish each of the last four seasons ranked in final AP Top Ten Poll and its 49 total wins since 1990 ranks as the fourth top victory total in the nation this decade.

The University of Florida, a special place with special people accomplishing special things.
